SB 86, SD 1
RELATING TO STATE ENVIRONMENTAL POLICY

Statement for
Senate Committee on
Economic Development
Public Hearing - 5 March 1985

By
Doak C. Cox, Director

SB 86, SD 1 proposes a minor amendment to the State Environmental Policy Act, HRS Chapter 344. This statement on the bill does not reflect an institutional position of the University of Hawaii.

The amendment proposed is the addition of aquacultural industries to agricultural industries in the list of those to be promoted and fostered under the provision of HRS 344-4(5)(B). The addition is appropriate.
The attached statement on SB 86 is equally applicable to the companion bill, HB 183.
