### Eminent Sociologist Says

## Viewing Racial Situation Here U.S. Can Better Deal With Issues

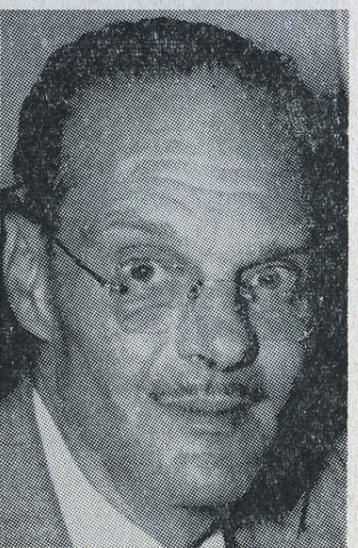

DR. LIND

By Philip Ige

The race issue, upon which the nation's attention is being focused, is becoming more acute, and the nation can look to Hawaii as a source of insight in dealing with the race problem, Dr. Andrew W. Lind, professor of sociology, said in an interview.

Dr. Lind, who is also dean of the University graduate school and author of Hawaii's Japanese, An Island Community, and numerous articles on race relations, recently re-

## Simon Speaks Rehabilitation Tomorrow Nite

Dr. Clarence T. Simon, visiting professor of speech, will speak on "Rehabilitation in a Democracy" tomorrow evening at 8:00 p.m. in Farrington hall.

The director of the Speech and Hearing Clinic at Northwestern University will present a graphic account of the development of the concept of rehabilitation of the handicapped.

From the primitive time when handicapped children were killed, Dr. Simon will point out the various modifications which led to the present day belief of the usefulness of the handicapped and the establishment of the many rehabilitation centers supported by public funds.

Dr. Simon is the second speaker of this semester's Wednesday evening lecture program which is open to the public. Dr. Frank MacDougall, visiting professor of chemistry, will speak on March 10, on "The Role of Science in a Liberal Education."

## WSR To Send \$1000 To Doshisha University Soon

John G. Young, former secretary in Honolulu, now a missionary worker at Doshisha University in Japan, has written to George Lum, chairman of the University of Hawaii World Student Relief committee, regarding the needs of students on his campus.

Because the coming year will bring tuition and other financial difficulties to most of the students, Mr. Young has asked the committee to send a scholarship fund, if possible. Members of the committee were approached individually and the unanimous decision reached was to send \$1000 to Doshisha University immediately.

Canned food and old clothing donated by students of the teachers college elementary school which are now in the ASUH council room will also be sent to Doshisha University.

The books to be given away in conjunction with this month's WSR campaign will be left in the courtyard in front of the cafeteria from 12 to 1 p.m. this Friday. WSR cans will be placed in convenient spots for donations from students who help themselves to these books. There will be no limit to the amount of books one may take or to the size of the contribution.

The WSR committee is now trying to contact President Chao Tai-mou of the National University of Shantung in Tsingtao, China, where UH friendship aid will next be channeled. According to Dr. Cheng Kun Cheng, visiting professor of sociology, who has taught at the University of Shantung, there is a great need for books at the Chinese institution. When the committee receives a list of the books most needed, it will contact mainland publishers for orders to be sent to President Chao Tai-mou.

Since the project was adopted last November, members of this campus have already sent \$750 worth of CARE packages to Trinity College, Cambridge, England. Dr. Frederick Mann, who was a visiting professor of chemistry last year, is acting as agent of distribution at his campus.

## President Sinclair Plans World Tour

Granted by the Board of Regents last Friday was a six months sabbatical leave to President Gregg M. Sinclair who plans to make a world tour during this time.

President Sinclair's plan calls for an early start in July with visits to Great Britain, France, Switzerland, Italy, Egypt, India, China, Japan and business trips to New York and Washington, D. C.

## Saunders To Give Informal Lecture On Communism

Dr. Allan Saunders, chairman of the department of government, will give an informal lecture on "What Is Communism" this afternoon at 2:00 p.m. in Social Science 105. He is the first speaker in a series of faculty lectures sponsored by the ASUH.

All students and faculty members are invited to attend. A discussion period will follow.

These lectures are being presented by the ASUH to acquaint the student body with topics of interest through faculty members who are authorities in their respective fields. On the agenda for the remainder of the semester are tentative plans for literary readings, music, drama, economics, and philosophy lectures.

Suggestions from the general student body will be accepted by Louis Steed, chairman of the series, in the ASUH office.

Outgoing officers are Frank Metzger, president; Edward Handley, vice president and J. Faley, secretary.

# Varsity Roars To First Victory

THEIR OBJECT: FIVE VICTORIES

"Spoils of Victory"—President Gregg M. Sinclair awards the trophy signifying the championship team of the UH Basketball League to Robert "Bobby" Kau, outstanding varsity forward. The Varsity Five captured the title for the second straight year. The presentation was made at the aloha game last Tuesday evening in the gym.

An Aloha Sendoff for the Varsity—Part of a group of campus coeds who saw the varsity team off at the airport last Wednesday evening are seen picture at top left. ## Defeats Seattle 47-34 Before 2,000; Pac. Luth. Is Next

In a spectacular mainland debut, University of Hawaii's short but fast casaba team outplayed and outsmarted the Seattle College five on Saturday evening in the Seattle Memorial gym, lighting the scoreboard with an impressive 47-34 victory.

Playing before 2,000 Seattle fans, Coach Art Gallon's well-balanced quintet stormed into a 9-2 lead in the opening minutes of the game. The tall Northwest cagers, however, closed the gap at the end of the half when the scoreboard read Hawaii 17, Seattle College 15.

Harry "Clown" Kahuanui and Bobby Wong, aided by the masterful playmaking strategy of Bobby Kau, set the UH offensive clicking in the early phase of the second half. Ed "Hotdog" Loui, George Malama, Dick Mamiya and Bill Young also contributed their share of field goals and free throws on the offensive march.

Kahuanui led Hawaii's scoring department with 11 points, followed by Wong, with 8 markers. Other UH scorers: Loui, 7; Mamiya, 6; Malama, 6; Young, 4; Haake, 4; and Kau, 1.

Although held to one point in scoring, Bobby Kau, diminutive forward, dribbled his way into the hearts of the Seattle fans with his

## Varsity Swim Team Too Powerful, Defeats HSC, Army Clubs In Meet

Lack of competition for Coach Soichi Sakamoto's crack swimming artists was again in evidence last Friday evening when UH won a triangular affair over Hawaii Swimming Club and Army. The varsity scored 48½ points, followed by HSC with 30½ and Army's 18.

The outstanding race of the evening was the half-century freestyle event in which Reggie Nash of the Army ousted UH's Herb Kobayashi. The winning time for Nash was 24.5 seconds while second-place winner Kobayashi was clocked at 24.8 seconds.

Kobayashi came back in the century freestyle when he turned the table on Nash, outspinting the

Army ace for a fast 53.9 seconds.

The only double winner of the meet was Thelma Kalama, promising mermaid of the HSC, who turned in victories in the 50-yard and century freestyle races.

Jose Malmores, standout UH backstroke, copped the 100-yard backstroke event. He was clocked at 1:05.

A thrilling race was seen in the 100-yard backstroke event when HSC's Evelyn Kawamoto nosed out UH's Mitzie Higuchi, establishing the fairly good time of 1:17.4.

UH's S. Nakama outswam teammate Arlon Richardson in the 100-yard breaststroke open event in 1:10.

Coach Sakamoto announced that the second Rainbow Meet will be held from March 25 to 27 to prepare Hawaii's swimmers for Olympic trials. Lack of local competition for Coach Sakamoto's aquatic stars could be remedied by this solution: Send them to the mainland to compete against top college teams!

## Tanonaka Enters Bracket, Fighters Win Impressively

University of Hawaii's debut in the local AAU Amateur Boxing tourney last week was highlighted by the entry into the bracket of featherweight Teruo "Blackie" Tanonaka. Tanonaka, former CYO bantam star, used his ringwise experience to hand Jack Tokumoto of Hui Koa a lesson in the finer points of boxing. This victory advanced the Rainbows' featherweight hope into Class III.

Ken "Kannonball" Kewate, campaigning as a lightweight, started the Rainbow boxing squad on the march when, on February 9, he TKO'd Steve Bello of Waipahu AC in the second round. Dropping his foe in the first heat with a right to the jaw, the chunky UH belter quickly found another opening early in the following stanza to deck the rural lightie with a steaming right to the head.

A week later, on February 16, Don "Hopalong" Hawley, fast stepping welterweight, registered the Rainbow's second straight victory when he was awarded a 1st round TKO over Bill Townsend of the Kalihini Pirates club due to a dislocated shoulder suffered by the latter.

On the same card Kiyoshi Oki, hard-working feather, dropped a close match to Hal Yonamine of Hui Makaala, while Frankie Salomon was the victim of an upset when he was TKO'd by rugged Tommy Manalo of Wahiawa AC.

Coach Don Gustuson's scrappers boosted their win column on Feb. 19 when they won three out of four bouts. Victors via the TKO route were bantams Nobu Matsuda, who stopped Ray Apana of Natatorium

### Wants Correspondent . . .

Editor, Ka Leo:  
While reading through the Sunday paper of Nov. 23, here in United States, I noticed an article written about Hawaii wanting to become our 49th state. There were pictures with the article that were taken in Honolulu. The one that interested me was the one of the University with the students sitting on the front steps.

Since it has always been my desire to correspond with a Hawaiian, I thought this, perhaps, was my opportunity. I would certainly appreciate it if someone or more than one person would write to me.

I would like to write to someone between the ages of 17 and 21, and someone who would enjoy writing to a girl anxious to get acquainted with the people in Hawaii.

If no one cares to correspond with me will you please write me a letter to that that effect so that I will know that my letter was received.

### Success In Life . . .

For most of us our lives are made up of a multitude of little things and of little duties. Yet it lies within the power of everyone to make his life a successful one. There's no great secret about doing this for the real fundamental thing is to do our best every day in whatever our occupation is, and to do it with friendliness and helpfulness to those with whom we come in contact.

. . . C. R. Hemenway

### Pre-Legal

There will be a special meeting of the Pre-Legal club in Hemenway hall tomorrow evening at 7 p.m. Plans for the semester will be discussed and refreshments will be served. There will also be entertainment. All members are asked to attend.

## Their Education Lies With Us

The third foreign student relief drive will be conducted this Thursday and Friday on the campus. Each person connected with this University is again asked to contribute either food or money, or both, which will be distributed to several foreign universities selected by the central committee.

Results of the first two drives held last semester are shown in the touching letters received from England and Japan. These letters reveal to us the great extent of our aid to those with whom we will work together in bringing about a peaceful world.

In a letter to Dr. Arthur Marder, founder of the project, Dr. Frederick Mann, of Trinity college in Cambridge, England, writes:

"It was delightful to hear from you this week and to have your news of the Hawaii. I had received a note from Miss Janet Chock (secretary of the committee) just a few days earlier saying that a total of '80' CARE parcels had been ordered for Trinity. I was quite staggered at this number! It is an extraordinarily generous act on the part of your students and far larger than I had anticipated . . ."

CARE packages, costing \$10 each were ordered through the non-profit organization. This procedure will be followed in further distributions to Europe. Each of the parcels provided by CARE contains an average of over 40,000 calories of balanced nutritious foods, including ham, bacon, corn, preserved butter, coffee and chocolate. This will give four students a supplemental calory meal a day for two weeks.

From Japan comes a letter addressed to George Lum, chairman of the WSR committee, written by John G. Young of Doshisha University in Kyoto:

"... May we say that we more than deeply appreciate the thoughtfulness on the part of your students in considering the students of Japan in your "over all plan" for the students of other countries.

"Dr. Yuasa (of Doshisha) and I have spent many hours considering your letter and have met with many of the professors of the different colleges in the University. We were all agreed that in the present food shortage almost everyone, both students and faculty, are needy.

"After our meetings with many of the professors we were asked to send on this suggestion to you. The coming year is going to be very difficult financially for many of our students, tuitions must be raised; jobs are almost unavailable for students, food prices will be on the up and up, rents and books and clothing will increase correspondingly.

"We were wondering if the Associated Students of the University of Hawaii would be willing to send money for worthy students for scholarships to enable them to continue their work at the University. Especially hard-hit are the students of fathers who are ministers, teachers, the professional classes . . . the usual middle class families. Remember at the present time one American dollar at the present exchange rate is 50 yen, and there is talk about the exchange rate changing to anywhere from 125-200 yen in the near future. So a few dollars could really be of great help to the students here.

"If you think it might be better to send food or clothing, this can always be used but the distribution of the same to such a great number of students is a problem worthy of a Solomon. So many are in need of these things. It is practically impossible to buy anything in this country due to the shortage of materials which means that very little manufacturing is being done. If food and clothing are available the charges for same are simply exorbitant.

"So all in all, as we think over the best possibility, we would like to suggest that, if your group thinks it wise, we should like to ask you to send some money and let us give a much needed lift to the students here through the inauguration of Hawaiian scholarships."

Arrangements have already been made to send the necessary money to Doshisha University for the establishment of several scholarships. Contacts will also be made with Shantung National University in Tsingtao, China, and if the total contributions collected are sufficient, distribution of food and money may be directed to the Philippines. Because of the many complications involved, only schools directly or indirectly connected with this University will be selected.

All of us can be proud of the work we are doing. In helping these students with whom we have much in common, we are paving the way for better world relations in the future.

Give—as much as you can. Give—with sincere hearts. Help them who will help us to be better citizens of the world.

### IRC

Plans for the International Relations club's activities for the semester will be outlined at a meeting this afternoon at 3 p.m. in the alumni room of Hemenway hall. An election for Councillors will also be held. All students are invited.

There will be a meeting of the Hui Wikiwiki tomorrow at 12:30 p.m. in SS208. Semester plans and the installation of new officers will be discussed. All members are asked to attend.

FOR VETS: Just a reminder that the recent subsistence increases don't go into effect until April. That means the "fatted" checks won't arrive until the first of May.

Also, the VA says July 25, 1947, has been established as the official end of World War II for the purpose of computing benefits under the GI bill and Public Law 16. Consequently, most vet-students must complete their education or training by July 24, 1956.

You haven't got so much time after all, bud.

MUSIC HATH CHARM: Something brand new in the way of progressive education has been added at UH. Professor Leonard E. Mason's anthro classes, when they convened last week in Farrington hall, were greeted with an unusual sound—lively recorded music.

The selection heard was "Civilization"—you know, "Bongo, Bongo, Bongo, I don't want to leave the Congo . . ." Quite apropos for anthro classes.

Professor Mason's novel idea opens an entirely fresh approach to higher education. Imagine, if you will, what great enjoyment Hawaii's speech students could have examining the finer points of the popular "Mumbles" ditty.

And wouldn't history students rather learn about the American Revolution by listening to "Ballad for Americans" than by pouring through a cut-and-dried-text? The possibilities are endless.

Kats Klaws doffs its hat to Professor Mason for his sparking originality.

NEW FLAG FOR JAPAN? A recent news item carried a suggestion of the Tokyo newspaper Jimmin which said Japan should have a new national flag to replace the present "rising sun" banner. According to Jimmin, many Japanese feel their old flag is a symbol of the "erroneous past and of militaristic Japan."

We heartily endorse Jimmin's stand. It is an excellent one. The red "meat ball" of Japan today is synonymous with treachery and infamy, and too many Americans quickly identify it with a particular Sunday back in December, 1941. Which does amicable relations with Japan no good at all.

The Japanese government should replace its present banner with a new flag, one symbolie of a different Japan which is given to be a strong worker for peace in this world.

tricky ball handling performances. With eight minutes remaining in the game, Bobby dribbled from one end of the court to the other, passing to Mamiya and Wong when in tight spots. He put the 2,000 fans in an uproar of cheers when three Seattle players crowded into him in an attempt to steal the ball. Masterfully tempting the three players to the ball, Bobby found an opening under the basket and passed to Mamiya who scored 10 points with a lay-up shot.

Don Klein, friend and supporter of UH sports, broadcast the tilt very effectively. Describing the tilt direct from the Seattle Memorial gym, Don's performance was excellent. It was also good to listen to personal messages from the boys and coach after the game.

With the Seattle victory Saturday night the record of the Varsity for the current season extended to twenty-two consecutive victories.

Having met Ellensburg Normal at Ellensburg, Wash., last night the Varsity arrived in Medford at 11:10 a.m. (Honolulu time) today. The team will proceed to Tacoma tonight to keep their engagement with Pacific Lutheran tomorrow night. The UH-Pacific Lutheran battle is also scheduled on the KPOA broadcast program.

On February 26 (Thursday) the Varsity will be pitted against the Southern Oregon Normal Five at Ashland, Oregon. The mainland invasion schedule will conclude on Saturday when the Rainbows' opponents for the evening will be the powerful University of Nevada Five at Reno, Nevada. Don Klein will also be at the mike to broadcast the Nevada game.
