The three ladies approved as publications heads by the student council are:

Ruth Murashige, Teachers college sophomore, to be business manager of Ka Leo.

Amy Higashihara, arts and sciences junior, to be editor-in-chief of Ka Palapala.

Miss Geracimos and Miss Murashige were sole applicants for their respective positions. Wadsworth Yee was the other contender for the Ka Palapala post.

The new Ka Leo editor was for the past year news editor of the campus weekly. She has also had experience on the Hilo Tribune Her-

### Two candidates petitioned; McKillop, Yee in prexy race

In a specially called ASUH council meeting early Monday morning in the ASUH office, it was decided by the council to delay ASUH elections for several more days and to throw open petitions for more candidates.

Calvin Ontai announced the new election schedule when the number of qualified candidates diminished as more and more resigned from running.

Jean McKillop and Wadsworth Yee, both juniors, were petitioned into the race for president and will be included in the primaries.

The council was in a quandry up until Monday morning when they decided to qualify prexy-candidate Paul Devone. Earlier it was believed that Devone would not be able to run due to grade point average.

With the additional nominees, the number is brought to 11 being for the three ASUH offices. Petitions for any ASUH office may still be handed in to Vivian Ching, secretary, until noon tomorrow.

### Plans May Day . . .

Sophie Ione Rathburn, chairman, is the push behind the campus plans for May 1.

General elections will take place on May 10 at the same place.

A rally will be held Tuesday in front of Hemenway hall to introduce the candidates to students.

Candidates being petitioned are cautioned on their eligibility.

### BOP decides on twice-weekly Ka Leo for 46-47

At a recent Board of Publications meeting, approval was given to recommend to President Gregg M. Sinclair to have journalism taught at the University of Hawaii this fall.

At present, there is no journalism course offered at this University, although at one time it was possible to minor in it.

Dr. Grove Day, faculty member of the BOP introduced an amendment to the ASUH constitution whereby there would be two Ka Leo editors a year.

Eddie Chong, erstwhile Ka Leo editor gave his opinion on the

## Before we build . . .

All this talk concerning postwar improvements, the building of new dormitories, classroom buildings, athletic structures, et cetera, is likely to build students up to an awful letdown if something isn't done soon to first improve conditions on the campus.

Here it is eight months after Japan's surrender and the end of World War II, and there still prevails on this campus evidence of a good many things we were willing to put up with only because of the emergency.

We list some changes or improvements which should be considered even before actually starting on postwar building plans.

First and foremost students' minds, apparently, is the improvement of cafeteria service. We appreciate the fact that the management is doing all it can to cater to its patrons' desires, but lack of funds seems to be the principal handicap.

No business can be expected to operate at a financial loss and this cafeteria is no exception. It would not be cricket for us merely to kick the gong around and say, "that's the cafeteria management's problem." We propose voluntary aid, particularly from the various fraternities and sororities on the campus which so nobly declare themselves to exist for the betterment of the ASUH. It is certainly time for these organizations to exhibit something constructive other than hold their frequent dances and other socials.

We wonder too whether steps should not be taken to keep Hemenway hall open to, say, 9 p.m. Such a step would serve to stimulate campus life during the evenings. There is little point in having dormitories on the campus if their inmates must, for lack of a common meeting place, remain in their respective dormitories.

We suggest too that the library and reserve room be kept open nightly to 9 o'clock. This would enable a great many residents of the proposed dormitories, not to exclude others, to make full use of facilities.

Ka Leo does not mean to make any unreasonable demands. These suggestions may merely have been overlooked, and we call them to the attention of the ASUH and University administration. We hope that some improvements will be made by the time the fall term starts.

## A last word . . .

A traditional "Swan Song" long and full of wisdom is probably expected from each Ka Leo editor, but this is mine, short and sweet(?).

First, bouquets to my staff, both business and editorial, for all the "blood, sweat and toil".

To certain critics, the contention may be that we could have put out a better paper, but we did a pretty good job and we'll do a still better one in the Ka Leos to come.

We'll be 2 issues a week next semester and perhaps Prexy Sinclair will throw in a couple of journalism courses for good measure (and maybe a printing press).

We'll be back on our pre-war feet in no time.

The ASUH council and others may have been at the receiving end of a lot of "hot" editorials, but they aimed primarily to get the ASUH "on-the-ball".

There should be a wider range of student participation.  
Success to my successor—where I failed, may she gain.

B.T.

"The world is a dark, dark, place at times; you want to throw your hands up and give up, but don't . . . there's always a sunny spot somewhere . . . maybe you gotta work for it . . . but it's there, in your work, or in your play, or in the one you love."

## GI POST . . . ... MORTEM

The history of the Triple V dates back to that black and fateful Sunday of December 7, 1941 when the University ROTC was called out and mobilized into the Hawaii Territorial Guard. After two months of faithful service, all members of Japanese ancestry were inactivated from the Guard by the War Department.

Returning to the campus in the second semester after the first wave of frustration and bitter disappointment had passed, and realizing that it was not the thing to sit and bemoan their grievous situation when they could be searching for other ways and means to serve and prove themselves useful in their country's time of need, a group of these boys met with a few civic leaders to decide on some manner by which they could serve in the war as well as to demonstrate their Americanism to dispel all doubts of their loyalty and sincerity. The following petition was drawn up, signed by 150 students and presented to the Military Governor, General Delos C. Emons:

"We, the undersigned, were members of the H.T.G. until its recent inactivation. We joined the Guard voluntarily with the hope that this was one way to serve our country in her time of need. Needless to say, we were deeply disappointed when we were told that our services were no longer needed. Hawaii is our home; the United States our country. We know but one loyalty and that is to the Stars and Stripes. We wish to do our part as loyal Americans in every way possible and we hereby offer ourselves for whatever service you may see fit to use us."

The general was very pleased with this gesture and accepted the boys as a labor corps to live and work together with the 34th Engineers in Schofield, and on the morning of February 25, 1942, this group of students who were named the "Varsity Victory Volunteers" assembled on the steps of Hawaii hall, and tendered with a simple aloha ceremony by civic leaders, professors and classmates of the University.

For 11 months the VVV Engineers built various military installations, roads, warehouses and dumps, quarried rock and strung barbed wire and in many ways actively contributed to the war effort.

On January 31, 1943, the VVV was inactivated by its members in order that they might enlist for service with the proposed combat team, and the greater majority of VVV's have served with distinction in all theatres with the 100th, 442nd military intelligence units, having 7 gold star members in its roster. Most of the boys have returned from the fronts and at least 54 of them have returned to school, having organized into the newly accepted "Triple V Club" on the campus.

## Song and cheer leaders will tryout on May 4

Kenny Nagata, chairman of the UH spirit and rally committee, urges all who wish to try out for '46-'47 song or cheer leaders to turn their names into him by noon, May 2.

Tryouts are scheduled for May 4, 11:30 p.m., in Farrington Hall.

change. He felt that Ka Leo should be like one's "baby" and should be nursed as such.

The motion was defeated.

Ka Leo will be published twice a week, it was approved at the last meeting of the Board held Wednesday. A suggestion of having Co-editors was brought up but not fully decided upon.

## Ids vander Ploeg, Dutch boy requests college age pen pal

(Ed. Note: The following letter was received by Mayor Petrie and forwarded to President Sinclair, who turned it over to Ka Leo for publication. Any student interested in corresponding with this Dutch linguist is urged to do so.)

Amsterdam, the 2nd of March  
The Lord Mayor of Honolulu  
at Honolulu  
Hawaii or Sandwich Islands—  
United States

Dear Sir,

Perhaps you looked a little bit strange when you were receiving a letter from a Dutch boy you never saw before or heard about.

I will explain the reason of this writing: I would like to have a pen pal at your city, but the great difficulty is to find somebody in a country or rather island at which I can move.

After this I would ask you to give enclosed letter to a girl of about 20-22 years old who likes to correspond with a boy in Holland in French, English, Dutch or German languages.

Thanking you in anticipation and with excuse for made mistakes I remain

Yours faithfully,

Ids van der Bloeg

The Unknown girl of Hawaii

Dear Friend:

"Here Holland calling—asked a girl pen pal."

Though it is no use in our country to begin a letter with "I" and though I do not like to talk about myself at all, it seemed me necessary to inform you:

ald as well as on high school publications.

Miss Geracimos was editor of the Sullins Reflector in Bristol, Virginia and prior to entering this University, was a staff member of Puna-hou school's student paper.

Also experienced in publications is Miss Murashige, formerly on the Hilo high student paper staff. For the past year she has served as advertising manager of Ka Leo.

Ka Palapala's new chief has been active in extracurricular activities here for the past three years. Besides working on the Ka Leo and Ka Palapala staffs, she is a student councillor and has held offices in the YWCA.

Before coming to the University, Miss Higashihara was editor-in-chief of McKinley high school's Daily Pinion. She was editor of this year's ASUH student directory. The choices, made by the board of publications, were unanimously approved by the student council last week.

Miss Geracimos will take office on May 1.

1st, I am 23 years old and I am a boy (stupid to write that)—Born the 7th of November, 1922 in Amsterdam.

2nd, MY NAME and address (write yours clearly please) you can find at the top of this paper.

3rd, EDUCATION: I forget to tell that Ids is pronounced in Dutch just like a Englishman "its" would say, it is an unknown name in Amsterdam and this part of our little country and imported out of Finland, a province of the Netherlands where our family tree was planted. I said 'education: here it is. When I was 5 years I went to school, primary or elementary instruction (we call this Lager onderwijs—lower, under-wise). You see the connection of our language with English, with German it is much stronger. After six years I did entrance examination for secondary instruction. We call that school literal translated in English, "Christian higher civil school." This had to dure 5 years but dured 6 years. After the final examination (1940, I was 17 years old) began for us the 2nd great war and the occupation by the inferior Germans. Now I am studying for accountant, a long study with many examinations and besides that is practical experience required. I think it will dure still some years for I am ready.

4th, Family. My father is administrator. The last year we had for firing-scarcity the office at home. My mother is a real mother.

Further one brother of 20 years by the new formed Dutch air force and a little sister of 14 at school.

5th, Sports: I like swimming, playing lawn tennis, sailing and skating.

If you like to hear more about myself, my experiences during the war, the situation of our country and so on, ask freely!

Please send me in your first letter some information about yourself, your family and other things like this—please if you write rather in Dutch, French, or German, do it.

With excuse for many mistakes which I made surely in the language—I will stop now. Greetings from your Dutch friend.

## Theater Guild . . .

After its recent success at putting on one-acts the Theatre Guild has decided to plunge into them again. The next production will be a series of three one-act plays and will run for three days beginning, if possible, on May 9. Repairs on Farrington hall may make this date impossible.

The project of combining with the Community Theatre to produce Karel Capek's "R.U.R." has been abandoned because of the difficulty in casting and the time it would take. The Theatre Guild plans to produce the play alone sometime next year.

"A Sunny Morning" concerns two old Spanish people who discover they were lovers once long ago. It is by Serafin and Joaquin Quintero. Christopher Morley's "Rehearsal" is about play production in a women's college. "It Isn't Done" by Carl Glick takes up the trials of the radical who decides to be the poet in his small town.

The total length will be about an hour and a half. Tickets will go on sale within a week and will cost 70 cents.

Following the policy that all particularly vocal and valuable members will be added to the council, Mel Letman and Lorna Bowen were added at a Friday morning meeting of the Theatre Guild. The meetings are open to all members.

# Triple V Club Anniversary Ball To Be Held Saturday

The art of Disney-doodling is featured by two attractive models on this page. Pluto, Donald Duck and Goofy have a merry time adorning the jacket shown above. The different Disney characters can be either embroidered or appliqued on your boxy jacket or kerchiefs, lapels, sleeves and socks. The Simplicity Pattern Company makes these Disney figures available in transfers, appliques and patterns.

The model on the right sports a pullover and pedal pushers which are so comfortable for informal Hawaii. The pedal pushers are made more attractive by having two of the Disney characters appliqued on them.

## Pre-Nursing club heeds call for blood donors

Of the many student organizations on the UH campus, the Pre-Nursing club, headed by prexy Hazel Seu, was the only one to respond and show interest in the recent campaign for blood donors.

The five members who were eligible have made appointments to donate blood soon. Most of the club members, however, could not meet the weight requirement of 115 lbs.

Among other campus celebrities who did their share are Evelyn Tara, YWCA prexy, and Victor Mori, president of Eta Lambda Kappa, an organization for pre-medical students.

The Blood Bank campaign was sponsored by the Medical-Technology club, under the chairmanship of Nobue Kuwada, applied science frosh. Assisting Miss Kuwada were Thelma Loo and Lorene Tam, both freshmen in the College of applied science.

## Torchers, all-veteran orchestra, will play in "springified" Hemenway hall

Colorful balloons, streamers, shrubbery and indirect lighting will help to create an appropriate spring atmosphere for the Triple V fourth anniversary ball this Saturday evening from 8 p.m. to midnight in Hemenway hall.

Music for the formal affair will be furnished by the Torchers, a dance orchestra composed of former members of the 442nd Regimental Combat Team, who took their professional name from the regimental shoulder insignia representing the flaming torch of Liberty.

Ted Tsukiyama, president of the Triple V club, will be at the gate to welcome all guests. A short intermission is being planned by Shigemitsu Nakashima, program chairman, and refreshments will be served.

Guests of the Triple V club are:

President and Mrs. Gregg M. Sinclair, Dean and Mrs. Bruce White, Dr. and Mrs. Andrew Lind, Dr. and Mrs. John A. Rademaker, Dr. and Mrs. Shunzo Sakamaki and Dr. and Mrs. K. Kometani.

All participants are requested to arrive on time so that the dance can really get underway with a bang.

General chairmen for the occasion are Edward Okazaki and Yoshiharu Mikami. Assisting them are: Henry Shikuma and Jackson Morisawa, decorations; Melvin Nagasako, tickets; Ted Tsukiyama and Minoru Ikehara, invitations; Yugo Okubo and Edwin Higashino, property; Ryoji Namba, orchestra; Yutaka Nakahata, publicity; Edward Nakamura, refreshments; David Miura, clean-up and Shigemitsu Nakashima, program.

# U of H places third in national inter-collegiate telegraphic meet

With an aggregate of 20.5 points, the University of Hawaii swimming team copped third honors in the National inter-collegiate telegraphic meets held between February 15 and March 15, according to a telegram received from national headquarters.

Chic Miyamoto, whose name is widely known in national swimming circles, starred for the team placing second in the 100 yd. back crawl with the time of 1 minute, 20.3 seconds; and the 75 yd. individual medley with the time of 56 seconds; and swimming on two other placing relay teams.

Mitsuko Higuchi's time of 1 minute, 27.1 seconds in the 100 yd. breast stroke event placed third as did her time of 56.4 seconds in the 75 yd. individual medley. The latter was a tie between Mitsuko and a swimmer from another college.

Chic Miyamoto, Georgia Vunck, Michie Maehara, and Mitsuko Higuchi swam the 100 yd. freestyle relay which placed second in the meet, with the time of 56.8 seconds.

The 75 yd. medley relay team composed of Chic Miyamoto (back),

Mitsuko Higuchi (breast), and Georgia Vunck (freestyle), copped third place with the time of 48.5 seconds.

The results of the UH swimming meet were sent to the western division headquarters, then to the national headquarters where they were compared with the results sent from colleges all over the mainland. Thus the meet was a great national event but without the incentive supplied by stiff immediate competition.

This "cataclysmic" rise of the swimming team is to be attributed to Coach Soichi Sakamoto who has untiringly put in much effort and time into grooming the lasses, and to the endless training on the part of the swimmers inspired by the coach.

## Rifle team improves; Ontai highest scorer

The rifle team showed great improvement last week, shooting a score of 1809.

Cadet Captain Calvin Ontai shot his best score when he turned in four targets that totaled 370. Vanderburg had been leading the team earlier last week with his high score of 368 when Ontai shot his match on Good Friday.

The team has acquired an improved shooter, "dark horse" Kwai Lum Young. Kwai emerged from the lower ranks into the higher bracket with his score of 346.

The top five of the week include C. Ontai, 370; R. Vanderburg, 368; N. Saito, 364; Y. M. Siu, 361; K. L. Young, 346.

The University tennis team which had been anticipating a three out of 5 victory, lost 4 out of 5 matches to the Filipino team on Easter Sunday.

The second doubles match highlighted the day's games in which Ted Tsukiyama and Lefty Kuniyoshi of the University won from D. Beacan and J. Bumanglag of the Filipinos. In the third doubles game, Tim Yee and Francis Mau of the U fell to M. Anchita and H. Guillermo 4-6, 3-6.

Lack of experience was the deciding factor in the defeat of the UH men, according to manager

## Chic Miyamoto wins two blue ribbon events; second half of meet to be held tonight

University of Hawaii mermaids walked off with 11 first places out of 14 events Saturday night in the first half of the two-night AAU Women's Indoor Championship Swimming meet held at Elizabeth Waterhouse Memorial pool, Punahou school.

Aggregating a total of 60 points, the Varsity gals took the lead in the meet which will be concluded tonight beginning at 6:30 at the same pool.

Chieko Miyamoto, former National AAU medley champ, was the star of the first half of the two-night meet copping two blue ribbon events. She won the 100 yd. backstroke open event with little trouble. Her time of 1 minute, 15.1 seconds was 8.1 seconds off the American record.

In the most thrilling race of the night, "Chic" defended her title in the 220 yd. freestyle open event, defeating her teammate, Mitsuko Higuchi by a stroke. It was a nip and tuck race all the way through between Chic and "Mitzie". At the century mark they matched stroke for stroke and at the 200 yd. mark, Mitzie spurted a yard ahead. Chic, with the determination of a great title defender, used all her remaining strength to outstroke Higuchi in a spectacular finish.

Miss Higuchi easily defended the Hawaiian 100 yd. breaststroke open event with hands down. Though she is strictly a swimmer she went out of her way that night to cop the one meter junior diving event.

Georgia Vunck, Coach Sakamoto's up and coming protegee established herself as a top-notch swimmer who will bear watching in the future. She took the 100 yd. freestyle junior championship with the time of 1 min. 10.2 seconds. In the 440 yd. freestyle event, she finished first, two lengths of the pool ahead of Roosevelt's Evelyn Hodges, but was disqualified as she had already won a junior championship that evening.

Esther Mukai, University's diminutive aquafemme led all the way to

Masaichi Tasaka. The years of experience of their opponents were too much for the yet green University lads.

## Orchids to Maude Nishikawa, WAA executive for a job well done

Whenever there is an athletic activity going on, you'll find our WAA prexy, Maude Nishikawa there. Very sports-minded, as befits a WAA executive, Maude's wish was to major in physical education, but as physics will be made a major only beginning next year when she will already have been graduated, Maude is concentrating on business and economics. However, during her spare time, she plays tennis and ping pong, swims, shoots on the rifle team, and goes out for other WAA activities, and of course, there's kim chee and Dick Haymes.

Maybe it's her love for sports that keeps her so trim, but she is the password for vitality and vigor. She attributes her running ability to the fact that she lives near a grave yard at the foot of Punchbowl.

Her third year on the WAA executive board, the first two as sport manager, Maude is to be commended on her fine organization of the WAA. Before the middle of the year, Mrs. Bennett, WAA adviser, left on a maternity leave, but Maude

and her council calmly made their plans for the entire year, and saw that things ran smoothly. Miss Lillian Gibson, who replaced Mrs. Bennett, marvelled at their ability.
