HB 59 HD 1 would amend Section 183-44, HRS, to provide for adoption of rules by the BLNR concerning permits for building, repair, restoration, strengthening, reinforcement, and maintenance of fishponds. Also to be adopted are rules prohibiting the degradation of any fishpond having historic or cultural significance.

Our statement on this bill does not constitute an institutional position of the University of Hawaii.

In general, our reviewers strongly favor the intent of this bill as amended. Our prior concerns all have been addressed in the present draft.
