VITAL to many university students is the new labor policy announced by the Hawaiian Pineapple. A forty-hour week with increases in the hourly rate of pay are provided for. Overtime pay for any work over eight hours on week days and for any work on Saturdays, Sundays and holidays will be the policy.

In announcing this new liberal policy, the Hawaiian Pineapple company is taking the lead in providing better working conditions for all. It is true that students will not be able to make as much money as they formerly did. But the fact that they will have more time to devote to leisure and the fact that it will now be possible to spread the work among a greater number of people, more than makes up for this.

The company should be congratulated for its liberal policy and its concrete efforts to make for better relations between worker and capitalist.

THE Spanish War has apparently come between France and Italy in the long hoped-for Four Power Pact. This pact would be between Great Britain, Italy, France and Germany to maintain the status quo.

Now, however, France and Italy have split over the Spanish question. Italy, a fascist nation, has been backing Franco, while France, with a liberal government, has been on the side of the Loyalists. Obviously, this has not led to friendlier relations.

Another factor is the inclusion of Germany in the pact. France would probably much rather see Russia, with whom she has a military alliance, come into the fold. And, of course, her traditional enmity with Germany does not help the situation.

What happens next will be interesting to watch. It may very possibly decide the possibility of peace in Europe for the next decade.

STUDENTS of foreign affairs would do well to continue watching the Czechoslovakian situation. The European Whirligig, a column appearing in the Sunday Advertiser, predicts that Hitler will walk into Czechoslovakia, the same way that he walked into Austria, as soon as Franco clinches his final victory in Spain. If and when he does, what will happen?

Will France fight? I hardly think so. But what will Russia do? She is more nearly ready to fight than either France or Great Britain. Rumania is afraid of both Russia and Germany and has pledged herself to support Czechoslovakia. This ticklish question is liable to start things popping any time now.

TOMMY STARCHER
PRESENTS PLAY AT
CONVOCATION

FROSH NOTICE

Lewis Howard, freshman class president, has called a meeting of the freshmen class for tomorrow at 12:45 in Farrington hall. Important business will be discussed and all members are urged to be present.

Frosh Group Visits Roosevelt

Walter Chuck Heads Group; Kaulukukui, Miho, Choo And Katagiri To Speak

The university YMCA will send a group of freshmen students to Roosevelt high school tomorrow afternoon where they will speak to the senior class. The purpose of this delegation is to give the high school senior a general idea of what college offers.

Walter Chuck is the general chairman of the delegation. Thomas Kaulukukui, president of the student body, will speak on behalf of the university. Katsuso Miho, president of the YMCA, will speak for the University YMCA. Beatrice Choo will speak as a freshman girl. The freshmen boy will be Mineo Katagiri.

The freshmen group is assisted by some members of the YWCA. Members of the delegation are: Tommy Chang, Cordelia Seu, Marilyn Anderson, Dan Aoki, Minerva Carroll, Gertrude Chong, Sui Ping Chun, Mary Hahn, Chiyono Kuwaye, Violet Hu and Gus Ikehara.

Eta Lambda Kappa To Hear Dr. Tyau Friday Evening

Dr. George K. F. Tyau, an alumnus, will speak to the Eta Lambda Kappa, campus pre-medical society, on Friday, May 20 at 7:30 P. M. in Gartley Hall 109.

The subject of his talk will be "Tuberculosis." Dr. Tyau has done considerable work in the tuberculosis field as a member of the staffs of the Honolulu Board of Health and Leahi Home.

All who are interested are invited to attend the meeting.

Rufus Not So Dumb

University, Ala.—(ACP)—Rufus has had few educational advantages, but he does business in and around halls of learning and likes to outsmart his customers.

Rufus is a Negro shoeshine boy who makes the rounds of University of Alabama dormitories. While polishing shoes he chatters constantly and finally inquires artlessly what his customers' home state is. Whatever the answer, he then asks, "How many states is dey in his country, anyway—'bout 26?"

Then, "Wonder how many I could call?—Alabama, Jawjuh, Loosiana—lemme see now" (time out for head scratching, jaw rubbing and other indications of painful concentration) "Mobile, New Hampshican, Detroit, Tennessee . . ."

After this build-up, when his victim-to-be is enjoying the experience tremendously, Rufus dangles his bait temptingly, "Say, mistuh, betcha I could call 'bout 10 in five minutes."

The offer generally results in a wager of from 25 to 50 cents on what the student regards as a "cinch" proposition. As soon as the stakes are in the hands of a disinterested holder, Rufus drops his mask of ignorance, rattles off the names of 25 or 30 states, pockets his winnings and whistles off to greener pastures.

NOTICE

There will be an important meeting of the Newman Club on Thursday, May 19, at 12:45 P. M., at the Hawaii School of Religion. Nominations for next year's officers will take place. Final plans for the year will be discussed.

One Act Play To Be Given At Convocation

Bob Stafford Takes Title Role In Chekov's 'The Boor'

Who is true and faithful in love—the man perhaps?

"Yes, the man," says Bob Stafford.

"No, the woman," replies Marjorie Carter.

This is only one of the many battle scenes between Marjorie Carter and Bob Stafford in "The Boor," a popular 19th century one-act comedy to be presented on the regular convocation program Thursday, May 19.

Stafford, portraying Grigori Stepanovich Smirnov, the villain, has appeared in several university

As an added feature of the convocation, Lloyd Stone, noted author, will read a number of his satires from one of his works.

productions. Recently he was cast as the juvenile lead in the all-university play, "Tovarich."

Marjorie Carter, leading lady in last semester's production of "A Thousand Years Ago" and recently elected University of Hawaii's prettiest girl, will play the part of Helena Ivanovna Popov, a widow wishing to settle money matters with pistols at forty paces.

Luka, the butler, will be played by Ralph Siu. Other members of the cast are Lorrin Ward, workman, and Charles Judy, gardener.

Directed by Tommy Starcher, member of the University of Hawaii Theater Guild, "The Boor" will be given a modern 1938 version. The entire production will be staged in spot lights. No scenery will be used.

Typical Collegian Wears Glasses, Survey Shows

Minneapolis, Minn.—(ACP)—Proof of the cartoonists' pictures showing students as always wearing glasses came last week from the records of the University of Minnesota's director of student health service, Dr. Ruth E. Boynton.

Dr. Boynton revealed that, at Minnesota at least, almost four times as many of those who passed highest on the college aptitude test were nearsighted as of those who passed lowest.

As one of the causes for this high-standing of the nearsighted, Dr. Boynton suggested that because the near-sighted student was unable to participate in games and other activities during childhood, he acquired earlier superior habits of reading and studying.

Initiation Time Is Reduced

Washington, Pa.—(ACP)—"Hell Day" that period of physical torment which every pledge must undergo before being initiated into a social fraternity at Washington and Jefferson College, has been reduced in length from 24 to 12 hours by action of the interfraternity council.

The move, hailed as a significant step toward the complete abolition of the annual ordeal as demanded by the national offices of eight of the nine groups on the campus, was motivated by repeated protests by students, parents, faculty and administration, and townspeople.

Repeated violations, said a council spokesman, of the 24 hour rule, cut recently from a seven-day period, aggravated the situation. The motion met with practically no opposition on the part of the council members.

KA LEO EXTRA

In order to give students first hand information on today's ASUH elections, Ka Leo will issue a four-column EXTRA tomorrow morning at 10:30 a. m. This special issue will give complete unofficial returns of the election. (Returns are only official after approval of the election committee's report by the student council, which will meet Thursday noon to consider this.)

Phi Beta Kappa Honors Six

Seniors Honored For High Scholastic Standing; Given Copies of Dr. Stearns' Book

Phi Beta Kappa honored six seniors for high scholastic standing at that organization's annual banquet held at the Pacific club last week.

The seniors were guests at the banquet and were awarded autographed, tapa-covered copies of Dr. Norah Stearns' book, "An Island Is Born." Recipients of the honors, presented by Emeritus Professor Arthur L. Andrews were Lawrence A. Boggs, Lily Utsumi, Ray Agarwald, Shiho Shinoda, Jeanne Ingalls and Ruth Loo.

Officers of the organization are Judge Walter Frear, honorary president; Mr. Frank Midkiff, president and Dr. Leonora N. Bilger, secretary-treasurer.

Douglas Sakamoto Elected To Head Future Farmers

Douglas Sakamoto was elected president of the FFA for 1938-1939 at a business meeting held in the Aggie building Thursday evening.

Lammie Ching is the newly-elected vice-president. Other new officers include Philip Won, secretary; Kanami Kataoka, treasurer; and Richard Au Young, reporter.

Sleep Not Forgotten By College Students

WICHITA, Kan., (ACP).—One course in the everyday curricula of college students that is not neglected is sleep—and the average collegian sleeps 56 hours every week.

At least those are the facts determined by the University of Wichita education class of Dean L. Hekhuis.

"The tabulation showed," the survey report said, "that the persons working the most hours studies the most. One student who works 50 hours in a local dry goods store spends 26 hours in studying. On the other hand a girl sleeping 60 hours, does no outside work and studies but 10 hours."

Another conclusion drawn from the compilation was that the student who sleeps the least spends the most time studying.

Unique College

TACOMA, Wash., (ACP).—One of the most unique colleges in the U. S.—an institution that has never had an endowment—will celebrate the 50th anniversary of its founding this year. The College of Puget Sound has never had outside support, and has passed through the last eight years with its income always exceeding its expenditures. It has 600 students, four buildings and a 40-acre campus.

KA PALAPALA

Theodore "Pump" Searle, ASUH graduate manager, has requested that all clubs who have contracted for pages in Ka Palapala call at his office to make payment as soon as possible.

Final ASUH Elections To Take Place Today

Conservationist Sails For Lanai

Will Continue Research In Soil Conservation Throughout Territory

Continuing his research work on soil conservation, Dr. Nathaniel E. Winters of the University Agricultural Department sailed to Lanai this morning.

After his two-day visit on Lanai, Dr. Winters is planning to spend several days on Kauai. During the past three weeks, he has been doing research work on Hawaii, Maui, and Molokai.

He finds his research work on the various islands interesting and valuable. He stated that the island of Molokai has the most serious soil erosion of all the islands which he has visited.

Asked about his research work on the various islands, he stated: "In order to cover the amount of a day's research work on the islands, I'll have to travel through the states of Kansas, Arkansas, and Colorado. In other words, because of its variability of climate and elevation you have here all the information in a concentrated form."

He stated that he was impressed by the hospitality and the open-mindedness of the people on the outside islands.

Dr. Winters is the head conservationist of the U. S. Agricultural Department. He joined the staff here sometime last month.

Ol' Jupe Pluvius Postpones Rainbow Relays

Just when all of the athletes entered in the 14th annual Rainbow Relays were ready to break as many records as possible, the weather failed them.

Although the athletes of the various clubs entered in the 14th annual Rainbow Relays were "rarin' to go," old man weather had contrary plans and let down showers which removed the possibility of holding the meet.

Officials called off the meet about an hour before it was to begin and postponed the relays until Saturday, May 28. This will be the Saturday after the AAU meet.

The meet will start at 1:30 p. m. at Alexander field.

All contestants who placed in the trials last Thursday will participate in the meet on the 28th.

The Deans will be represented by Al Lee, Nolle Smith, John Bustard, Ben Young, and Jack Becker in the 220 yard low hurdles. Lee made the surprisingly good time of 25.3 to make the fastest time of both heats. For this feat, he has been awarded a special university jersey.

In the 120 yard high hurdles, John Bustard, Francis Springer, and Ben Young will uphold the emerald and white.

By placing a collegian first in every heat of the 100 yard novice, the Deans have an excellent chance to cop all of the places of the event. Joe Kaulukukui, Ed Lum, Nolle Smith, Ed Medeiros, and Al Lee will represent the UH.

Francis Meyer and James Clarke will run in the 100 yard open.

Pentathlon entries will be Nolle Smith, Jack Becker, and Art Stranske.

Bill Gee will be in the broad jump; Art Stranske in the shot put and the discus throw. Captain Gus Ahuna will also be in the discus throw, and Tommy Kaulukukui and Francis Springer are scheduled to throw the javelin.

T C CLUB

Members of the Teachers college club are holding their banquet this Friday evening.

Student Council Sets Rules For Elections Today

Marty and Carey To Race For Presidency; Close Election Seen

Rules for today's ASUH elections were fixed Monday by the student Council upon request of the elections committee.

The regulations are:

1. After having cast their votes, candidates shall not remain within fifty feet of the election booth.

2. Only students designated by the election committee shall be allowed to handle the issuing of ballots, collection of ballots, and to remain within the tent housing the election booth.

3. There shall be no campaigning or electioneering within the vicinity of the election booth.

4. The election committee has authority to see that order is maintained.

Another record vote is expected in today's elections. Ka Leo has arranged to distribute an "Extra" edition tomorrow morning with election returns.

Candidates for the presidency are Martin Marty and James Carey. Vice-presidential nominees are Kenneth Powers and Norman Chung. Kaliko Burgess was elected secretary in last week's primaries.

Students are requested to drop their ballots in the boxes provided for their respective colleges by Edison Tan, chairman of the elections committee.

The student council will meet tomorrow afternoon to consider acceptance of the elections today.

Art Is Subject Of Norris' Lecture Today

Ben Norris, instructor of art at the University, will offer a public lecture this afternoon at 3:30 on "Exhibition of High School Arts" at the Honolulu Academy of Arts.

Art exhibits from the various high schools are on display at the Academy of Arts, which began yesterday. The exhibition will end Sunday.

Ben Norris and Huc M. Luquiens, both members of the art staff of the University, are two of the five judges who will select the outstanding exhibits.

FFA To Hold Dinner June 4

Climaxing their annual program, members of the FFA will hold their annual chop suey dinner June 4.

At the business meeting held Thursday, a committee was appointed to formulate the necessary plans. The committee includes Shiro Takei, Douglas Sakamoto, and George Fukuda.

A parade of talents featured the evening. Kanemi Kataoka was the program chairman.

Record Vote In Last Election Held To Be Encouraging Sign

The record vote registered in last week's election was a good sign!

The sudden manifestation of student interest is definite proof that University of Hawaii students can be interested in school activities.

For too many years, interest in ASUH work has been apathetic. For too many years, indifference toward the ASUH and its work has been evident. For too many years, the inertia of the "I don't care" attitude has been the vogue.

Now it is different.

One thousand students, interested in student affairs, and vitally conscious of their responsibility as students, have chosen their ASUH office nominees.

Their work is not yet done. Final selection comes today.

Will the students keep up their interest?

Freshman Class Project Praised As Worthy Undertaking

The freshman class has started a project which is well worth considering. Lewis Howard, frosh prexy, has made a plea for all freshmen to voluntarily contribute fifty cents toward a "browsing shelf."

Selection of the books for this shelf will be entirely up to the students and each freshman will be asked to submit the titles of two books he would like.

Popular, but worth-while books would make up this collection.

Needless to say, the project should be supported by all freshmen. Constructive undertakings like these should be backed to the fullest extent.

The shelf would be a valuable addition to the library, available to the entire student body.

Another project which some class, or possibly the ASUH, could take up would be the construction of a shed at the bus station. Since the banyan tree was cut down last fall, students have had to stand in the rain, sopping up Hawaii's liquid sunshine, while waiting for the bus.

Careful planning is needed in this project, however, as a hastily constructed shed might prove an architectural eyesore.

However, with the cooperation of the University administration and the Honolulu Rapid Transit Company, some sort of building could and should be constructed.

It is at least an idea for class officers to consider.

Post Session Courses Set For August 8 to 26

By KIYOSHI IDE

For the first time in its history, University of Hawaii will offer—from August 8 to 26—a post session.

This session, offered in response to the needs of teachers in Hawaii, will immediately follow the regular summer session. It is in the nature of an experiment for 1938, but should the response prove adequate it may become a regular part of future summer sessions. An enrollment of 150 or more is expected.

The university's increase of summer offerings is designed to (1) aid the group who will have difficulty in meeting degree requirements by 1942; (2) make it possible for rural teachers to secure more residence credits; (3) make it possible for vocational teachers, who have only three weeks vacation, to attend summer sessions; (4) eliminate the necessity for some students to carry more than six units during the regular summer session; (5) make it possible for graduate students to shorten somewhat the time required for advanced degrees; (6) aid Kona teachers who cannot attend the regular summer session; and (7) meet the needs of teachers requiring work in secondary education and administra-

tion for advanced degrees.

Registration for the post session will be on Saturday, August 6, between the hours of 8 A. M. and 12 M., in Hawaii Hall.

Each course will meet five times per week and give one credit. The maximum registration will be three courses. The regular tuition fee of \$5 per credit hour will be charged for each course.

Faculty for the post session includes: Benjamin O. Wist, Ph. D., professor of education and dean of teachers college; William T. Bryan, Ph. D., assistant professor of education; Thayne M. Livesay, Ph. D., professor of psychology and education, and director of summer sessions and admissions; Jesse A. Tanner, Ph. D., assistant professor of education; Bruce White, Ph. D., assistant professor of education.

Courses of instruction include: Units and lesson plans in the secondary school; the school and the community; Psychology of individual differences; Purpose and significance of elementary education; Psychology of adolescence; Hawaiian educational history in modern times; History of secondary school organization; The supervision of instruction; Issues in school administration; and the secondary school program.

Mighty Seniors Formulate Plans For Annual Class Celebration

With the annual banquet and dance climaxing their social events, members of the senior class will undergo a whirl of class activities until the end of the school term. According to President Edison Tan, chairmen of the various committees are putting forth every effort to make the final year an eventful one.

The senior class will open their social calendar with the Alumni Drive week, which will begin May 23 and end on 28. Otomatsu Aoki is the chairman for the drive.

On Wednesday, May 25, the senior class edition of the Ka Leo will make its appearance. Akira Fukunaga, former editor of Ka Leo, will edit the class edition. The second edition will be on May 27.

Baccalaureate service will be held June 19. Lucia White is the chairman.

The seniors will reign on the campus on June 20 as it will be their class day. According to

Herbert Choy, chairman, a surprise program will feature the day.

On that same day the seniors will rehearse the commencement exercises. Dean E. Webster is head of the affair.

The commencement exercises of the senior class will be held Tuesday, June 21. Dr. W. Norwood Brigrance is the general chairman. He is assisted by the convocation committee.

The senior banquet and dance will end the class activities, which will be held Wednesday, June 22. Douglas Yamamura is formulating the necessary plans.

Collegiate Sidelights

Philadelphia, Pa.—(ACP)—This is the case of a missing professor. By 9:15 a recent Friday morning, Dr. Frederick H. Lund's class in social psychology at Temple University was ready to begin its work. The latecomers had slipped in and there was a mixed air of resignation and eagerness that precedes roll call. There was, however, no professor.

By 9:20 the late-comers had slipped out and there was a mixed air of "shall we go?" or "shall we stay?" which precedes an exodus from classrooms.

But before the general emigration took place, an enterprising member of the class returned with the news that Dr. Lund was not lost—just misplaced. He had forgotten his own class, and was teaching a Psychology 1 group!

With any other professor you might pass it off as just absent-mindedness, but when a psychologist forgets his class you immediately look for a "motive."

Dr. Lund's own explanation negates any elaborate explanations.

"It was a case of absent-mindedness," he confessed. "I was so interested in arranging for an experiment in a general psychology group, that I forgot my own class in social psychology."

Men Wanted -- Women Too!

What about your summer plans? Have you got a job for the summer? Are you planning a three month's "intellectual moratorium" while you "work in the pines" or earn enough "dough" to return to college next September? Are you one of those who is expecting your "education" to stop temporarily about the middle of June? Are you contemplating three month's summer "work" so you can continue your "college education" (whatever you think that is)—? If you are, here is an idea—and an opportunity.

WHAT: Your chance to continue your "education" this summer and earn that necessary cash for the next college year. Investigate the Honolulu College Summer Service Group: A group of college men and women working in any of the ordinary forms of industrial, commercial and social welfare employment. Wanted: "ambitious and adventurous" students "who can take it" by combining their summer-work experience with a new type of collegiate study and research. Why depend upon some one else's experience for your text books and study assignments? College Summer Service Groups are being held in a dozen or more centers on the mainland. Tat Miyakawa of Harvard writes: "That summer of 1937 will never be forgotten. To me it is one of the best means of bringing present-day problems to the front, with all their puzzles. Texts are fine but of no value unless mixed with the hard realities of life." Ed Vinson of Georgia Tech says, "The College Summer Service Group has had and will always have a profound effect upon my life."

The Honolulu College Summer Service Group is being planned by the University YMCA as a chance to take part in a realistic appraisal of your own summer work experience and the industrial and economic conditions in Honolulu. An opportunity for personal and group fellowship with business managers and workers; staff members and personnel directors; employers and employees of the business firms, industrial plants and social agencies of Honolulu.

WHEN: The first meetings of the College Summer Service

Group will be held about the middle of June while some of the world famed leaders of the Progressive Education Conference will be here. Meetings, trips, forums and discussions will continue to be held throughout July and August also.

WHERE: Only students planning to work here in Honolulu are eligible and may apply for membership in the group, as the meetings will be held in some central location in the city.

WHY: Recognizing the value of combining a working experience with study the College Summer Service Group helps students deepen their understanding and appreciation of the present social order, its problems and trends of change. It gives the students actual work-contacts which permit a realistic study into the forces operating in our American civilization. With this work-experience as a background the student is in a better position to evaluate his college studies and his place in the community in which his college is functioning.

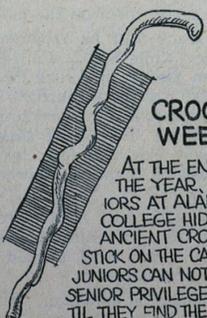

HOW: The general program of the mainland College Summer Service Groups will be followed with local adaptations. There will be meetings with men and women acquainted with the actual management and control of various economic and industrial enterprises in Honolulu. Forums will be held on the principles governing managerial, employment, and organizational policies and problems. Selected leaders will conduct seminars on the observations and experiences of the student-workers and staff members in the various areas of employment.

WHO: Men or women students of the University of Hawaii may apply for membership in the College Summer Service Group. Selection will be based upon evidence of a genuine interest in industrial, economic and social forces shaping our present civilization and a willingness to observe and share experiences as found during the summer's employment. Men or women students interested in this form of worker-student experiment and fellowship should turn in their names to Katsuo Miho or at the desk in Atherton House.

Here's News! Broken Bats Cause Calling Off Of Baseball Game

Ever hear of a baseball game being called off during the eighth inning because all the bats were broken? That's just what happened in the interclass softball game between the juniors and seniors. In the game between the juniors and freshmen a total of three bats were broken, then in the following game, the junior-senior tilt played last Friday at 4 p. m. on Cooke field, two more were broken, bringing the total to five.

When the game was called the juniors won their second consecutive game, by the score of 14-10. During the first five innings the game was a nip and tuck affair with the fourth year men holding the upper hand. However, in the last three frames, the juniors gradually assumed the lead.

Instrumental in bringing about the third yearmen's victory were the Lim brothers who made circuit hits. S. H. Lim and T. H. Lim are the brothers with T. H. Lim being credited with two four base clouts. Tim Ho and Mits Fukuda brought glory to the seniors by also making home runs.

Batting honors of the day go to class manager Sadao Tsumoto of the juniors, who collected two hits out of two attempts. His team-

mates, D. Sakamoto and Mike Kinoshita, made three hits out of five attempts.

Jewett Yee and K. T. Mau, seniors, did not allow Tsumoto to get the best of them, for they also made two hits out of two attempts. Mits Fukuda, their teammate, made two hits out of three tries.

Lineups were: Juniors—Kinji Kanazawa, pitcher; Ray Au Hoy, catcher; L. Brown, 1st; M. Kinoshita, 2nd; "Grumbler" Chee, 3rd; S. Moriguchi, shortstop; "Stumpy" Goo, left field; S. H. Lim, center field; D. Sakamoto, right field; substitutes, S. Tsumoto, T. H. Lim, I. McGregor, N. Yamamoto, Katanaka.

Seniors—Tim Ho and S. H. Wong, pitchers; H. Chun, catcher; K. T. Mau, 1st; Jewett Yee, 2nd; M. Fukuda, 3rd; T. Kimura, shortstop; M. Kono, left field; M. Kobatake, center field; S. Takei, right field; substitutes, Henry Ogawa.

Philadelphia, Pa.—(ACP)—The University of Pennsylvania here has created a department of American civilization to train students who wish to specialize in the development of social and cultural institutions.

The course deals with American literary, political, social and economic history, and is described as being in line "with the modern trend in education which breaks down when necessary the traditional limits of university departments of instruction in order to meet the real needs of students."

BACHMANS ENTERTAIN

Engineers Wallop YMCA

The surprise game of last Thursday was between the Engineers and the YMCA in which the mathematicians walloped the Christian lads in two decisive sets. The scores were 11-2, 15-10.

The Engineers put a winning combination out on the floor, and seemed invincible. Their teamwork was marvelous and had the favorite YMCA's baffled. The Christians made a gallant fight in the second set, but the transit carriers displayed too much power.

George Clarke, Tim Ho, Jewett Yee, Loo, Franklin Sunn, "Chocolate" Lau, and Buck Quon played for the victors. Their opponents were Wah Kau Kon, L. S. Loo, Toshimi Tatsuyama, Marn Chun Wong, Herbert Wong, Dan Lau, K. Y. Yee, Junichi Buto, and M. Uye-hara.

Aggies Beat TC's

By defeating the TC's in two straight sets the Aggies are heading for the pennant and consequently the chop sui dinner in the interclub indoor volleyball league. The scores of the sets of this game played last Thursday were 16-14, 11-3.

The teachers lacked the services of their slammer and sparkplug, Tom Pedro, and this may account for their drab showing in the final set. However, the Aggies have a well balanced and fine working team which wears out their opponents by steady playing.

Mits Fukuda, George Fukuda, D. Sakamoto, Richard Wong, Masami Iwamura, and Francis Oyakawa composed the team for the farmers.

U. Uiyonaga, T. H. Bim, Melvin Tsuchiya, F. Takahashi, A. N. Leong, and Bert Chan Wa played for the future instructors.

Commerce Wins Again

By defeating the Aggies 16-14, 13-15, 11-4, the Commerce club lads remained undefeated as yet in the interclub indoor volleyball league. The game was played Monday at 12:30 in the gym.

This game was one of the hardest tussles as yet seen in the interclub league. Both teams did a lot

of slamming and a lot of picking and made the game very exciting and interesting. Sadao Tsumoto and Ivanhoe McGregor carried on the brunt of the slamming for the victors.

The Commerce lads seem to be heading towards the chop sui dinner, and have a good chance to obtain without being defeated. It must be said that the Aggies put up a whale of a fight, but in the last set seemed to tire out.

H. Ogawa, Sadao Tsumoto, L. Brown, T. Kimura, Al Kai, M. Kono, and Ivanhoe McGregor played for the winning businessmen. M. Iwamura, Dick Wong, Mits Fukuda, George Fukuda, Francis Oyakawa, William Chun were the representatives for the future farmers.

TC Wins

The YMCA's dropped another game in the interclub indoor volleyball league, when a strong team of future teachers defeated them in three sets, 16-14, 14-16, and 11-7, in a game played Monday at 12:30 in the gym.

The game was a long drawn out affair with neither team doing much slamming. Both teams played straight volleyball, and the TC's proved themselves the better in this type of game.

In the first set the Christians made a game fight, and the same fighting spirit won them the second set. However, they were visibly tired in the last set. The teachers took advantage of this fact, and played smart volleyball by placing their shots and thereby won the game.

Richard Tatsuyama, Frank Lau, Junichi Buto, Duke Choy, Wah Kau Kong, and Dan Lau carried the YMCA's honor for the whole tussle. Bert Chan Wa, T. H. Lim, Melvin Tsuchiya, A. N. Leong, Fred Takahashi, and K. Okuma represented the teachers.

Hee Captains Wrestlers

At the banquet of the Wrestling club held last Friday night at the Honolulu Chop Sui house, Kam Chong Hee, junior, was elected captain for the next year's wrestling squad. He defeated Richard You in a close race.

Hee has been on the squad for three years and next year will be his fourth year as a grappler. Every indication points towards a successful season with Hee as the leader. Plans are being made for the squad to make a trip to Kauai next year.

With only two members leaving the squad, Leonard Ling and Captain Richard Noda, the wrestling team has an excellent chance to clean up in the ASUH and AAU meets.

Among these are Kaneshiro, 155 pound ASUH Open champ, who in his first year in wrestling has proven himself to be a most apt pupil, by copping this championship.

Ken Otagaki, 112 novice AAU champion, who defeated Nosse, the ASUH champion, will be back to repeat his good work next year. Jimmy Wong, who broke his ribs in the interclass meet, defeated Bert Nishimura for the 134 pound AAU novice championship. He will be back next year.

Another champion who will be back next year is Teruya, the 145 pound AAU novice championship grabber.

Other promising prospects for the 1938-39 season are Coman Izu, Richard You, 1934 Hawaiian 145 pound AAU open champion; Jiro Dewa, 1937 AAU 145 pound novice champion; Peter Kim, 1937 AAU 118 pound novice champion; Robert Honda, 1936 ASUH 118 pound novice champion and the 1938 126 pound ASUH runner-up; and Bert Nishimura, 1936 Citywide 135 pound champ and many times ASUH runner-up.

S. Mutsumoto, Clifford Willey, Warren Jung, S. O. Wong, Hara, Kurio, Fukushima, Sueoka, Richard Ogura, and Dan Aoki will be back to bolster up the wrestling team.

The team will miss the services of Captain Noda and Leonard Ling.

University of Pittsburgh students are now working on their second all-campus move.

Massachusetts State College was the first land grant college in New England. It was chartered in 1863.

West Virginia University has in its student body 70 sets of brothers, 23 sets of sisters and 63 brother and sister duos.

Intramural Athletics

INDIVIDUAL HIGH SCORERS

With only two more sports left on the intramural program, Shichiro Moriguchi, junior, is leading for the intramural high score reward. Moriguchi has 73 points obtained by participating in the various sports offered in the year's program of intramural athletics.

Ivanhoe McGregor and S. H. Lim, also juniors, are close behind their classmate Moriguchi, both are tied for second place with 66 points. Wah Jan Chong, sophomore, is fourth with 61 points, Masami Iwamura, senior, with 60 points, M. Kono, senior, with 59, and Pat O'Sullivan, frosh, with 58 points.

To the first three high scorers the ASUH will give awards. These awards are given annually, and last year were won by Raph Masumoto, Kats Miho, and Adolph Desha, first, second and third respectively.

Points are awarded to the various athletes on the basis of the number of sports in which they have participated and the number of games played in that particular sport. If an athlete is on a winning class team, a certain number of points is added to his score.

SOPHS BEAT FROSH

The frosh went down to their second defeat at the hands of their traditional opponents, the sophs, in a softball game played Monday at 4 p. m. on Cooke field. The final score was 9-8.

At the last half of the ninth inning the score stood 9-5 in favor of the sophs. With blood in their eyes, the frosh went to bat and hammered in three runs, one short of tying the game. The game was marked with enthusiasm and lots of pep of both teams.

Batting honors went to Tadao Beppu, soph's catcher, who made three hits out of four attempts. Ernest Won, his teammate, made two hits out of four tries. For the frosh Harold Kometani, catcher, walloped the ball three times out of five, while Pat O'Sullivan collected two out of three. However, only sophs are credited with making circuit hits. Frank Lau, right fielder, and Toshimi Tatsuyama, pitcher, made the homers.

DOUBLES WINNERS

Hail the victors and chop sui eaters! This Friday at 6:30 p. m. at the Yee Hop's Chop Sui house, Ivanhoe McGregor and Francis Oyakawa, winners of the 5 ft. 7 in. division doubles volleyball tournament, and Wendal Bayne and Pat O'Sullivan, winners of the unlimited division of the same

tournament, are scheduled to hold a chop sui dinner there.

By defeating Vernon Akee Choy and Eddie Lam, 15-10, 12-15, 15-12, Bayne and O'Sullivan proved themselves champs for the unlimited doubles crown. However, the Lam-Akee Choy combination as runnerups will also enjoy the dinner.

McGregor-Oyakawa defeated the Dan Lau-Minobu Uyehara team several weeks ago by the score of 15-8, 13-15, 15-10. The runner-ups of the 5 ft. 7 in. division will also eat.

SWIMMING

The interclass swimming meet will be continued on Thursday, May 19, at 9:30 a. m. in the tank.

The finals of the 25-yard freestyle novice, the 25-yard breaststroke novice, the 50-yard backstroke open, and the 25-yard backstroke novice will be run off.

AAU Trials This Thursday

With the trials scheduled for Thursday, May 19, at 4 p. m. on Alexander field and the meet scheduled for Saturday, May 21, at 1:30 p. m. (if it doesn't rain), the AAU meet will be sponsored this year by the University of Hawaii Alumni Association.

Up to date, University, Citywide, Waimanalo, and Palama have entered full teams in this meet. The Ewa and the Waimanalo plantations will enter teams in the two special events for the employees of the plantations. These special events are: 1 mile run for Filipino employees on plantations, and a 2 mile relay for plantations only.

Maui will have a team of two men in this track meet. A. Borges will run in the 440, the 880, and the mile run. His teammate, J. Figuera, will run in the 50 yard dash, the 100 yard dash, and the 220 yard dash.

Suitable standard Hawaiian Association AAU awards will be given the place winners and members on the winning relay teams.

The events for the day are: 5000 meter run, 50 yard dash, 1 mile run, 120 yard high hurdles, 440 yard run, 2 mile run, 100 yard run, 1 mile relay, 220 yard low hurdles, 1 mile run special for Filipinos, 220 yard run, 880 yard run, 2 mile relay for plantations, ½ mile relay, and a special event of a 10 mile bicycle relay with 10 men to a team.

Pit and field events are: running broad jump, running high jump, pole vault, putting 16 pound shot, throwing the discus, and throwing the javelin.

University entrants for the trials are:

50 yard dash—George Aki, Joe Kaulukukui, Nolle Smith, and Ed Lum.

1 mile run—Donaggho, Strohlin, Kong, DeSilva, Brown, and Yoshioka.

120 yard high hurdles—Bustard, Springer, Becker, Stranske, Young. 440 yard — McEldowney, Grieves, Zane, Kong, Medeiros, and Briner.

A Salute To Richard Noda

By Walter Chuck

When the seniors graduate, the wrestling team will miss a leader who has led them for three consecutive years; a leader who has himself made wrestling history. Captain Richard Noda has just completed his last year as a wrestler upholding the colors of green and white.

Noda is a wrestler who is well respected by his opponents, and has made a name for himself and for the university through his wrestling feats. Last Friday's wrestling banquet marked the end of his services as captain of the team.

He was the only varsity captain of any sport to hold his position for three consecutive years. During the four years he has wrestled he has made a trip to Japan and one to Pennsylvania.

In the latter part of 1934 he made a trip to Japan as a representative of Hawaii, and was one of the two boys to bring home the bacon. He copped the 123 pound

championship. Captain Kanemaru, captain of the squad making the trip, won the 145 pound championship and was the other lad who brought home the bacon.

In 1935 as a freshman Noda won the ASUH 123 pound championship and the Hawaiian, Oriental, and open championships of the AAU meet.

When 1936 came around, his first year as captain, he dislocated his shoulder, but gamely fought in the AAU 135 pound division against Odachi and was defeated in the championship.

In 1937 he again was runner-up for the same division in the same meet.

Came his last year, and this time he beat Odachi, who had copped the 145 pound ASUH championship but came down one division to wrestle Noda. He beat Odachi for the AAU 135 pound championship. He also won the 135 pound ASUH title.

So a salute to Richard Noda, one of the greatest wrestlers the university has seen, and a real leader.
