It has been stated and proved that Hawaii has passed every test ever placed before any territory as a requirement for statehood. In view of that fact and because Hawaii has demonstrated so clearly its role as a western frontier for America we feel that Hawaii is justified in seeking immediate action of the Congress of the United States.

On Monday, January 12, 1948, the Associated Students of the University of Hawaii voted in a cross-sectional plebiscite held in all of the 10:30 a.m. classes that they wished to go on record favoring statehood for Hawaii on a ratio of 9 to 1. The Statehood Committee wishes to submit this as evidence that the students of the University of Hawaii are overwhelmingly in favor of statehood for Hawaii. Under separate cover is the full report of the plebiscite.

The committee has also included in this report findings on an investigation made of the campus with executive use to show that such bloc action does not exist.

Respectfully submitted,
Part of this
Chairman, ASUH Statehood Committee

The plebiscite report included in the letter showed that out of 1,207 votes cast, 1,192 voted "yea." No votes totalled 17, while 8 were blank.

Members of the delegation, accompanied by President Sinclair, included: Miss Takemoto, Barry Rubin, John Phillips, Revesco Holmes, Richard Kosaki, and Calvin Otaiz.

Arbitration of Labor Disputes Debated by Varsity

by Ruth Saaski

Four university varsity mem-

bers argued the question: Resolved that The Federal Government Should Not Be Required to Arbitrate Labor Disputes in All Basic American Industries, Wednesday evening at Homecoming ball. Hello Kono, junior, and Elizabeth Roosen, seniors, took the affirmative side of the question, while Donald Chang, sophomore, and Leonard Walker, junior, argued for the negative.

"There is a definite need for government intervention and that the strike record in America was "unacceptable," said Dr. Kono. He cited that to protect the consumer and the competent, compulsory government arbit-

ration is necessary. A further addition has been added to the camp program with plans to show one of the Russian films used in Dr. Marder's evening filmations.

The students going to camp will leave Atherton House at 3 p.m. Thursday.

UH Women's Rifle Team

Is Chosen

The first successful star to be selected as the standout athlete on the campus of the week is Joe Balmor, one of Coach Sachi Sallus' topnotch proteges. In the prepetitional meet staged in the UH pool last Friday and Saturday, Joe established himself as a potential threat in the U.S. Olympic trials by garnering three individual victories: The 150yard breaststroke open race; the 150yard breaststroke open race; and the 100yard individual medley event. For these splashing, sensational performances, and his contribution to the UH victory, "We Point With Pride" to Joe Balmor, a great swimmer.
