FINAL REPORT

POLLUTION PREVENTION (P2) INFORMATION CENTER FOR ISLANDS

December 2001

VOLUME II

InMAGIC POLLUTION PREVENTION DATABASE

The following pages represent the database file of references developed for the Pollution Prevention (P2) Information Center for Islands. A copy of the InMagic database program (5 disks) and the database itself (1 disk) are included in the binding of the printed copy of the database.

University of Hawaii Environmental Center

Title
Understanding Guam's Hazardous Waste, Used Oil and Lead-Acid Battery Laws

Publisher
Guam Environmental Protection Agency, Air-Land Division

Publication Place
Agana, Guam

Publication Date
1997

Subject
Hazardous Waste

Location
University of Hawaii, Environmental Center Library

Document Type
Booklet

Keywords
Guam
used battery
used oil

ID
2

Title
Hazardous Waste Minimization News

Publisher
Hawaii State Department of Health, Solid and Hazardous Waste Minimization Branch

Publication Place
Honolulu, Hawaii

Publication Date
Quarterly since fall 1997

Subject
Hazardous Waste

Location
University of Hawaii, Water Resources Research Center Library

Document Type
Newsletter

Keywords
Hawaii
incentives
hazardous waste

Abstract
Articles on a variety of subjects including waste minimization in laboratories, awards to businesses, P2 activities of the Dept. of Health,

and the University of Hawaii P2 Network.

ID
3

Title
Partnership for the Environment Handbook: Business and Government Work Together to Reduce Waste

Publisher
City and County of Honolulu Recycling Office

Publication Place
Honolulu, Hawaii

Publication Date
1998

Subject
Waste Management

Location
University of Hawaii, Water Resources Research Center Library

Document Type
Booklet

Keywords
environmental services
incentives
waste minimization

Abstract
Describes Honolulu program which works with businesses to reduce waste and recycle. Includes Peer Consultant Program, Certification for Cooperating Businesses, Information Resources, Model Programs, and

ID
4

Author
Taitano, Conchita; Belrichard, Steve

Title
Hasso Guam! Household Hazardous Waste Collection

Publisher
Guam Environmental Protection Agency

Publication Place
Agana, Guam

Publication Date
June 1998

Subject
Hazardous Waste

Location
University of Hawaii, Water Resources Research Center Library

Document Type
Conference Presentation

Keywords
Guam
waste disposal
household hazardous waste

Abstract
Discussion of development of Guam's household hazardous waste collection program.

ID
5

Author
Belrichard, Steve

Title
Where Do I Take This Stuff?

Publisher
Guam Environmental Protection Agency

Publication Place
Agana, Guam

Publication Date
?

Subject
Hazardous Waste

Location
University of Hawaii, Water Resources Research Center Library

Document Type
Pamphlet

Keywords
Guam
waste disposal
household hazardous waste

Abstract
List of places that accept household hazardous waste on Guam.

ID
6

Title
Waste Minimization for Research and Education Institutions

Publisher
California State Department of Toxic Substances Control

Publication Place
Sacramento, California

Publication Date
April 1993

Subject
Hazardous Waste

Location
University of Hawaii, Water Resources Research Center Library

Document Type
Pamphlet

Keywords
alternatives
regulation
university

Abstract
Hazardous waste mininization requirements, opportunities, and alternatives for (California) research and educational institutions.

ID
7

Title
Waste Minimization Materials Available

Publisher
California State Department of Toxic Substances Control, Technology Clearinghouse

Publication Place
Sacramento, California

Publication Date
May 1998

Subject
Hazardous Waste

Location
University of Hawaii, Water Resources Research Center Library

Document Type
Pamphlet

Keywords
household hazardous waste
waste minimization
environmental services

Abstract
List of materials on waste minimization and source reduction available from CDTSC office.

ID
8

Author
Russo, Michelle

Title
P2/OST

Publisher
National Pollution Prevention Roundtable

Publication Place
Washington, D.C.

Publication Date
Quarterly since fall 1997

Subject
Waste Management

Location
University of Hawaii, Water Resources Research Center Library

Document Type
Newsletter

Keywords
pollution prevention
recycling
regulation

Abstract
Newsletter on national P2 issues.

ID
9

Title
Pacific Water Association Newsletter

Publisher
Pacific Water Association

Publication Place
Fiji

Publication Date
Monthly since January 1998

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Newsletter

Keywords
water conservation
water pollution
groundwater

Abstract
Issues of concern to water resources management in the Pacific.

URL

Author
Galiindo, David; Allen, James; Wilhelm, Kim; Hartley, David

Title
Hazardous Waste Minimization Checklist and Assessment Manual for Marine Ship and Pleasure Vessel Boat Yards

Publisher
California State Department of Toxic Substances Control, Office of Pollution Prevention and Technology Development

Publication Place
Sacramento, California

Publication Date
September 1993

Subject
Hazardous Waste

Location
University of Hawaii, Environmental Center Library

Document Type
Fact Sheet

Keywords
hazardous waste
boat
harbor

Abstract
Checklist for identifying hazardous waste reduction measures known to be effective in the marine industry. Also includes worksheet for evaluating these measures in terms of whether or not they are suitable

ID
11

Title
Western Regional P2 Webpage

Publisher
Western Regional Pollution Prevention Network (U.S. EPA branch)

Publication Place
Santa Clara, California

Subject
Environmental Services

Document Type
Website

Keywords
environmental services
hazardous waste
pollution prevention

Abstract
Includes information on P2 conferences, hotlines and yellow pages for western US, and household hazardous waste reduction.

URL
http://www.westp2net.org/

ID
12

Author
Blue Thumb Club

Title
25 Facts About Water

Publisher
American Water Works Association

Publication Place
Denver, Colorado

Publication Date
1994

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
water conservation
water pollution
pollution prevention

Abstract
The Blue Thumb's program includes facts and ideas regarding water conservation, protection of water resources from pollution, and involvement in local water issues.

ID
13

Author
Honolulu Board of Water Supply

Title
Your Water on Oahu: The Gift of Life

Publisher
City and County of Honolulu Print Shop

Publication Place
Honolulu, Hawaii

Publication Date
June 1993

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
water conservation
water pollution
Oahu

Abstract
Discusses water resources on Oahu and how to protect their quality and quantity.

ID
15

Title
Alternatives to Household Hazardous Products

Publisher
Hawaii State Department of Health, Pollution Prevention Program

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Hazardous Waste

Location
University of Hawaii, Environmental Center Library

Document Type
Fact Sheet

Keywords
household hazardous waste
alternatives
Hawaii

Abstract
A checklist of common household products that may contain toxins, along with safe alternatives. Products include: aerosol cans, dishwashing detergents, drain openers, furniture and floor polishes,

ID
16

Title
Pesticides are Toxic Chemicals Designed to Kill...

Publisher
Hawaii State Department of Agriculture, Department of Agriculture

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Pesticides

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
pesticide
water pollution
agriculture

Abstract
Dangers of pesticide use for people, pets, water, and endangered species.

ID
17

Title
Pesticide, Herbicide, and Fertilizer Applications

Publisher
Hawaii State Department of Agriculture

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Agriculture

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
pesticide
fertilizer
Hawaii

Abstract
Discusses selection and purchase of the least-polluting pesticides and fertilizers, proper pesticide application, and practices to reduce the need for pesticide and fertilizer applications.

ID
18

Author
Tabata, Ray

Title
Our Marine Environment: Don't Foul Things Up. Guidelines for Using Anti-Foul Paint

Publisher
Hawaii State Department of Health; Hawaii State Department of Transportation, Harbors Division; and University of Hawaii Sea Grant Extension Service

Publication Place
Honolulu, Hawaii

Publication Date
February 1998

Subject
Marinas and Harbors

Location
University of Hawaii, Environmental Center Library

Document Type
Booklet

Keywords
paint
harbor
boat

Abstract
Effects of anti-fouling paints on the marine environment. Includes a list of safe paints, proper cleaning and reapplying procedures, and disposal.

ID
19

Title
Nonpoint Source Pollution

Publisher
Hawaii State Department of Health, Environmental Planning Office, Nonpoint Source Pollution Management Program

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
water pollution
pollution prevention
Hawaii

Abstract
Description of nonpoint sources of water pollution in Hawaii and information regarding solutions.

ID
20

Author
Buchholz, Donald L. and Hayashida, Kasu

Title
An Activity Book

Publisher
Honolulu Board of Water Supply

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Booklet

Keywords
water conservation
children
Hawaii

Abstract
Children's activity book focusing on water supply and conservation.

ID
22

Author
Pride, Mary K.

Title
Pollution Prevention Guide for Hospitals (Excluding Medical Wastes)

Publisher
California Environmental Protection Agency Office, Department of Toxic Substances Control, Office of Pollution Prevention and Technology Development

Publication Place
San Francisco, California

Publication Date
May 1998

Subject
Medical

Location
University of Hawaii, Environmental Center Library

Document Type
Book

Keywords
hospital
recycling
waste minimization

Abstract
Report to assist general medical and surgical hospitals in evaluating their operations for waste minimization opportunities. It includes case studies of successful and unsuccessful source reduction, recycling, and

ID
23

Title
Waste Management Services in Hawaii

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
1994

Subject
Waste Management

Location
University of Hawaii, Environmental Center Library

Document Type
Booklet

Keywords
hazardous waste
regulation
Hawaii

Abstract
Booklet of addresses and phone numbers of federal agencies that regulate hazardous waste in Hawaii.

ID
24

Title
Annual Report

Publisher
Cooperative Research Center for Sustainable Sugar Production

Publication Place
Australia

Publication Date
1996/1997

Subject
Agriculture

Location
University of Hawaii, Environmental Center Library

Document Type
Book

Keywords
agriculture
sugarcane
soil

Abstract
CRC's focus is on research and development that fosters practices which minimize environmental damage and maintain soil health and water quality. This issue is the only CRC annual report in our library.

ID
25

Title
Environmental Services in Hawaii

Publisher
Hawaii State Department of Health, Solid and Hazardous Waste Minimization Branch

Publication Place
Honolulu, Hawaii

Publication Date
February 1997

Subject
Environmental Services

Location
University of Hawaii, Environmental Center Library

Document Type
Booklet

Keywords
environmental services
Hawaii
waste management

Abstract
Directory of environmental services in Hawaii for 1997. Includes

alternative materials, best management practices, composting, disposal centers, recycling, regulations, spill and cleanup assistance, watershed

ID
26

Title
Managing Boat Wastes: A Guide for Hawaii Boaters

Publisher
Hawaii State Department of Health; Hawaii State Department of Land and Natural Resources, Division of Boating and Ocean Recreation; University of Hawaii Sea Grant College Program

Publication Place
Honolulu, Hawaii

Publication Date
January 1994

Subject
Marinas and Harbors

Location
University of Hawaii, Environmental Center Library

Document Type
Booklet

Keywords
boat
harbor
alternatives

Abstract
Topics covered include alternatives to toxic products, bilge water, boat and deck washing, head sewage, fuel spills, batteries, solid waste, paints and varnishes, solvents, and used oil. Concludes with a list of

Title
Management of Auto Wastes

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Automotive

Location
University of Hawaii, Environmental Center Library

Document Type
Fact Sheet

Keywords
automotive
waste minimization
Hawaii

Abstract
Discusses how to dispose of automobile wastes in Hawaii. Covers used oil, used batteries, tires, antifreeze, CFCs, and used cars in general. Has listings of recycling centers.

ID
29

Author
Milke, Lawrence

Title
Waste Minimization in Action: Painting Contractor's Bulletin

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
October 1995

Subject
Paint

Location
University of Hawaii, Environmental Center Library

Document Type
Fact Sheet

Keywords
paint
waste minimization
Hawaii

Abstract
Bulletin for painting contractors covering topics such as environmentally-friendly paint products, locations accepting unused paint, and other methods of avoiding paint-related pollution. Includes

ID
30

Author
Lewin, John

Title
Waste Minimization in Action: Educational and Analytical Laboratories

Publisher
Hawaii State Department of Health; Ross and Associates

Publication Place
Honolulu, Hawaii and Seattle, Washington

Publication Date
June 1992

Subject
Laboratories

Location
University of Hawaii, Environmental Center Library

Document Type
Fact Sheet

Keywords
laboratory
hazardous waste
university

Abstract
Laboratories have potential for expensive hazardous waste management/disposal problems. Includes lab management techniques, substitutes for hazardous chemicals in labs, and a checklist.

ID
31

Author
Milke, Lawrence

Title
Waste Minimization in Action: Painting Bulletin

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
July 1994

Subject
Paint

Location
University of Hawaii, Environmental Center Library

Document Type
Fact Sheet

Keywords

paint
household hazardous waste
Hawaii

Abstract

Includes the following topics: Housekeeping, waste segregation, spill avoidance, paint products, paint guns, paint pot liners, paint booths, media blasting, chemical removal, cleaning, and a checklist.

ID

32

Title

Cultivate Clean Water: Get Your Feet Wet

Publisher

Hawaii State Department of Health

Publication Place

Honolulu, Hawaii

Publication Date

?

Subject

Water Resources

Location

University of Hawaii, Environmental Center Library

Document Type

Pamphlet

Keywords

water pollution
pesticide
erosion

Abstract

Covers the following topics: fertilizer runoff, eroded sediments, septic wastes, and pesticide residues. Includes both Hawaii and national contacts.

ID

33

Title

Don't Mess With Our Beaches

Publisher

Hawaii State Department of Health

Publication Place

Honolulu, Hawaii

Publication Date

?

Subject

Marinas and Harbors

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
marine
boat
Hawaii

Abstract
Discusses pollution prevention from boats and harbor facilities. Includes Hawaii phone numbers to call to report illegal ocean dumping. Adapted from New York State Department of Health

ID
34

Title
Sail Ahead for Clean Water

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Marinas and Harbors

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
boat
marine
harbor

Abstract
Discusses the effects of polluted water on aquatic life and how to prevent oil, gasoline, and sewage pollution from boats.

ID
35

Title
Clean Water Begins at Home

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Hazardous Waste

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
household hazardous waste
Hawaii
waste minimization

Abstract
Discusses the effects of polluted water on animal life and humans, and different ways of handling household products besides empyting them into drainage ditches.

ID
36

Title
Bank on Clean Water

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
water pollution
boat
marine

Abstract
Discusses the effects of polluted water on marine life, and ways to reduce pollution from boats and other sources.

ID
37

Author
Ah Toong, Charlie

Title
Erosion Control Studies for Agricultural Roads in the Kaiaka-Waialua Hydrologic Unit Area

Publisher
United States Environmental Protection Agency and Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
April 1995

Subject
Agriculture

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
agriculture
erosion
Hawaii

Abstract
Contains graphs and solutions to agriculture erosion in Hawaii.

ID
38

Title
Septic Tanks: Clean Water for Hawaii

Publisher
Hawaii State Department of Health, Wastewater Branch

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
septic tank
groundwater
household hazardous waste

Abstract
Cesspools cause pollution and spread disease; septic tanks are better for the environment.

ID
39

Title
Groundwater: The Hidden Resource that Gets Used for Everything

Publisher
United States Natural Resources Conservation Service

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
groundwater
water pollution
water conservation

Abstract
Section titles: Groundwater's Origins, Land Use Affects Groundwater Quality, and Actions We Can Take to Eliminate Water Pollution in Our Households and Communities. We must educate ourselves and

ID
40

Title
Watersheds: No Matter Where You Are on Land, You Are in a Watershed

Publisher
United States Natural Resources Conservation Service

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Water Resources

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
water pollution
water conservation

groundwater

Abstract

Describes watersheds, the land activities that pollute surface water and groundwater, and the impacts of water pollution on health and recreational activities.

ID

41

Title

Non-Toxic Alternatives: You Can Help to Save the Environment

Publisher

United States Natural Resources Conservation Service

Publication Place

Honolulu, Hawaii

Publication Date

?

Subject

Water Resources

Location

University of Hawaii, Environmental Center Library

Document Type

Pamphlet

Keywords

water pollution
household hazardous waste
alternatives

Abstract

Household hazardous waste and alternatives to household products including drain openers, oven cleaners, toilet cleaners, spot removers, mothballs, powdered cleaners, silver polish, window cleaner, laundry

ID

42

Title

Nonpoint Source Pollution: Every Little Bit Hurts Hawaii

Publisher

United States Natural Resources Conservation Service

Publication Place

Honolulu, Hawaii

Publication Date

?

Subject

Water Resources

Location

University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
water pollution
erosion
Hawaii

Abstract
Discusses point source and nonpoint source pollution--where they come from, and what their effects are.

ID
43

Title
Hazardous Wastes: A Clean Environment Begins in Your Home

Publisher
United States Natural Resources Conservation Service

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Hazardous Waste

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
household hazardous waste
groundwater
Hawaii

Abstract
Describes improper and proper disposal practices for household chemicals including cleaning products, solvents, and pesticides.

ID
44

Title
You Can Compost in Your Own Backyard

Publisher
City and County of Honolulu, Department of Public Works

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Agriculture

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
compost
fertilizer
Hawaii

Abstract
Advertises workshops on composting, and describes how to construct a compost pile or compost container, and how to maintain it.

ID
45

Author
Milke, Lawrence

Title
Waste Minimization in Action: Parts Cleaning Bulletin

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
1992

Subject
Waste Management

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
waste minimization
recycling
cleaning fluid

Abstract
Covers the following industries: automotive repair, construction, painting, and printing. Divides cleaners and solvents into ignitable and non-ignitable. Discusses alternative compounds, changes in practices,

ID
46

Author
?

Title
Waste Minimization Measures for Implementation in Design and Construction of New Developments

Publication Place
?

Publication Date
?

Subject
Construction

Location
University of Hawaii, Environmental Center Library

Document Type
Conference Presentation

Keywords
waste minimization
recycling
construction

Abstract
Discusses waste reduction during both construction and demolition via recycling of concrete, glass, asphalt and metal, plus changing design and operational requirements.

ID
47

Author
Sybinsky, Peter

Title
Waste Minimization in Action: Photoprocessing Bulletin

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
April 1993

Subject
Photoprocessing

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
photoprocessing
waste minimization
source reduction

Abstract

Describes specific photoprocessing chemicals, some regulations regarding them, and a number of waste minimization practices--including employee training to prevent spills, segregating

ID

Waste Minimization in Action: Printing Bulletin

Publisher

Hawaii State Department of Health

Publication Place

Honolulu, Hawaii

Publication Date

September 1993

Subject
Printing Industry

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
printing
waste minimization
Hawaii

Abstract
Describes various hazardous wastes generated by printing facilities, and associated regulations. Recommends waste minimization measures such as better materials handling and storage, improved

ID
50

Author
Sybinsky, Peter

Title
Waste Minimization in Action: Dry Cleaning Bulletin

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
September 1994

Subject
Laundry

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
dry cleaning
laundry
waste minimization

Abstract
Describes various chemicals used in the dry cleaning process and associated regulations. Measures to reduce waste include improved management of cleaning operations, source reduction, recycling, and

ID

Title
Waste Minimization in Action: Project Resources

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Waste Management

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
waste minimization
environmental services
Hawaii

Abstract
Descibes various resources available for those in Hawaii wishing to reduce hazardous waste generation in any profession. Lists agencies and businesses offering services, plus relevant publications such as

ID
52

Author
Milke, Lawrence

Title
Waste Minimization in Action: Silver Recovery Services

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Waste Management

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
waste minimization
metal
Hawaii

Abstract
Lists businesses which recover silver from effluent and other solutions in Hawaii.

ID
53

Author
Milke, Lawrence

Title
Regulatory Education: Small Generators of Hazardous Waste

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Hazardous Waste

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
waste minimization
hazardous waste
small business

Abstract
Describes various types of hazardous waste generated by small businesses (divided into ignitable, corrosive, reactive, and toxic substances). Discusses "cradle-to-grave" management techniques and

ID
54

Author
Milke, Lawrence

Title
Waste Minimization in Action: Environmental Agency Contacts

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Waste Management

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
waste minimization
environmental services
Hawaii

Abstract
Lists phone numbers and addresses of Hawaii County and State and Federal agencies addressing waste minimization.

ID
55

Author
Milke, Lawrence

Title
Waste Minimization in Action: Auto Maintenance

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Automotive

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
waste minimization
automotive
Hawaii

Abstract
Discusses environmental regulations regarding car washing services and garages, and includes a list of contact phone numbers.

ID
56

Title
Pollution Prevention Program

Publisher
Hickam Air Force Base, 15th Transportation Squadron

Publication Place
Honolulu, Hawaii

Publication Date
?

Subject
Automotive

Location
University of Hawaii, Environmental Center Library

Document Type
Packet

Keywords
automotive
recycling
Hawaii

Abstract
Describes pollution prevention in maintenance of Hickam AFB's automotive fleet. Discusses recycling of antifreeze, oil, and solvents; cleaning of paint spray guns and vehicle parts; explosion-proof

ID
57

Author
Dewell, Jane and Vieira, Richard

Title
Reducing and Managing Painting Contractor Wastes

Publisher
Hawaii State Department of Health, and Painting and Decorating Contractors Association of Hawaii

Publication Place
Honolulu, Hawaii

Publication Date
1994

Subject
Paint

Location
University of Hawaii, Environmental Center Library

Document Type
Packet

Keywords

paint
waste minimization
waste disposal

Abstract

Covers topics such as waste management and disposal, environmental regulations, hazardous waste guidance sources and disposal facilities in Hawaii, developing a waste reduction program, and worker safety.

ID

58

Title

Groundwater: Hawaii's Most Precious Resource

Publisher

United States Environmental Protection Agency and Hawaii State Department of Health

Publication Place

Honolulu, Hawaii

Publication Date

?

Subject

Water Resources

Location

University of Hawaii, Environmental Center Library

Document Type

Pamphlet

Keywords

groundwater
Hawaii
water conservation

Abstract

Describes the water cycle in Hawaii, concentrating on groundwater sources and reservoirs and threats to groundwater quality. Includes measures such as conserving water, avoiding dumping of pollutants

ID

59

Title
What Boaters Can Do to Be Environmentally Friendly

Publisher
West Maui Watershed Management Project and the Lahaina Harbor-Mala Wharf Advisory Committee

Publication Place
Lahaina, Maui, Hawaii

Publication Date
?

Subject
Marinas and Harbors

Location
University of Hawaii, Environmental Center Library

Document Type
Booklet

Keywords
boat
harbor
marine

Abstract
Covers toilets, bottom and other paints, cleaning and solvents, fish waste, disposal of wastes on land, oil and fuel, bilge water, and protecting dive sites. Includes a list of important phone numbers.

ID
61

Title
Motor Oil Recyclingand Hints on Changing Your Oil

Publisher
Hawaii Automotive and Retail Gasoline Dealers Association; State of Hawaii Department of Business and Economic Development, Energy Division; State of Hawaii Department of Health; State of Hawaii

Publication Place
Honolulu, Hawaii

Publication Date
September 1988

Subject
Waste Management

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
automotive
used oil
recycling

Abstract
Discusses used oil disposal regulations, oil recycling hints, and oil recycling options.

ID
62

Author
Lewin, John

Title
Protect Your Family from Lead Poisoning

Publisher
Hawaii State Department of Health

Publication Place
Honolulu, Hawaii

Subject
Waste Management

Location
University of Hawaii, Environmental Center Library

Document Type
Pamphlet

Keywords
metal

lead
water pollution

Abstract

Discusses reasons why lead is harmful to humans and animals, what concentrations are dangerous for various types of contact, and how to reduce lead-containing product use in the home.

ID

Title
Pests of the Gardenand Small Farm: A Grower's Guide to Using Less Pesticide

Publisher
Statewide Integrated Pest Management Project, University of California, Division of Agriculture and Natural Resources

Publication Place
Oakland, California

Publication Date
1990

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
agriculture
integrated pest management
pesticide

Abstract
Describes agricultural pests in the garden and small farm,and how to reduce their impact without applying pesticides.

ID

Guidelines for Integrated Control of Cotton Pests

Publisher
United Nations, Food and Agriculture Organization

Publication Place
Rome, Italy

Publication Date
1983

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
agriculture
integrated pest management
pesticide

Abstract
IPM concepts and techniques for cotton farmers.

ID
204

Author
Fowler, John M.; Heady, Earl O., Christensen, Douglas A.

Title
Interface of Forest and Agriculture in Nonpoint Pollution Control

Publisher
Center for Agricultural and Rural Development, Iowa State University

Publication Place
Ames, Iowa

Publication Date
1983

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
agriculture
integrated pest management
pesticide

Abstract
Describes how forests reduce runoff and absorb pollutants from agricultural fields, and provides advice on retaining forest belts around farms.

ID

Author
Jackson, Gary

Title
Agricultural Management Practices to Minimize Groundwater Contamination

Publisher
Environmental Resources Center, University of Wisconsin

Publication Place
Madison, Wisconsin

Publication Date
1987

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
agriculture
groundwater
integrated pest management

Abstract
Describes the concept and aspects of groundwater quality and how to maintain it by reducing agricultural wastes and water usage.

ID
206

Author
Wajnberg, Eric; Hassan, Sherif A.

Title
Biological Control with Egg Parasitoids

Publisher
CAB International on behalf of the International Organization for Biological Control of Noxious Animals and Plants

Publication Place
Wallingford, England

Publication Date
1994

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
agriculture
integrated pest management

pesticide

Abstract

Describes techniques and examples of pest control via introduction of parasitoids which attack these pests' eggs.

air pollution

Abstract

Discusses air pollution emanating from cement factories, and technologies and techniques for minimizing this pollution.

ID

314

Title

Evaluation Criteria Guide for Water Pollution Prevention, Control, and Abatement Programs

Publisher

United States Department of the Army Headquarters

Publication Place

Washington, D.C.

Publication Date

1987

Subject

Water Resources

Document Number

Technical Manual TM 5-814-8

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
water pollution
military
pollution prevention

Abstract
Describes proper water quality management, and technologies and techniques which the U.S. Army (and by extension other branches of the armed forces) can employ to minimize water pollution.

ID
315

Author
Davis, Daniel S.

Title
Accidental Releases of Air Toxics: Prevention, Control, and Mitigation

Publisher
Noyes Data Corporation

Publication Place
Park Ridge, New Jersey

Publication Date
1989

Subject
Chemical Industry

Document Number
Pollution Technology Review Number 170

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
air pollution
pollution prevention
chemical

Abstract
Describes air pollution problems in the chemical industry, including accidental releases. Provides safety measures and other pollution prevention ideas.

ID
316

Keywords

household hazardous waste
toxic waste
small business

Abstract

Discusses the political aspects of toxicology and environmental health, and how citizens can become involved in programs to reduce emissions of toxic and hazardous chemicals (such as pesticides and air

ID

Author

Lao, Kenneth Q.

Title

Controlling Indoor Radon: Measurement, Mitigation, and Prevention

Publisher

Van Nostrand Reinhold Publishers

Publication Place

New York, New York

Publication Date

1990

Subject

Air Pollution

Location

University of Hawaii, Hamilton Library

Document Type

Book

Keywords

air pollution
radon
indoor air

Abstract

Gives homeowners and renters information on how to check for and mitigate radon emissions in home basements.

ID

319

Author

Barcelona, Michael

Title

Contamination of Ground Water: Prevention, Assessment, Restoration

Publisher

Noyes Data Corporation

Publication Place
Park Ridge, New Jersey

Publication Date
1990

Subject
Water Resources

Document Number
Pollution Technology Review Number 184

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
groundwater
water pollution
pollution prevention

Abstract
Describes technologies and techniques for preventing pollution of groundwater by homes and businesses.

ID
320

Title
Guides to Pollution Prevention: The Fabricated Metal Products Industry

Publisher
United States Environmental Protection Agency, Office of Research and Development: Center for Environmental Research Information and Risk Reduction Engineering Laboratory

Publication Place
Cincinnati, Ohio

Publication Date
July 1990

Subject
Metals

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
metal
waste disposal
pollution prevention

Abstract
Describes ways to reduce waste and pollution in the metals manufacturing trade.

ID
321

Title
Guides to Pollution Prevention: The Printed Circuit Board Manufacturing Industry

Publisher
United States Environmental Protection Agency, Office of Research and Development: Center for Environmental Research Information and Risk Reduction Engineering Laboratory

Publication Place
Cincinnati, Ohio

Publication Date
June 1990

Subject
Electronics Industry

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
circuit board
electronic
waste minimization

Abstract
Describes techniques to reduce waste and air and water pollution from the circuit board manufacturing industry.

ID
322

Title
Guides to Pollution Prevention: Selected Hospital Waste Streams

Publisher
United States Environmental Protection Agency, Office of Research and Development: Center for Environmental Research Information and Risk Reduction Engineering Laboratory

Publication Place
Cincinnati, Ohio

Publication Date
June 1990

Subject
Medical

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords

hospital
waste management
pollution prevention

Abstract

Provides guidance on reducing production of medical and hazardous waste from hospitals.

ID

323

Title

Guides to Pollution Prevention: The Commercial Printing Industry

Publisher

United States Environmental Protection Agency, Office of Research and Development: Center for Environmental Research Information and Risk Reduction Engineering Laboratory

Publication Place

Cincinnati, Ohio

Publication Date

August 1990

Subject

Printing Industry

Location

University of Hawaii, Hamilton Library

Document Type

Book

Keywords

printing
waste management
pollution prevention

Abstract

Describes techniques to reduce pollution from all stages of the printing process

ID

324

Title

Guides to Pollution Prevention: Research and Educational Institutions

Publisher

United States Environmental Protection Agency, Office of Research and Development: Center for Environmental Research Information and Risk Reduction Engineering Laboratory

Publication Place

Cincinnati, Ohio

Publication Date

June 1990

Subject
Educational

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
education
university
pollution prevention

Abstract
Describes techniques and policies for reducing chemical and other pollution from research institutions and from primary, secondary, and postsecondary schools.

Title
Prosperity without Pollution: The Prevention Strategy for Industry and Consumers

Publisher
Van Nostrand Reinhold Publishers

Publication Place
New York, New York

Publication Date
1991

Subject
Industrial Waste

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
pollution prevention
industrial waste
hazardous waste

Abstract
Describes the economics of pollution prevention for industry, and how the public can benefit in multiple ways. Provides case studies and guides to reducing household hazardous waste.

ID
327

Author
Jennings, aaron A.; Spangenberg, N. Earl

Title
Surface and Ground Water Quality: Pollution Prevention, Remediation, and the Great Lakes

Publisher
American Water Resources Association

Publication Place
Bethesda, Maryland

Publication Date
1991

Subject
Water Resources

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords

water pollution
groundwater
lake

Abstract

Proceedings of the 1991 Spring AWRA Symposium, held in Cleveland, Ohio, February 24-27, 1991. Contents: Wetlands; The Remedial Action Plan Process; Management of the Great Lakes;

Title

Guides to Pollution Prevention: The Pesticide Formulating Industry

Publisher

United States Environmental Protection Agency, Office of Research and Development: Center for Environmental Research Information and Risk Reduction Engineering Laboratory

Publication Place

Cincinnati, Ohio

Publication Date

February 1990

Subject

Pesticides

Location

University of Hawaii, Hamilton Library

Document Type

Book

Keywords

pesticide
pollution prevention
waste minimization

Abstract

Provides guidance to the pesticide formulation and manufacturing industry regarding avenues of air and water pollution, and how to minimize pollution along these routes. Provides some case studies.

Guides to Pollution Prevention: The Photoprocessing Industry

Publisher
United States Environmental Protection Agency, Office of Research and Development: Center for Environmental Research Information and Risk Reduction Engineering Laboratory

Publication Place
Cincinnati, Ohio

Publication Date
October 1991

Subject
Photoprocessing

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
photoprocessing
waste management
pollution prevention

Abstract

Provides information regarding pollution types and pathways in the photographic processing industry, and provides methods and case studies demonstrating how to reduce the use of photographic chemicals

Title
Identification of Pollution Prevention (P2) Technologies for Possible Inclusion in Enforcement Agreements using Supplemental Environmental Projects (SEPs) and Injunctive Relief: Final Report

Publisher
United States Environmental Protection Agency, Office of Enforcement and Compliance Assurance

Publication Place
Washington, D.C.

Publication Date
March 1997

Subject
Government

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
government
regulation
technology

Abstract
Discusses recent technological innovations in prevention of industrial waste for possible inclusion in enforcement agreements using

supplemental environmental projects and injunctive relief for

Title
Protect Your Family: Reduce Contamination at Home (A Summary of a Study)

Publisher
United States Department of Health and Human Services, Public Health Service, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health

Publication Place
Washington, D.C.

Publication Date
1998

Subject
Hazardous Waste

Document Number
DHHS (NIOSH) Publication Number 97-125

Location
University of Hawaii, Hamilton Library

Document Type
Booklet

Keywords
household hazardous waste
pollution prevention
toxic waste

Abstract
Provides guidance to homeowners regarding household hazardous waste and ways to minimize its purchase, use, and improper disposal.

ID
372

Author
Abraham, Martin A.; Sunol, Aydin K. (editors)

Title
Supercritical Fluids: Extraction and Pollution Prevention

Publisher
American Chemical Society

Publication Place
Washington, D.C.

Publication Date
1997

Subject
Laboratories

Document Number
ACS Symposium Series Number 670

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
chemical
laboratory
waste management

Abstract
Developed from a symposium sponsored by the Division of Industrial and Engineering Chemistry, Inc., at the 211th National Meeting of the American Chemical Society, New Orleans, Louisiana, March 24-28,

ID
373

Title
Tools for Schools: Indoor Air Quality Action Kit

Publisher
United States Environmental Protection Agency; American Lung Association

Publication Place
Washington, D.C.

Publication Date
May 1995

Subject
Air Pollution

Location
University of Hawaii, Hamilton Library

Document Type
Packet

Keywords
air pollution
school
education

Abstract
This action kit contains two books, 31 sheets, one problem solving wheel, and one videotape. An indoor air quality coordinator's guide for U.S. schools, it provides information to educators and students

ID

Author
Manurung, Roma

Title
Pollution Control in Industrial Agglomeration Areas: A Case Study in Cibinong Industrial Zone, Indonesia

Publisher
University Consortium on the Environment

Publication Place
Jakarta, Indonesia

Publication Date
1994

Subject
Industrial Waste

Document Number
Publication Series Number 28

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
industrial waste
Indonesia
pollution prevention

Abstract
Begins with an overview of pollution prevention efforts in Indonesian industry, then provides a case study of the Cibinong (Bogor) Industrial District--what the pollution problems were, how they were solved or

ID

Author
El-Hinnawi, Essam

Title
Towards Cleaner Production in the Oil and Gas Industry in the ESCWA Countries

Publisher
United Nations, Economic and Social Commission for Western Asia

Publication Place
New York, New York

Publication Date
1996

Subject
Oil

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
Middle East
industrial waste
oil

Abstract
Discusses the petroleum industry, both upstream (oil and gas wells) and downstream (refineries) in the Middle East. Provides advice and case studies on practices and technologies which reduce air and water

ID
376

Author
Bingham, Eula; Rall, David P. (editors)

Title
Preventive Strategies for Living in a Chemical World

Publisher
New York Academy of Sciences

Publication Place
New York, New York

Publication Date
1997

Subject
Waste Management

Document Number
Annals of the New York Academy of Sciences, Volume 837

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
alternatives
household hazardous waste
toxic waste

Abstract
Proceedings of a conference on environmental toxicology, including topics such as Identification and Control of Environmental Risks, Economic Aspects of Environmental Protection, and Carcinogenesis.

ID
377

Author
Bell, Carole O.

Title
Pollution Prevention Assessment, U.S. Postal Inspection Service National Forensic Laboratory: Project Summary

Publisher
United States Environmental Protection Agency, National Risk Management Research Laboratory

Publication Place
Cincinnati, Ohio

Publication Date
September 1996

Subject
Waste Management

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
government
pollution prevention
waste minimization

Abstract
Results of a study of pollution emanating from post office buildings in Virginia, and resulting recommendations regarding how to minimize pollution via improved handling of packages, use of alternative

ID
378

Title
Pollution Prevention Incentives for States (PPIS) Grant Program: Assessment Study

Publisher
United States Environmental Protection Agency, Office of Pollution Prevention and Toxics

Publication Place
Washington, D.C.

Publication Date
Spring 1996

Subject
Government

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
government
economics
pollution prevention

Abstract

Provides information regarding grants, loans, and other incentives for pollution prevention in the U.S. Assesses the pros and cons of each.

ID

379

Title

Partners for Pesticide Environmental Stewardship

Publisher

United States Environmental Protection Agency, Office of Pollution Prevention, Pesticides, and Toxic Substances

Publication Place

Washington, D.C.

Publication Date

September 1995

Subject

Pesticides

Location

University of Hawaii, Hamilton Library

Document Type

Microform

Keywords

agriculture
pesticide
pollution prevention

Abstract

Provides a brief background on the environmental aspects of pesticides, then describes the EPA's Pesticide Environmental Stewardship Program. The program is a public-private sector

ID

380

Author

Phillips, Jennifer Phillips

Title

Control and Pollution Prevention Options for Ammonia Emissions

Publisher

United States Environmental Protection Agency, Office of Air Quality Planning and Standards; and Office of Research and Development.

Publication Place

Research Triangle Park, North Carolina

Publication Date

April 1995

Subject

Air Pollution

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
air pollution
ammonia
waste minimization

Abstract
Discusses air pollution in the United States created by the ammonia formulation industry (and to some extent created by users of ammonia products). Provides some pollution prevention options.

ID
381

Title
Flexible Polyurethane Foam Emission Reduction Technologies Cost Analysis: Preliminary Draft

Publisher
United States Environmental Protection Agency, Office of Air Quality, Planning and Standards

Publication Place
Research Triangle Park, North Carolina

Publication Date
1996

Subject
Air Pollution

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
air pollution
plastic
pollution prevention

Abstract
Discusses air pollution caused by production of flexible polyurethane foam in the United States. Then looks at pollution prevention technologies and practices, and provides a cost/benefit analysis of each.

ID
382

Title
Pollution Prevention in the Paints and Coatings Industry

Publisher
United States Environmental Protection Agency

Publication Place
Washington, D.C.

Publication Date
September 1996

Subject
Paint

Location
University of Hawaii, Hamilton Library

Document Type
Booklet

Keywords
paint
pollution prevention
chemical

Abstract
Provides guidelines for pollution prevention in the paints and coatings formulation and production industry.

ID
383

Author
Battelle Ocean Sciences; A.T. Kearney, Inc.

Title
Protecting Coastal Waters from Vessel and Marina Discharges: A Guide for State and Local Officials

Publisher
United States Environmental Protection Agency, Office of Water; and Oceans and Coastal Protection Division

Publication Place
Washington, D.C.

Publication Date
August 1994

Subject
Marinas and Harbors

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
boat
oil
marine

Abstract
This guide for state and local officials comes in two volumes, of which this is Volume 1. Covers various aspects of protecting coastal waters

from vessel and marina discharges, especially legal (e.g., establishing

ID
384

Title
Guide to NPDES Regulations for Concentrated Animal Feeding Operations: Final Draft

Publisher
United States Environmental Protection Agency, Office of Water

Publication Place
Washington, D.C.

Publication Date
December 1995

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
agriculture
animal waste
water pollution

Abstract
Discusses NPDES regulations for concentrated animal feeding operations and minimization of feedlot runoff leading to water pollution.

ID
385

Author
Leavesley, George H. (editor)

Title
Destructive Water: Water-Caused Natural Disasters, Their Abatement and Control

Publisher
International Association of Hydrological Sciences

Publication Place
Wallingford, England

Publication Date
1997

Subject
Water Resources

Document Number
IAHS Publication Number 239

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
water pollution
construction
technology

Abstract
Proceedings of a conference held in Anaheim, California, June 24-28 1996. Descibes the need for flood damage prevention, in terms of both flood damage and pollution avoided by proper construction and water

ID
386

Author
Kim, Byung J.; Park, James K.; Clapp, Lee W.

Title
Characterization of Nitrocellulose Fines in Wastewater and Development of a Pollution Prevention Strategy

Publisher
United States Army Corps of Engineers, Construction Engineering Research Laboratories

Publication Place
Champaign, Illinois

Publication Date
1997

Subject
Military

Document Number
USACERL Technical Report Number 97/138

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
military
sewage
water pollution

Abstract
Discusses nitrocellulose fines found in sewage and other wastewater at U.S. military bases and training grounds, and provides guidance on developing pollution prevention strategies such as improved filtering

ID
387

Title
Pollution Prevention Program Plan 1996

Publisher
United States Department of Energy, Office of the Secretary

Publication Place
Washington, D.C.

Publication Date
1996

Subject
Waste Management

Location
University of Hawaii, Hamilton Library

Document Type
Booklet

Keywords
energy
government
pollution prevention

Abstract
Discusses waste mininization and other P2 tactics undertaken by the U.S. Department of Energy in fiscal year 1996.

ID
388

Title
Lead-Based Paint Abatement and Repair and Maintenance Study in Baltimore: Findings Based on Two Years of Follow-Up

Publisher
United States Environmental Protection Agency, Office of Pollution Prevention and Toxics, Technical Branch

Publication Place
Washington, D.C.

Publication Date
December 1997

Subject
Paint

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
paint
Maryland
pollution prevention

Abstract
Lead based paint abatement Maryland Baltimore Removal. Provides

and discusses the results of a study in Baltimore which looked at the lead-based paint problem in old buildings, and at techniques and

ID
389

Thamke, Joanna N.; Nimick, David A.

Title
Dryland Farming and Livestock as Sources of Nitrate in Ground Water

Publisher
United States Department of the Interior; United States Geological Survey

Publication Place
Reston, Virginia

Publication Date
1998

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Fact Sheet

Keywords
agriculture
animal waste
Montana

Abstract
Results of a case study in Montana which looked at dryland farming and livestock as sources of nitrate in groundwater, and at ways to reduce or eliminate such pollution.

ID
390

Author
Chesapeake Executive Council

Title
Chesapeake Bay Basinwide Toxics Reduction and Prevention Strategy

Publisher
Chesapeake Bay Program

Publication Place
Annapolis, Maryland

Publication Date
1994

Subject
Water Resources

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
marine
nonpoint source pollution
Chesapeake Bay

Abstract
Text of a statement dated adopted by the Chesapeake Bay Program committing itself to water quality improvement in Chesapeake Bay by means of improved reduced point source and nonpoint source pollution

URL

Author
American Institute for Pollution Prevention; Aldrich, James R.

Title
A Primer for Financial Analysis of Pollution Prevention Projects

Publisher
United States Environmental Protection Agency, Office of Research and Development, Risk Reduction Engineering Laboratory

Publication Place
Washington, D.C.

Publication Date
April 1993

Subject
Waste Management

Location
University of Hawaii, Hamilton Library

Document Type
Booklet

Keywords
economics
government
pollution prevention

Abstract
Provides tools for evaluating the costs and benefits of pollution prevention projects on and industrial scale.

URL
http://purl.access.gpo.gov/GPO/LPS390

ID
392

Title
Pollution Prevention Benefits Manual: Phase II

Publisher
United States Environmental Protection Agency, Office of Policy, Planning, and Evaluation

Publication Place
Washington, D.C.

Publication Date
October 1989

Subject
Waste Management

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
economics
pollution prevention
training

Abstract
Divided into two volumes: The Pollution Prevention Benefits Manual and Appendices. Discusses pollution laws in the U.S. and a listing and assessment of the financial benefits which can accrue to industries that

ID
393

Title
Eco-Efficiency in Transport: Workshop Report and Background Paper

Publisher
Organisation for Economic Cooperation and Development: Environment Directorate, Environment Policy Committee, Group on Pollution Prevention and Control and Task Force on Transport

Publication Place
Paris, France

Publication Date
1997

Subject
Automotive

Document Number
OECD Working Papers, Volume 6, Number 23

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
automotive
air pollution
transportation

Abstract
Document contains two reports: A report of an experts' workshop held on July 7-8, 1997 at the German Federal Environmental Agency in Berlin, and a background report for the Berlin workshop. Covers

ID
394

Title
Pollution Prevention/Waste Minimization User's Guide for Environmental Restoration Projects: Decommissioning and Remedial Actions

Publisher
United States Department of Energy, Office of Scientific and Technical Information

Publication Place
Ashtabula, Ohio

Publication Date
1998

Subject
Construction

Location
University of Hawaii, Hamilton Library

Document Type
Software/Electronic Tool

Keywords
radiation
nuclear reactor
waste disposal

Abstract
Contains one computer laser optical disc. Provides a framework for integrating pollution prevention and waste minimization into environmental restoration activities at Department of Energy sites.

URL
http://purl.access.gpo.gov/GPO/LPS1743

ID
395

Author
Weil, Edward D.

Title
New Anti-Corrosive Coatings with Resin-Bonded Polyaniline and Related Electroactive Groups: Final Report

Publisher
United States, National Aeronautics and Space Administration

Publication Place
Washington, D.C.

Publication Date
1997

Subject
Metals

Document Number
NASA Contractor Report Number 205822

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
water pollution
metal
plastic

Abstract
Discusses steel corrosion prevention and water pollution, then provides information on several new anti-corrosive polymer coatings created and/or used by NASA. These include zinc coatings and coatings with

ID
396

Title
Reducing Greenhouse Gas Emissions: The Role of Voluntary Programmes

Publisher
United Nations Environment Programme, Industry and Environment Programme Activity Centre; United States Environmental Protection Agency, Atmospheric Pollution Prevention Division

Publication Place
Paris, France

Publication Date
1997

Subject
Air Pollution

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords

air pollution
greenhouse gas
government

Abstract

Discusses the types and impacts of greenhouse gases, and the policies of U.S. and other government policy towards these emissions. Then provides information on and case studies of voluntary programs

ID

397

Title

Pollution Prevention (P2) Guidance Manual for the Pesticide Formulating, Packaging, and Repackaging Industry: Implementing the P2 Alternative.

Publisher

United States Environmental Protection Agency, Office of Water and Office of Pollution Prevention and Toxics

Publication Place

Washington, D.C.

Publication Date

June 1998

Subject

Pesticides

Location

University of Hawaii, Hamilton Library

Document Type

Microform

Keywords

pesticide
industrial waste
water pollution

Abstract

Discusses environmental aspects of the pesticide formulation and production industry in the United States--and pollution prevention options for pesticide formulating, packaging, and repackaging.

ID

398

Author

Dodson, Roy D.

Title

Storm Water Pollution Control: Municipal, Industrial, and Construction NPDES Compliance

Publisher

McGraw-Hill Publishers

Publication Place
New York, New York

Publication Date
1999

Subject
Construction

Location
University of Hawaii, Hamilton Library

Document Type
Book

Keywords
construction
water pollution
regulation

Abstract
Discusses legal and permitting aspects of water pollution prevention from municipal, industrial, and construction sites in the United States. Concentrates on project design, storm drain design, and NPDES

ID
399

Title
Evergreen Award for Pollution Prevention: Recognizing Environmental Excellence and Leadership

Publisher
United States Environmental Protection Agency, Region 10

Publication Place
Seattle, Washington

Publication Date
1998

Subject
Government

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
government
incentives
pollution prevention

Abstract
Provides a brief overview of the Evergreen Awards for environmental excellence and leadership in pollution prevention in the U.S. Pacific Northwest.

ID
400

Title
Apparel Care and the Environment: Alternative Technologies and Labeling

Publisher
United States Environmental Protection Agency, Office of Pollution Prevention and Toxics

Publication Place
Washington, D.C.

Publication Date
September 1996

Subject
Laundry

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
dry cleaning
laundry
technology

Abstract
Discusses environmental aspects of the textile production, dyeing, and dry cleaning industries. Then provides guidance on source reduction, waste minimization, alternative technologies, and proper labeling to

ID
401

Title
What You Can Do to Reduce Air Pollution: A Citizen's Guide to What Individuals and Communities Can Do to Help Meet the Goals of the Clean Air Act Amendments of 1990

Publisher
United States Environmental Protection Agency

Publication Place
Washington, D.C.

Publication Date
October 1992

Subject
Air Pollution

Location
University of Hawaii, Hamilton Library

Keywords
air pollution
regulation
pollution prevention

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
government
incentives
chemical

Abstract
Describes the EPA's Green Chemistry Program, its chemical industry research grants, and the Presidential Green Chemistry Challenge Awards Program. Provides a summary of 1996 award entries and

Title
State Experience Integrating Pollution Prevention into Permits

Publisher
Research Triangle Institute; United States Environmental Protection Agency, Office of Air Quality Planning and Standards

Publication Place
Research Triangle Park, North Carolina

Publication Date
1998

Subject
Government

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
government
regulation
pollution prevention

Abstract
Describes various types of environmental permits required in the U.S. for construction, development, or resource extraction activities. Discusses the successes (and failures that various states have

ID
405

Title
Cleaner Technologies Substitutes Assessment for Professional Fabricare Processes

Publisher
United States Environmental Protection Agency, Office of Pollution Prevention and Toxics, Economics, Exposure and Technology Division

Publication Place
Washington, D.C.

Publication Date
June 1998

Subject
Laundry

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
dry cleaning
laundry
technology

Abstract
Divided into two parts: Peer Review Process, and Response to Peer Review Comments. Discusses the environmental aspects of the dry cleaning industry, then addresses solutions--including source

ID
406

Title
Risk Management Program Guidance for Propane Storage Facilities

Publisher
United States Environmental Protection Agency, Office of Solid Waste and Emergency Response; and Office of Chemical Emergency Preparedness and Prevention

Publication Place
Washington, D.C.

Publication Date
October 1998

Subject
Air Pollution

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
air pollution
propane
pollution prevention

Abstract
Discusses air pollution from propane production facilities in the U.S.

and provides guidance for management of risk management programs, accident prevention, and pollution prevention for propane storage

URL
http://purl.access.gpo.gov/GPO/LPS2707 (Adobe Acrobat required)

Title
Energy Project Landfill Gas Utilization Software (E-PLUS): User's Manual

Publisher
United States Environmental Protection Agency, Atmospheric Pollution Prevention Division

Publication Place
Washington, D.C.

Publication Date
January 1997

Subject
Air Pollution

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
air pollution
landfill
methane

Abstract
Describes processes that generate methane and other common landfill gases. Then presents the E-PLUS computer program for designing facilities for methane and either selling it or burning it for energy.

ID

Pollution Prevention Solutions During Permitting, Inspection, and Enforcement

Publisher

United States Environmental Protection Agency, Office of Solid Waste and Emergency Response; USEPA, Region 4, Air, Pesticides, and Toxics Management Division

Publication Place

Washington, D.C.

Publication Date

December 1998

Subject

Government

Location

University of Hawaii, Hamilton Library

Document Type

Microform

Keywords

government
regulation
permit

Abstract

Discusses problems with permitting, inspection, and enforcement of pollution prevention laws, and solutions which work for all concerned. Aimed at state and federal regulatory agencies.

ID

411

Title

Garment and Textile Care Program: An Eye to the Future

Publisher

United States Environmental Protection Agency, Office of Pollution Prevention and Toxics, Economics, Exposure, and Technology Division

Publication Place

Washington, D.C.

Publication Date
June 1998

Subject
Laundry

Document Number
Design for the Environment Series

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
laundry
dry cleaning
pollution prevention

Abstract
Proceedings of a 1998 conference. Discusses the EPA's Garment and Textile Care Program (a component of its Design for the Environment Program). Covers pollution connected to the laundry and dry cleaning

ID
412

Author
Boyd, James

Title
Searching for the Profit in Pollution Prevention: Case Studies in the Corporate Evaluation of Environmental Opportunities

Publisher
Resources for the Future; United States Environmental Protection Agency, Office of Policy, Planning, and Evaluation, and Office of Pesticide Programs

Publication Place
Washington, D.C.

Publication Date
April 1998

Subject
Waste Management

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
economics
case studies
pollution prevention

Abstract

Discusses economic aspects of environmental protection by industries in the United States. Then covers source reduction and recycling and provides several case studies of P2 options which saved companies

URL

Title

Energy Star and Related Programs, 1997 Annual Report

Publisher

United States Environmental Protection Agency, Office of Air Quality Planning and Standards, Atmospheric Pollution Prevention Division

Publication Place

Washington, D.C.

Publication Date

1998

Subject

Air Pollution

Location

University of Hawaii, Hamilton Library

Document Type

Booklet

Keywords

air pollution
energy
government

Abstract

Discusses the EPA's Energy Star Program, and its projects in fiscal year 1997 to reduce energy use in government, educational, and corporate facilities.

ID

414

Title

Industrial Waste Management Evaluation Model (IWEM): Ground-Water Model (Draft)

Publisher

United States Environmental Protection Agency, Office of Solid Waste and Emergency Response

Publication Place

Washington, D.C.

Publication Date

May 1999

Subject

Industrial Waste

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
groundwater
industrial waste
technology

Abstract
Discusses pollution types--especially groundwater--associated with industrial waste management disposal in the United States. Then presents a draft of the EPA's Industrial Waste Management Evaluation

ID
415

Title
Industrial Waste Air Model Technical Background Document

Publisher
United States Environmental Protection Agency, Office of Solid Waste and Emergency Response

Publication Place
Washington, D.C.

Publication Date
May 1999

Subject
Air Pollution

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
air pollution
industrial waste
pollution prevention

Abstract
Discusses technical aspects of air pollution associated with industrial waste, and introduces an EPA computer simulation program for air pollution control measures.

ID
416

Title
Innovative Uses of Compost: Bioremediation and Pollution Prevention

Publisher
United States Environmental Protection Agency, Office of Solid Waste and Emergency Response

Publication Place
Washington, D.C.

Publication Date
October 1997

Subject
Agriculture

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
bioremediation
compost
agriculture

Abstract
Describes traditional methods of composting and compost uses. Then introduces innovative methods and uses of compost, in particular bioremediation of oil and other toxic chemicals.

ID
417

Author
Weaver, Christopher S. (for Hagler Bailly Services, Inc.)

Title
Implementer's Guide to Phasing out Lead in Gasoline

Publisher
United States Environmental Protection Agency, Office of International Activities; United States Agency for International Development, Environmental Pollution Prevention Project

Publication Place
Washington, D.C.

Publication Date
March 1999

Subject
Automotive

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
automotive
gasoline
lead

Abstract
Discusses environmental impacts of lead in gasoline and previous

attempts to reduce lead in gasoline in the U.S. Provides guidance on entirely phasing out leaded gasoline.

ID
418

Author
ICF Incorporated

Title
An Introduction to Environmental Accounting as a Business Management Tool: Key Concepts and Terms

Publisher
United States Environmental Protection Agency, Office of Pollution Prevention and Toxics

Publication Place
Washington, D.C.

Publication Date
June 1995

Subject
Waste Management

Document Number
Environmental Accounting Project

Location
University of Hawaii, Hamilton Library

Document Type
Microform

Keywords
economics
pollution prevention
waste management

Abstract
Describes environmental accounting, environmental auditing, and impact analysis as ways to determine the cost effectiveness of P2 efforts by businesses and industries. Defines several key concepts and
