Language Documentation & Conservation

Language Documentation & Conservation (LD9C) is a fully refereed open-access journal sponsored by the National Foreign Language Resource Center and published exclusively in electronic form by the University of Hawai'i Press.

LD9C publishes papers on all topics related to language documentation and conservation, including, but not limited to, the goals of language documentation, data management, fieldwork methods, ethical issues, orthography design, reference grammar design, lexicography, methods of assessing ethnolinguistic vitality, archiving matters, language planning, areal survey reports, short field reports on endangered or underdocumented languages, reports on language maintenance, preservation, and revitalization efforts, plus software, hardware, and book reviews.
