Activities

Construction design to the layman is a complex thing. To the artist, it is an expression consisting of lines and angles progressing from the simple to the complex.

In a similar manner, university life to the casual observer appears very complex but is actually simple. Its many people and activities make up the lines and angles. It, too, progresses from the simple to the complex.

We of the 1959 Ka Palapala staff have attempted to show the lines and angles of university life in order to construct its design.

President Snyder speaks at his formal inauguration.

President's Message

Life in a university builds up a host of memories. In your introspective moments in years to come you will often recall the heady inspiration provided by a fine teacher, the sudden revelation from the reading of a beautiful passage, the exciting stimulus of a new concept, the provocative challenge of a vista newly opened, the fresh incentive of an unsolved problem, the burgeoning urge to attain the ultimate limits of your potentialities. This book should serve to preserve and enhance those memories. May they always be happy and rewarding ones.

175th Air Society

The 175th Air Society is an honorary group including in its membership all advanced Air Force ROTC cadets. Organized along the lines of an officers' club, the Society undertook an extensive social and athletic program this year to promote fellowship among its members. The society had access to the various officers' clubs for several social functions.

The 175th proved a worthy foe in all intramural sports this season. Miss AFROTC was crowned at the Wing Dance held in November at the Hawaiian Village Longhouse. The year ended with the annual banquet in May.

Hui Pookela

As the only senior women's honorary society on campus, Hui Pookela, which means "The Chosen Ones," concentrated its efforts this past year towards gaining membership in Mortar Board, a national senior women's honorary for high scholarship and activities.

However, service to the University and community was not neglected and to this end members undertook a campus beautification project and engaged in volunteer work.

For the group's enjoyment and enlightenment coffee hours were held with several University professors at which time various topics were discussed.

Officers were Marylou Downs, president; Lillian Sakai, vice-president; Nancy Abe, secretary; and Carolyn Yap, treasurer. Advising the group were Dr. and Mrs. Paul van der Veur.

New members are sworn in.

Pi Omega Pi

A national society, Pi Omega Pi is composed of students in Business Education who have demonstrated high scholarship. The aims of the society are: to create, encourage, promote, and extend interest in scholarship; to promote the ideal of civic betterment through the practice of good citizenship; to encourage and promote high ethical standards in business and professional life; to teach the ideal of service as the basis of all worthy enterprise.

Members strive to take an intelligent and active part in community affairs and to acquire and develop desirable traits and attitudes through participation in chapter activities. Through experience they acquire a keen sense of right standards and an ideal of service as the basis of all worthy effort.

A pledge ceremony held in November inducted three members. During the spring, an initiation ceremony was held for members accepted during the second semester.

The year's calendar consisted of dinner meetings, speakers, and service projects.

Omicron Delta Kappa

The national honor society of Omicron Delta Kappa was founded in 1914 at Washington and Lee University in Virginia. There are about ninety "circles" established throughout the uppermost universities in the United States at the present time. The primary purpose of the organization is to honor student achievement in campus activities and scholarship, with emphasis being qualitative excellence in both.

Membership is confined to junior and senior men possessing an accumulative grade point minimum of 3.0 and a required number of major activities. This includes leadership performances in scholarship, student government, athletics, student publications or speech and dramatic arts.

Third Row: Albert Bernatowicz, Stanmore Townes, Clarence Glick, Ralph Kuykendall, Edgar C. Knowlton Jr., A. Grove Day, Ruth W. Iams, Susumu Kato, Clara Jensen.

The prime objectives of the Phi Beta Kappa society are the recognition and encouragement of scholarship, friendship, and cultural interests. The Alpha Chapter of the University of Hawaii was founded in 1952. The society traces its origin to the year 1776 with its founding at the College of William and Mary.

Dedicated to the support of liberal education, Phi Beta Kappa has continued to encourage and assist the superior student. In addition to the election of senior and junior members-in-course from the College of Arts and Sciences, the Chapter recognized scholarship among underclassmen. A special Book Award was presented to two sophomores on the basis of outstanding records at the end of four semesters of academic work.

Ke Anuenue

Ke Anuenue, or the Rainbow, is a sisterhood of college women. Each color in its rainbow symbolizes the ideals toward which they are striving. The colors represent and blend the true, the pure, and the beautiful.

The purposes of the sorority are to preserve Hawaiian culture and to engage in social activities and service projects. Through the first semester Ke Anuenue participated in club night during Freshmen Orientation Week, rushed and pledged new members, and participated in the Christmas festivities. During the second semester the sorority worked on its main service project at Tripler General Hospital and participated in the Ka Palapala and Pan Pacific festivals. A formal banquet climaxed the school year.

Beta Beta Gamma

Composed of girls interested in promoting Korean culture, the Beta Beta Gamma sorority strives to secure a closer relationship among women students, to develop a higher moral and mental standard through personal effort and to promote activities of the University.

The sorority began its year's program in October with a rush tea at the Korean Consulate. Initiation of pledges started with a week-long hazing period on campus and was climaxed by an overnight camp held during semester break. The new members were formally installed at a banquet in February.

The sorority's calendar of events included an annual Christmas party, caroling at the Shriner's and Children's Hospitals, socials with campus clubs, community service projects, ushering and participating in campus activities, and staging a Korean cultural tea.

Gamma Chi Sigma

Gamma Chi Sigma, founded in 1929 as a Greek letter sorority, has maintained as its purposes:

- To advance the appreciation and practice of scholarship.
- To encourage the spirit of true companionship.
- To encourage by personal effort a high mental and moral standard.
- To cooperate in all student activities at the University of Hawaii.

Cosmopolitan in nature, the Gamma Chi Sigma sorority participated in a number of activities, which included: ushering for Honolulu Community Theater productions, the Christmas Tree Festival, trick-or-treating for the needy, the Pan Pacific Festival, Homecoming, and the Ka Palapala Beauty Pageant. Through these activities, Gamma Chi Sigma has strived to create and maintain good relationships both on and off campus.

Reactivated in 1949 as a sorority, Wakaba Kai (Young Leaf) strives to promote friendship among the members, to encourage participation in extracurricular activities, to promote interest in Japanese culture and to serve as a service organization to the ASUH and the community.

To commemorate its tenth anniversary this year, the members sponsored an alumni tea. The annual rush functions and initiations, entertaining at the Kuakini Old Men's Home, another cultural show, a Japanese benefit movie, a Mother's Day tea, socials, and other events, such as Homecoming, Pan Pacific festival and WAA competition kept the young women busy. The year was climaxed by an aloha banquet for the graduating seniors.

Te Chih Sheh sorority, a social and cultural organization, was established in 1930 to promote friendship among University women and to encourage participation in ASUH activities and service to the community.

The annual Freshman Rush Tea, held at the Cannon Club, launched the first of the sorority's activities for the year. A dunking machine provided merriment for spectators during the Homecoming festivities. During the Christmas holidays "Tesh" went caroling to the Palolo Chinese Home with Tu Chiang Sheh. A traditional party with Tu Chiang Sheh followed.

The highlight of the year was the scholarship fund-raising project — the Narcissus Coronation Ball held in conjunction with the Chinese Chamber of Commerce in the Monarch Room of the Royal Hawaiian Hotel.

The sorority participated in WAA kickball, volleyball, and basketball competition.

Among the service projects for the year were the World University Service and Retarded Children's drives.

Phi Sigma Rho

The Phi Sigma Rho sorority, sponsored by Dr. and Mrs. Donald Matthews, began its schedule of activities with its annual rushing of new members. After a tea, a muumuu party, and a brunch-swim party, the rush events were climaxed by a pledge dinner. An impressive candlelight ceremony, followed by dinner and dance, honored the new members.

During the Christmas holidays the girls held a caroling party with Phi Delta Sigma. In February they gave a "Roaring Twenties" party and an annual Easter Egg Dye party was held in April, when eggs dyed were donated to an orphanage and a local hospital.

Volunteer work at Waimano Home and ushering for UHTG productions as well as Community Theater productions, made up their service projects. The girls also participated in the Homecoming, the Pan Pacific Festival and the Ka Palapala Pageant.

Yang Chung Hui

A cultural and social group, Yang Chung Hui, which translates into "toward the middle Path" strives to fulfill its purposes of rendering service to others, to encourage friendship among the women of the University, to promote Chinese culture, and to cooperate with the ASUH. The sorority, which is one of the first organized at the University of Hawaii, will mark the thirty-fifth year since its founding in 1924.

The year commenced with a Rush picnic, Rush tea, and Orientation night in September. The members also held an overnight camp at Kahaluu, ushered at HCT and UHTG productions, served at a luau, pinned tags at ASUH elections, participated in the Homecoming and Pan Pacific festivities, ushered and modeled at the Narcissus festival functions, took food baskets to the needy on Thanksgiving and Christmas, entered the WAA league, and had socials with KEO, Peng Hui, and Tu Chiang Sheh.

Kappa Iota

From its conception in 1958, Kappa Iota has emerged as a recognized, active fraternity in 1959. Representing a large number of service dependents, transients, and local men, K. I. has a broad range of ideas to incorporate into a social fraternity. Having members affiliated with national fraternities, Kappa Iota hopes to use their ideas to help develop the attitudes and satisfy the needs of students on the University campus.

Through continued association with students other than local, the fraternity avoids stagnation and gives individual members a sense of responsibility that will guide them maturely during and beyond college.

Alpha Sigma Nu

This has been a year of reorganization for the Alpha Sigma Nu fraternity. Swelling of the membership rolls and a revision of the constitution were undertaken. Alpha Sigma Nu fraternity takes pride in the close fraternal relations between its brothers of all races. The fraternity took part in various school projects, community projects including the distribution of Heart Fund posters over the entire island and social activities with other campus organizations. The fraternity distinguished itself in the realm of campus intramural and varsity sports. The fraternity was also well known for the musical talents of its members.

Kappa Epsilon Theta

Founded in 1937, Kappa Epsilon Theta fraternity has since promoted the development of each member's higher self through the fostering of the inquiring mind, leadership, tolerance, and comradeship.

Providing service both to the University and to other organizations on campus has been another goal of KET.

The year 1958-59 has been a successful one in the pursuit of these two goals.

Phi Kappa Pi

Phi Kappa Pi Fraternity, a brotherhood whose interests lie in promoting service to the University and to the community, good-will among the various clubs and organizations, and fostering closer and more congenial relationship between the students, participated enthusiastically in numerous events and projects throughout the school year.

Phi Kappa Pi plunged into a variety of service, social, athletic, and intramural activities. The fraternity participated in the Homecoming and Pan Pacific celebrations, inter-fraternity-sorority socials, pledging of new members, and a banquet climaxing the year. In intramural competitions, Phi Kappa Pi athletic teams were noted for their spirit and sportsmanship.

Tu Chiang Sheh

Celebrating its 31st anniversary as a campus organization, Tu Chiang Sheh fraternity held foremost in its activities, the principle of striving for strength: mentally, morally and spiritually as indicated by the organization's name, which means "strength through mutual fellowship."

The fraternity also directed its attention to developing in each member a richer, more mature outlook on life and society through participation in school and community events and projects.

Tu Chiang played an active role in the school's intramural sports program and Homecoming and Pan Pacific festival celebrations.

Other undertakings included decorating the American Chinese Clubhouse for the annual University Chinese Women's Association banquet, a Christmas card sale, kalua pig sale, and Christmas caroling at Palolo Chinese Men's home.

On the social ledger, the fraternity sponsored a New Year's eve party, semester-break camp with its sister sorority, Te Chih Sheh, and a banquet honoring the graduating seniors, as well as several parties and jam sessions with campus sororities. The annual Inter-chapter banquet, sponsored by the fraternity's alumni, culminated the year's activities.

Phi Delta Sigma, a social fraternity, was founded on the University of Hawaii campus in 1928. Membership is by invitation, thus insuring a select group of congenial gentlemen to uphold fraternity traditions.

Phi Deltas also aim to be of service to the University. With this thought in mind they have participated in campus activities such as soliciting for the World University Service, ushering at convocations, participating in Homecoming, supporting the Pan Pacific Festival, and taking charge of the backstage arrangements for the Ka Palapala Beauty Pageant.

The Phi Deltas were active in sports, both on the varsity and intramural level. It was in these fields of competitive play that sportsmanship and fair play were learned and practiced.

Aggie Club

The U of H Aggie Club has students in the College of Agriculture united through warm comradeship and "esprit de corps." They meet on the familiar grounds of interest in some phase of agricultural science and develop capable, aggressive agrarian leadership.

"What next?" is the by-word of the Aggie Club. The answer was socials, service projects and intellectual pursuits.

During the school year 1958-1959, it participated in the tri-club mixer. Then it welcomed the freshmen at the initiation picnic. Furthermore, its members co-sponsored a food booth at Homecoming. To fulfill a service project in January, the "Aggies" grafted hibiscus for campus beautification. Providing for intellectual opportunities it spearheaded the agricultural science displays on Pan Pacific Day. Ending an active school year, its members staged a luau.

Commerce Club

Organized in 1922, the Commerce Club promotes a close relationship among students and faculty members of the business and economics departments. Highlighting the year were many social activities and service projects. A picnic at Kailua Beach Park started the whirl of events for members. The bowling league with Teachers' College Club, the Homecoming booth, the Japanese movie ticket sale, and the semester break camp kept the club busy.

The club also published an Occupational Directory which helps to introduce the business and economics graduate to the businessmen in the Territory by providing personal data about each graduate. Proving successful in obtaining jobs for seniors, the directory was a year long project for the club. An annual banquet ended the active year.

Hui Kahu Mai

Since entering as freshmen in the fall of 1955, the Class of '59 of the UH School of Nursing, has participated in many Hui Kahu Mai campus activities. Some of the major highlights of their four years were their welcome tea, frosh initiation camp held at Camp Kokokahi, capping ceremony and junior-senior banquet at the Halekulani Hotel.

As seniors, service projects were done for the Territorial Convalescent Center and the Convalescent Home in Manoa showing that school is not all work. The girls made the most of their last year by enjoying a Christmas party, a banquet held for them by the junior class and a farewell party after their long awaited pinning ceremony.

Campus 4-H Club

A world-wide fellowship of men and women, whose motto is to "Make the Best Better"—is named the Campus 4-H Club, an organization designed to promote and assist the Agricultural Extension Service in all 4-H Activities.

The University of Hawaii Campus 4-H held a get-together at the beginning of the school term with the other clubs from the College of Agriculture to welcome incoming freshmen and to meet the faculty members. A picnic hike at Aiea Heights was held during the Thanksgiving holiday. The International Youth Exchange delegates joined the 4-H'ers in caroling at Kuckini Hospital, Old Man's Home, and Childrens' Hospital during the Christmas holidays. Climaxing the year was a banquet to install new officers and honor the graduating members.

With its purpose to foster the spiritual, intellectual and social interests of Catholic students at the University of Hawaii the Newman Club had a year of varied activities. Its emphasis on religious activities was shown in the sponsoring of a retreat, first Friday Masses at the clubhouse, communion Sundays, and campus rosary.

The club's education committee provided members with intellectual fare with the club's chaplain, Father Daniel J. Dever, providing seminars on dating, courtship and marriage, and apologetics. Members of the UH faculty were invited to speak to the group.

Informal initiation was followed by formal initiation during the second semester.

With an interest in the University, the Newman Club participated actively in the campus Homecoming, Pan Pacific Festival, model United Nations, intramural sports, and the Inter Club Council songfest.

ASUH Senate

The ASUH Senate, led by Paul Robinson, first semester, and Melvyn Sakaguchi, second semester, began the year by taking up the controversial subject of nuclear testing. In August, four ASUH delegates were sent to the National Students Association Congress held at the University of Illinois.

The successful ASUH medical insurance plan for students began its second year on campus. An Indonesian student enrolled at the University in September under the Asian Student Scholarship plan. Definite plans for the ASUH bulletin board were drawn up.

Annual ASUH-sponsored activities, such as the NSOW, Homecoming Festival, Ka Palapala Beauty Pageant, Model UN, and the Pan Pacific Festival, were efficiently planned

and carried out by students. Special committees were set up throughout the year to deal with matters such as the Board of Publications amendment and ASUH constitutional revision. Several ASUH In-Service training seminars on various campus topics held for the senators were also open to the student body.

In February, a special election was held to fill the vacancies created by the resignations of a senior and sophomore senator. The vacant position of Vice-President was also filled during this election.

The year was ended with the student body elections in April and the inauguration of the new Senate in May.

Drives Committee

The Drives Committee works with the Bureau of Student Activities to coordinate drives which affect the whole student body. Only those drives instigated for the benefit of community agencies come under the committee's jurisdiction. The committee must give approval to any drives conducted, and sponsoring organizations must abide by its decision.

This year, education was the main goal of the committee with money a secondary one. It was decided to have only five monetary drives—Community Chest, Retarded Children's, Heart Fund, Red Cross, and World University Service. The committee aimed to educate students during the year and culminated their efforts in May with solicitations for the United Fund Drive which included all drives except WUS. WUS was made a separate campaign to educate and solicit at the same time.

Queen Rosalie Tatsaguchi reigned over annual Homecoming festivities that included the food booths on campus, a motorcade to the Homecoming football game, the alumni luau, and a dance at Hemenway Hall.

A large crowd swamped the food booths and caused early sell-outs of the variety of meals offered by campus organizations.

Student Court

Left to right: Robert Endo, chief justice; Maurice Arrisgado, Yvonne Omura, Barbara Tamayose, Rudolph Rummel.

The Student Court has the responsibility of ruling on all ASUH matters as well as on problems arising from ASUH Senate Legislation. The Court is composed of seven student members from the four classes: a Chief Justice and six Associate Justices. Faculty Advisors were Dean Edmund Spellacy and Dr. Norman Meller.

Kilohana, the University's only campus political club, called upon the Court to interpret the ASUH Constitution regarding the vacancy in the office of ASUH President. President Paul Robinson graduated at the close of the first semester and was forced to resign. The question at stake was, "How will the vacancy be filled?". "Shall the Vice President act as the President as part of his duties as Vice President or will he become the President and vacate his post as Vice President?". The Court observed that the Constitution states specifically in Article XII that the Vice President would become President in the event of a vacancy and a special election would be held to fill the office of Vice President.

Students vote at auxiliary booths, used for the first time this year.

Election Committee

The Election Committee consists of regular members of the ASUH who are appointed by the ASUH President with the approval of the Senate. The committee conducts all ASUH and class elections and plebiscites. The members are responsible for the setting-up of ballots after the polls are closed.

This year two auxiliary polls were temporarily added, one near Crawford Hall and the other near Gilmore Hall, making a total of three polls.

BOG

The Board of Governors made noticeable improvements in the college union, Hemenway Hall, this year. The most startling change was the remodeling of the main lounge. Colorful pieces of furniture brightened the once conservative hall. Offices for the ASUH financial secretary, BOG secretary and the Bureau of Student Activities were relocated and installed in the Blue Room.

The freshmen were given campus calendars which explained the functions of the Board of Governors and listed BOG activities.

These events were dances, coffee hours, and movies. The Carnegie Music Library scheduled a listening hour of progressive jazz, which attracted a large crowd.

The program committee started an art collection to lend to the students and faculty.

A new committee handling special activities planned popular "zabuton" classes, ti-leaf slides, and tours around Oahu.

Comprising the Board of Governors are eight students, three faculty members, and one alumnus, with the Program Counselor serving as ex-officio member. This group is responsible for the policy, programming and maintenance of Hemenway Hall — your college union.

Board of Publications

The Board of Publications is an administrative committee of the ASUH Senate. The 10-member committee includes the editors of Ka Leo O Hawaii and Ka Palapala, publications advisor, ASUH president, ASUH executive secretary, a representative of the University Office of Publications and Information, and two juniors and two seniors. All student members, one of whom serves as chairman of the Board, are appointed by the ASUH senate.

A constitutional plebiscite this year extended the scope and authority of the BOP enabling it to fix budgets and policies for student publications and to appoint editors and approve staffs for these publications. The Board has worked out a set of operating procedures which will not only increase efficiency, but also provide the continuity previously lacking.

The resignation of Editor Paul Izawa and four major executives at the end of the first semester turned the tide for Ka Leo. The Board of Publication's year old proposed constitutional amendment was revised and presented to the student body who passed it overwhelmingly. The measure, effective September, 1959, will revamp operations of all ASUH publications.

With the possibility of discontinuing the weekly newspaper when five top positions were vacated, the ASUH Senate accepted an emergency proposal providing salaries for all Ka Leo editors.

Winifred Leong, last year's city editor and winner of the journalism award, finally filled the chief vacancy and resumed publication in March.

Despite all the difficulties the staff encountered, it managed to initiate a Ka Leo Forum which permitted students to express their views on any subject related to their college education. News coverage was broad, running the gamut from President Synder's inauguration to hula hoops.

With two strikes against them — the unfinished 1957 annual and the late 1958 edition — the Ka Palapala staff determined to produce a yearbook on time. "1959 or Bust!" was the motto of the tenacious staff members who kept the Ka Palapala office open late at night to meet the printers' ultimate deadline.

Under editor-photographer David Nakasone, the workers on Ka Palapala '59 constantly aimed toward perfection in copy, layout, photography and art work.

A driving esprit de corps developed within the staff nucleus and carried the workers to successful completion of the publication.

At the climaxing staff banquet the 310-page, seven section annual was shown to be a reality.

Board of Debate and Forensics

The Board of Debate and Forensics consists of a chairman, debate captain and commissioners appointed by the Senate. It promotes and finances forensic activities for the educational and general welfare of the University with Delta Sigma Rho, national honorary speech society under the advisorship of the Speech Department.

Encouraging the development of extemporaneous speaking, the Hemenway Extemporaneous Speaking Contest marked the Board's first big event of the year.

Freshman Extemporaneous Speaking Contests were held for students enrolled in introductory speech courses during both semesters. Trophies were awarded to winners.

A late second semester event, the All Hawaii Oratorical Contest offered a final inducement to students for polished composition and delivery.

The Hawaii Intercollegiate Debate League which included Chaminade College, The Honolulu Christian College, Church College of Hawaii and the University of Hawaii was formed this year. Debates were held throughout the year.

Freshman speech winners receive trophies from Mr. Riley Allen, Honolulu Star-Bulletin editor.

Friends congratulate a happy winner.

UH Theater Group

Under the guidance of Dr. Earle Ernst, Dr. Joel Trapido, Dr. Edward Langhans, Miss Lucie Bently, and Mr. Jack Vaughn, the Theater Group Council produced five experimental and entertaining plays this season. The council members control the business and technical aspects of the University Theater Group.

Antigone by Sophocles was the last play of the 1957-58 school year. It was directed by Dr. Edward Langhans. The first play of the new school year was a repeat performance of the summer play, **Kantan**, and was directed by Dr. Ernst. Dr. Trapido directed Arthur Miller's **A View From the Bridge**, followed by **Fishbeck Tapestry** directed by Mr. Vaughn. Moliere's **School for Wives** directed by Dr. Langhans was presented late in February.

The plot finally gets unwound as the stodgy Arnolphe learns that true love conquers all in Moliere's **School for Wives**.

Rosei kneels on his dream throne and listens to the prophecy of his greatness and the promise of his fame in the original version of Kantan.

Kantan

In the Kantan modern version, the dreaming Jiro is surrounded by masked "Beauties."

Beatrice Carbone and her husband, Eddie, argue over her niece Catherine's readiness to get a job.

A View From the Bridge

Marco, tired of Eddie's taunts at his blond brother Rudolpho, challenges Eddie to test his strength by raising a chair with one hand.

University Choir

The 1958-59 University of Hawaii Concert Choir, directed by Norman D. Rian, served as an outstanding goodwill ambassador from the Hawaii campus this year.

The 60-voice group made a six-week tour of Japan its introduction to the 1958-59 school year.

During this six-week period, the choir presented 37 concerts in 29 cities on Honshu and Kyushu. Tokyo, Hiroshima and Nagasaki were on its itinerary.

Several local appearances complemented the visit; "Pearl Harbor Day," the annual UH presentation of "Christmas Under the Stars," and the mayor's Christmas party for employees. In March, the choir visited Hawaii and Lanai. The group sang at the Punchbowl Sunrise Services. Other engagements included a "Concert by the Sea" at the Moana Hotel and an appearance on "Hawaii Calls."

The choir returns from the successful tour of Japan.

Army ROTC

Under the capable leadership of Cadet Colonel Ralph Kobayashi, the University of Hawaii Army ROTC Corps completed another successful year in military training to provide competent regular and reserve officers for the United States Army. A semester of basic drill for the underclassmen prepared them for the reviews and parades held during the second semester, which ended with the graduation parade and commissioning of the cadet officers.

Winners of the 1958 "City of Tacoma" award given to the college with the best overall scoring in military proficiency at Fort Lewis, Washington, the seniors helped prepare the juniors for their summer camp. The juniors, with a program of rifle firing and physical training, readied themselves for camp, the practical application of three years of ROTC classroom study.

The year saw the introduction of the short sleeve, open collared uniform for routine drills. Socially, the Sabre and Chain held a dance with the Frear Hall girls, invited Gamma Chi Sigma Sorority to its banquet, and planned "Operation Collegiate," the annual military ball.

Air Force ROTC

The Air Force ROTC program has, as its primary role, the instruction and training of qualified advanced students for eventual active duty as second lieutenants in the Air Force.

The Air Force ROTC detachment of the University of Hawaii under the command of Colonel Edward Greene, Jr., enjoyed a highly successful year. Among the significant events within the detachment this year were the observance of the tenth anniversary of the detachment and the enrollment of three women into the AFROTC program.

The training program set forth for the cadet wing included basic drilling, formal parades, drill and athletic competitions, and excursions and orientation flights at Hickam Air Force Base.

Of the twenty-seven senior cadets who attended the summer training unit at McClellan Air Force Base in Sacramento, California, this year, four were selected distinguished military students. Cadet Colonel Charles Marshman was selected by the Commandant of the summer training unit at McClellan as the outstanding cadet of the entire summer training camp.

Sixth President of the University of Hawaii

February 17, 1959. The sixth President is formally inaugurated.

Delegates, faculty and honored guests file to their seats as the choir and audience stand.

The hot sun did not faze the student turnout.

Dr. Snyder is congratulated before delivering his inaugural address.

Vying with statehood for the distinction of being the biggest event of the year was the inauguration of the University of Hawaii's sixth president, Dr. Laurence H. Snyder. The presidency was conferred upon Dr. Snyder in a formal ceremony at the Andrews Outdoor Theater on Tuesday, February 17, 1959. The occasion was heralded by a processional march composed especially for the inaugural festivities by Raymond Vaught.

The science symposium "Modern Genetics and Modern Man" conducted the evening before paid tribute to Dr. Snyder whose specialty is genetics. The Theater Group's contribution to the inaugural activities was Moliere's comedy, "The School for Wives." Opening night festivities on Friday honored the presidential party.

The Alumni Association, for its part, sponsored a public reception in the central court of Bachman Hall on Saturday, which was followed by a gala luau.

Culminating the inaugural festivities a week later was a concert by the Honolulu Symphony orchestra, soloists, and the University Concert Choir under the direction of Raymond Vaught.

The procession marches solemnly out after the ceremony.

Governing the University of Hawaii in all phases of operation is the nine-member Board of Regents. The Board has under its jurisdiction all matters concerning finances, instruction and research policies, campus expansion and improvement, faculty appointments, and student fees.

Members of the Board are appointed to four-year terms by the governor. Territorial law stipulates that each of the major islands in the Hawaiian chain must be represented on the Board, and that at least one regent be an alumnus.

Current chairman of the Board is Philip E. Spalding. Other regents are Reynolds G. Burkland, Hung Wai Ching, Leslie A. Hicks, Katsuyuki Izumi, Lloyd C. Kaapana, Fred K. Lam, Jack H. Mizuha, and Richard Penhallow.

College of Agriculture

The College of Agriculture is essentially a three-star program, consisting of the College of Agriculture proper, the Hawaii Agricultural Experiment Station, and the Agricultural Extension Service.

The four curricula offered in Home Economics are: general home economics, institutional management, home economics education, and foods and nutrition research.

Similarly the five curricula offered in Agriculture are: general agriculture, vocational agriculture, tropical crop production, agricultural economics, and technical agriculture. All curricula lead to a bachelor of science degree.

The Hawaii Agricultural Experiment Station works in close collaboration with the experimental stations of the Hawaiian Sugar Planters' Association and the Pineapple Research Institute for the development of Hawaii's dominant crops.

College of Arts and Sciences

Greater significance is to be afforded the College of Arts and Sciences with the attainment of statehood for Hawaii. Many will come from the Far East and the continental United States, attracted the truly cosmopolitan program. In the same spirit, the College of Arts and Sciences offers its students a varied curriculum of introductory courses in science, history, English composition, government, literature, speech, and physical education. Each student then chooses one of twenty-six major fields of study in which he wishes to concentrate his energies. An additional school, pre-architecture, formerly of the College of Applied Sciences, has been transferred to the College of Arts and Sciences.

Preprofessional training is provided by stipulated combinations of courses.

Upon completion of any of these programs, the scholar is awarded either a bachelor of arts, bachelor of fine arts, or bachelor of science degree.

College of Nursing

Virginia A. Jones
Dean

The School of Nursing achieved a historical milestone this year when it became the College of Nursing and its director Virginia A. Jones was subsequently honored as the first woman academic dean at the University of Hawaii.

The College of Nursing offers the only four-year basic professional nursing program in Hawaii and received full accreditation by the National League for Nursing in 1956. One of the new College's plans is the revision of the curriculum to include more academic and fewer professional courses. This is in accordance with recent trends among collegiate schools of nursing.

Student nurses practice for the real thing.

College of Engineering

William M. Wachter
Dean

Upon dissolution of the College of Applied Sciences, the College of Engineering came into being. A bachelor of science degree is presented to those who have survived the rigorous training in general, civil, and electrical engineering. The latter course was initiated just this year.

The number of students admitted to the College of Engineering is limited. The basis of selection of best qualified applicants is admission tests and high school records. A new engineering building presently under construction will be ready in the fall of 1959. It is located behind Bilger Hall, and will be called Keller Hall, in honor of Arthur R. Keller, a former dean of the College of Applied Sciences.

"Mustn't waste a drop."

College of Education

The preparation of Hawaii's public school teachers is the weighty task of the College of Education. After taking preliminary required courses during their first two years, underclassmen go on to specialize in their specific field concentrations. As juniors, they are sent out to public schools to observe and participate in "the real thing." The college has been enlarged to encompass recreation majors who were until this year, in the College of Applied Sciences.

Seniors receive further professional training. One semester is spent in practice teaching in the University Laboratory Schools on campus. Upon completion of the fourth year, students receive the bachelor of education degree. A fifth year of graduate work and internship entitles the graduate to a fifth year certificate.

College of Business Administration

The College of Business Administration not only trains its students to become able businessmen, but more importantly, helps them gain a keener insight into the dynamics, labor problems, and objectives of the American free enterprise system.

To give them world vision, a broad, general course including history, geography, English, psychology, economics, and speech, is required of underclassmen.

Professional work begins in the junior year in an area of specialization—merchandising, personnel and industrial relations, money and banking, office management, and general business, or accounting.

The four-year program leading to a degree in Business Administration enables students to enter confidently a complex business world of a rapidly growing island state.

College of General Studies

Edmund F. Spellacy
Dean

The College of General Studies is here to serve those who realize that life has much more to offer those who will not let age and the consuming job of making a living stop them from further developing their personalities and skills. It also supplements those who are not yet candidates for a degree in another college.

Three regular programs are offered: evening credit courses, non-credit courses, and correspondence courses.

Evening credit courses are available at strategically-placed centers such as Tripler Army Hospital, Schofield Barracks, Hickam Field, Kaneohe Marine Base, and Pearl Harbor. Credit awarded is fully equivalent to credit received for regular daytime courses.

Any person with a high school education may enroll in evening non-credit courses, which range from general culture to engineering. Undergraduate courses are offered via correspondence for those unable to attend the University.

Four-Class Council

The 4-Class Council, which began operating in 1955, is composed of the officers of the four classes. This body aims to coordinate class activities, to promote cooperation and competition among the classes, and to strive for betterment of the classes.

"Who's Who for '62," a victory dance honoring newly elected freshman class officers and senators, was the first of the year's activities sponsored by the Council. Following that in February was the free movie showing of the Academy Award winner "The Yearling."

A "Roaring '20's" picnic at Ala Moana climaxed the year. Publicizing these events and other Council activities was the 4-Class paper "Class Flash."

Freshmen

Although "youngsters" in college, the freshmen under the leadership of president Norman Ching can claim a creditable list of accomplishments for the year.

Among the social activities held by the class were a picnic mixer at the beginning of the school year, a spring bowling party, NSOW dance during semester break, and the frosh prom "Heaven of Hearts" at Kaiulani Hotel in April.

The class also participated in Homecoming and the Pan Pacific Festival and featured the original Faculty Hobby Show in February.

In the way of service, class members distributed Christmas candy tray favors to several hospitals and bought kites for children at Waimano Home.

Sophomores

The spirited Sophomore Class demonstrated its faculty for ideas by undertaking several unique projects. One of these was the "Half Pau Luau," the first of its kind, which was held at the close of the first semester.

Sophomores dined in Andrews Outdoor Theater and enjoyed the entertainment of Arthur Lyman, Danny Kaleikini, and their classmates.

For their "different" service project, class members constructed and painted Ka Leo newspaper stands which were placed in strategic spots on the campus. The class also worked hard for the Community Chest campaign.

A second prize was won by the class for its Homecoming booth decorations. A food booth was also sponsored during the Pan Pacific Festival.

Juniors

Displaying its customary vitality, the Junior Class opened the year's round of activities by sponsoring the Junior-Senior Prom held in November at the Ala Wai Clubhouse. The next month saw class members vigorously engaged in the WUS campaign packaging and selling cookies.

In January they relaxed at a movie shown especially for them but within two weeks were engaged in another service project—Heart Educational Week.

Juniors spent their class day on April 17 stimulating student body members to vote for their class officers by a "Get A Vote" contest. The next evening they danced at their Junior Prom held at the Kaiulani Hotel.

The class sponsored booths at both the Homecoming and Pan Pacific celebrations and fittingly ended the year's activities by participating in the United Fund Drive.

With mixed emotions, the Class of '59 looked forward to the "big day" which would bring to a climax four years of hard work and play. The eventful last year, which went by much too fast, will linger long in the memories of sentimental seniors.

The first of the class' activities was "Seniorama," a noon entertainment program which featured the piano playing of President Snyder. Class members celebrated New Year's Eve dancing in Hemenway Hall and then went on a catamaran ride in April.

To inform seniors of work and educational opportunities after graduation a series of seminars entitled "After College What?" was held in February. A survey was also conducted to find out whether seniors wanted to have their names called out during commencement exercises. This proposal was turned down by the majority who felt that too much time would be taken.

As a service project seniors feted the children of St. Anthony's Home at a January picnic. Homecoming and Pan Pacific booths were also undertaken by the class.

Not the least of all the memorable events was the commencement dinner and dance held at Princess Kaiulani Hotel followed two days later with graduation in the Andrews Outdoor Theater.

Senior Activity Awards

Ruth Y. Horiuchi

RALPH NOBUO OHARA has given outstanding service to his fellow students through the many different offices held during his four years at the University of Hawaii.

He was Freshman Class vice-president, Inter-Club Council representative and a member of the Four-Class Council and was re-elected as vice-president of the Sophomore Class. During the past two years he has served as class senator and has been a member of numerous ASUH and class committees.

Ralph, who has also been active in YMCA, Sigma Lambda Fraternity, and Sabre and Chain, received the Distinguished Military Student Award in 1958.

RUTH YASUE HORIUCHI has been an outstanding student both in activities and in scholarship. She has been on various ASUH standing committees, a senator during her senior year, member of the Senior Class Council, and active member of many clubs and organizations on campus. Among them are the Hawaii Student Nurses Association, Hui Kahu Mai and Hui Kilohana.

Ruth's scholastic achievements have been recognized by the following honorary societies: Phi Kappa Phi, Delta Sigma Rho (national speech fraternity), and Hui Pookela (senior women's honor society of the UH).

Real Deans

The Real Dean award is bestowed annually by the ASUH on those members of the graduating class who have made outstanding contributions to the betterment of the ASUH and the University. The recipients must have played an integral part in extracurricular activities—student government, class, and club affairs—throughout their four years in college, while still maintaining a creditable scholastic record. This year the student council has selected three deserving leaders to receive its highest reward.

Real Deans

Franklin S. Forbes

FRANKLIN S. FORBES—Dynamic and energetic Frank has been ASUH senator for four years. This demonstrated leader has also been a member of his respective class councils for four years, delegate to the NSA Congress, one of the rare student chairmen of the BAC, chairman of the 1959 Model U. N., president of the Young Republicans for two consecutive years, Ka Palapala sports editor, and vice-president of Alpha Phi Omega. Noted for his initiative and constructive thinking, Frank has proved invaluable in increasing the effectiveness of the ASUH.

Henry K. Iwasa, Jr.

HENRY K. IWASA, JR. — A senator and campus NSA coordinator for two years, Henry has been noted for his perseverance and resourcefulness. Extremely interested in making the University an active member of the NSA (National Students Association), Henry has been delegate to the U. S. NSA Congress for two consecutive years, NSA's regional vice-president for California-Nevada-Hawaii, and very active in NSA's foreign students affairs. Henry has also been literary editor of **The Asterisk**, member of his respective class councils for three years, chairman of the 2nd Annual Territorial Inter-Collegiate Conference, president of Hui O Kilohana, vice-president of Omicron Delta Kappa, and a recipient of class activity awards during his freshman and junior years.

Bernadine S. H. Tom

BERNADINE S. H. TOM — An exceptional leader, Bernadine has been president of her class for three years and ASUH vice-president during her junior year. This energetic, popular, charming young lady has been president of Te Chih Sheh, vice-president and president of the 4-Class Council, chairman of NSOW, member of SOSA, vice-president of Delta Sigma Rho, commissioner on BODF, chairman of 1958 (first semester) frosh extemporaneous contest, as well as being recipient of outstanding class activity awards for three consecutive years. Undoubtedly the busiest woman leader on campus, versatile Bernadine has constantly strived towards a better University community.

Campus Statehood Celebration

The passage of the statehood for Hawaii bill by both Houses of the United States Congress proved to be the stimulus which set off a massive response of near hysteria in UH students. While horns were tooting, bells clanging, and sirens whining the first 50-star flag in Hawaii was raised above the campus. The event further warranted a three-day holiday from studies for students.

However, the vacation was well deserved as students a week prior to the passage of the statehood bill had bombarded Washington with letters expressing their sentiments on the matter. Student publication *Ka Leo O Hawaii* spearheaded this movement, devoting its March 5, 1959 issue to the cause of statehood.

Since "a picture is worth a 1000 words" the photos on these pages have memorably recorded the excitement and festivities of the statehood celebration.

Miss UH 1959

This year, the staffs of Ka Palapala and Ka Leo selected six coeds to be featured in the school yearbook. The title of Miss UH 1959 is an honor which was given not only for beauty but scholastic achievement, activities, interest, and personality as well. The six finalists were chosen from a group of 36. The coeds were selected to represent all undergraduates at the University of Hawaii.

The above factors were used by the publications staffs in the selection of each finalist. Two of the finalists are enrolled in the College of Nursing, three are in the College of Arts and Sciences, and the sixth is in the College of Business Administration.

ATHLETICS

A first down play in three acts. Waitley skirts right end for substantial yardage against the Rams.

Mainland Games

Hawaii opened its mainland tour last fall in Louisville, Kentucky, against a University of Kentucky team which sports writers had favored by 50 points. The Wildcats made good the scribes' prediction as they rolled up 451 yards and scored twice each period to dump the Rainbows 51-0.

UH completed three of 11 passes but only gained one yard through the air and rushed for 124. Nolan George took a lateral from brother Talbot on a Kentucky kickoff and returned it for a TD, but it was nullified as a forward pass.

Arizona State College at Tempe, the top rushing team of the 1957 season with 21 lettermen returnees, trounced the Rainbows 47-6. The Sun Devils were led by Leon Burton, 1957's top rusher and scorer, who tallied three touchdowns.

Henry George made Hawaii's only score with a 95-yard kickoff return. Ray Westfall averaged 42.7 yards on six punts in this game.

Hawaii, 15-point underdogs, capitalized on the two-point conversion rule to upset the San Jose College Spartans 8-6 on the Spartans' home ground. The 'Bows tallied first on a Talbot George to Billy Mills pass on fourth with 13 to go for the TD. Then Nolan George swept right end for two points.

San Jose capitalized on a UH fumble in the fourth quarter to score, but an incomplete pass foiled their attempt to tie the game.

UH--San Diego Marines

UH suffered its third loss of the season at the hands of the San Diego Marines as they invaded town and shut out the 'Bows, 27-0. San Diego turned three intercepted passes into scores in the first half.

Coach Hank Vasconcellos started freshman quarterback Casper Schichtle in the second half, and Schichtle led the 'Bows deep into Marine territory three times, only to have each drive stalled by penalties or fumbles.

UH--Rams

The Roaring Rainbows scored twice in the second quarter and put up a strong defense to defeat the Hawaiian Rams 12-7 in their first encounter.

Casper Schichtle on a one-yard quarterback-keep-play and a Talbot George to Al Domingo pass accounted for the Hawaii scoring.

Except for their 71-yard scoring drive, the 1957 champion Rams penetrated UH territory only once in the entire game.

UH--Marines

"I saw it first. It's mine!"

The Hawaii Marines edged the Rainbows 28-23 in a come-from-behind contest. The Marines scored first to take a 6-0 lead but then dropped behind 23-6 as Hawaii tallied on a Schichle to Mills pass, runs by Alfredo Domingo and Aylett Wallwork, and Jules Cambra's runback of an intercepted pass.

The Marines stormed back in the second half to tally three times and wrap up their first win in the University-Armed Forces Conference.

"I knew I should have turned right!"

UH--Marines

Hawaii closed its season in the University-Armed Forces Invitational Conference with a 12-8 win over the Hawaii Marines in a game played at Hilo as part of the Hawaii County Fair.

The Rainbows scored in the first and final periods and held the Marines to a lone first quarter score in avenging their earlier loss to the Leathernecks.

UH--Humboldt

Humboldt State College stunned the Rainbows 12-6 in a game that caused Coach Vasconcellos to be hanged in effigy on campus. The Lumberjacks relied on the running of Marion Mayes and the passing of Fred Whitmire to net them the victory.

Hawaii had one bright moment, a 71-yard touchdown jaunt through left guard by Al Domingo. Though the 'Bows outgained the 'Jacks, they couldn't pull the game out of the fire. An 89-yard drive in the dying minutes of the game fizzled one yard from Humboldt's goal, and the 'Jacks ran out the clock to preserve the victory.

"The hole wasn't there!"

UH--Idaho

Hawaii played their best game of the season in their second intercollegiate contest at home in crushing Idaho State College 40-19. Henry George started the rampage by returning the opening kickoff 83 yards for a score. From then on the George brothers and Damon Waitley rolled to victory behind the crisp blocking and tackling that highlighted this contest.

The Bengals put up a determined effort but could not cope with the Rainbows' tremendous line play.

UH--Utah

The University of Utah's Redskins smashed through the Rainbows in the final game of the season, the Shriners annual Aloha Bowl Classic—which was also the UH's Homecoming Game. With the vaunted Lee Grossup sitting the bench due to injuries, Utah rode to victory on the strong arm of Ken Vierra and the speed and power of Larry Wilson.

Hawaii was simply outclassed but fought back to score twice on passes from Caspar Schichtle to Nolan George. Schichtle's passing also set the stage for Aylett Wallwork's dash for the other Rainbow TD. The final score was 47-20.

Lorenzo leaps high for a tip-in.

In their second pre-season game, the Rainbows, employing an effective pressing defense, swept through SubPac to win 88-55.

The game started slowly with the 'Bows getting only eight points in the first seven minutes of play. After the half, the Rainbows opened up the game, sparked by towering Tony Davis who grabbed 20 rebounds and dunked 13 baskets.

UH-Division Trains

A hot University of Hawaii quintet routed Schofield's Division Trains, 95-58, at Klum Gym. After intermission, the Rainbows rippled the net at the rate of three points a minute to tally 61 points. At the three-quarter mark, the 'Bows ripped the game wide open by scoring 22 straight points before the Trains could sink one basket. Other pre-season games won by the UH were against the Alumni All-Stars, 71-50, and the 35th Infantry Division Cacti, 81-66.

Crockett lays up from behind.

Individual Scoring

Captain Tony Davis pumped in 540 points for a 22.5-point average in UH's 24 cage games. The 6 ft. 9 in. center entered a new mark in the Otto Klum gymnasium record books when he rolled up 45 points in UH's inter-collegiate tussle with Los Angeles.

Frank De Lauro and Lorenzo Dunlap, along with Davis, provided the Rainbows with one of the greatest scoring punches in UH history. De Lauro scored 365 points, averaging 15.2, to follow Davis. Dunlap, who missed nine games, still wound up with 153 points and a 12.0 scoring average.

Oshima lets go a long two-handed set shot.

The undefeated UH five chalked up their third straight pre-season win by routing the Hickam Flyers, 96-69, at Klum Gym.

The collegiate ballhawks, utilizing fast breaks, kept up a torrid pace and scored with accurate layups and set shots to hit 48 points in each half.

Vernon Oshima and Norman Ching, playing alert defensive ball, held Hickam to 20 field goals and 29 foul shots.

UH - Seattle

The underdog University Rainbows were handed two defeats at Klum Gym by the highly ranked Seattle University Chieftains. The Chieftains, paced by the accurate shooting and skillful ball-handling of their star cager, Charlie Brown, won both games easily, 81-67 and 79-62. The 'Bows were paced by Tony Davis and Frank De Lauro in both games, but were unable to keep up with Seattle's Charlie Brown.

A battle of giants.

UH - USC

After suffering two losses at the hands of the University of Southern California quintet in Los Angeles, the spirited Rainbow cagers upset the highly rated Trojans, 60-56, in the first of a two-game series in Otto Klum Gym. This was the first intercollegiate victory for the Rainbows on their home court. In the second encounter, the Hawaiians were defeated 87-74 by an avenging Trojan five.

UH-LA State College

A spirited Rainbow squad triumphed twice over the visiting Los Angeles State Diablos, 81-79 and 116-107, to add two more victories to their season's win-loss record. The Diablos were the team that routed UH in December during the Hawaiians' West Coast tour.

In the second meeting, three Klum Gym records were broken. Hawaii's 116 points set a new record for total winning points and the Diablos' 107 entered the books as the most points scored by a losing team. Also, the 45 markers made by Davis broke individual scoring records.

A powerful and fast Nationalist China team battled the collegians in an exciting game which ended 85-80 in favor of the Rainbows. Sparked by speedster Wong Kwock Yeung, and by playing a fast-breaking game, the Chinese matched the 'Bows point for point and held the lead a few times. In the fourth quarter, the Rainbows, paced by De Lauro, surged ahead and held the lead until the final gun.

Junior Varsity Basketball

After dropping their first four games, Coach Fred Furukawa's UH junior varsity cagers finished like balls of fire, winning four of their remaining five games. The brilliant play of smooth-dribbling Alan DuPont, who averaged a sensational 19 points a game, was offset by the team's lack of height. Others who contributed greatly to the Rainbow cause were Bob Funes, Rudy Isabello, Ed Gayagas and Tony Andrade.

Baseball

Loaded with returning lettermen, Coach Toku Tanaka's baseball squad appears headed for a brilliant season. Infielders Les Matsubara and Dick Miyasato, catcher George Anzai, and pitchers Mel Hirano and Dick Matsuwaka form the nucleus of a well-balanced team. Promising newcomers are pitchers Casper Schichtle and Don Manalili, and outfielders Fausto Grado and Henry Okimoto.

Track

Making an early start in the '59 season, Coach Moses Ome's Rainbow spikesters began warm-ups at Cooke Field early in the second semester. The cindermen opened the season by winning handily over the Hickam Air Force squad.

Expected to lead the thinclads through a successful season were captain Bob Funes, Harold Cole, Sam Blackman and Bill Maxwell in the middle distance and distance events; Art Ogawa, Jim Sanders, and Ben Holokai in the sprints; Ted Ilo and Dave Langille in the hurdles; and Henry Pang, George Naukana, Robert Moore, Glenn Yamada, and Ed Gayagas in the field events.

Volleyball

Displaying a determined pioneer spirit, the University of Hawaii's first varsity volleyball team, coached by Jerry Bruhn, chalked up an impressive record, slamming through an unbeaten season to garner the Armed Services YMCA Class B League championship. Taking fifth place in the highly-regarded Senior Volleyball League, the team showed well in competition with the Islands' top spikers.

Coach Bruhn and his men also hosted the first University of Hawaii Invitational League tournament.

Cited for his inspirational and versatile playing, co-captain Royal Kashiwahara was given the Alumni Association's Most Valuable Player Award. Named Outstanding Player for his effective power hitting was Mervyn Lyons. Another who came through in tight spots was reserve man Ed Hong. Co-captain with Kashiwahara was Charles Marshman.

Swimming

Despite a small squad, Coach Soichi Sakamoto's Rainbow swimmers came home with a victory in the Waimea High-sponsored Kauai meet. They also participated in the Hawaii and Punahou Invitational Meets earlier in the year.

Coach Sakamoto is currently looking toward the Mainland for talent to bolster his local forces. Both the ten-member men's squad and the four-member women's team lack depth but have done well in the junior division events.

The men's team was led by co-captains Alvin Young and Vernon Knight. Ivanelle Ho repeated as the women's captain.

Golf

Coach Edward Chui's driving golf squad, as the University's first official varsity team, has taken great strides in establishing golf as a major athletic activity on campus. The team triumphed in matches with the International Country Club, Punahou, and Kailua High. Top man in the Country Club meet was Wendell Kop with 65. Another consistent low-scorer was sophomore George Yamamoto, who'll be one of many back on next year's team.

Optimistic for 1959-60, Coach Chui expects a continuation of the high quality playing displayed by this year's men, and anticipates equal potential from up-coming high school players. A goal that will probably be realized next season is the sending of a team to the National Collegiate Athletic Association tourney on the mainland.

The team also sponsored the Easter Recess Golf Tournament in which top swingers were Michael Kim in the handicap division and Leslie Murakami in the non-handicap.

Intramurals

Men's intramurals provided a daily battleground for settling friendly inter-club rivalries. Clubs turned out in large numbers to vie for 'mural supremacy in football, basketball, volleyball, and baseball. Track, tennis, horseshoes and golf crowns were also sought.

Richard Machida and Ron Medeiros, intramural directors for the first and second semester respectively, ably coordinated the men's athletic program with the help of faculty advisor Fred Furukawa. Referees to keep the heated games in order were contributed by HEPER club.

This year's program saw dark-horse YMCA-B dethrone heralded HEPER to cop the coveted intramural football championship. In the fast world of intramural basketball, Alpha Sigma Nu lacerated their opponents to streak away with the crown. Sigma Nu also captured the volleyball title.

Outstanding football and basketball men were heralded in the **Ka Leo's** "All-Star" teams. Placed on the 'mural stellar grid team were four HEPER-A men, George Anzai, Richard Machida, Wilfred Yamada, and Richard Maeda. Other choices were Tu Chiang's Erman Siu, Sanford Kam, and Wilbert Ching; YMCA-B's Herbert Suezaki and Harry Sakasegawa; Phi Kappa Pi's Owen Saiki and Tony Andrade; Canterbury's Kenneth Koike; Ed Hong for Alpha Phi Omega, and YMCA-A's Richard Ushijima.

Hoopster all-stars were Dick Apao, Sam Foster and Clarence Nihei for Alpha Sigma Nu, Herbert Suezaki for YMCA-A, Willie Ching, Tu Chiang; James Kometani, Sigma Lambda; and George Anzai, HEPER-A.

A fleet-footed Alpha Sigma Nu five had no trouble in stowing away the basketball crown as they trounced all of their opponents. Paced by Dick Apao, Sam Foster, and Clarence Nihei, Sigma Nu should be top contenders for the next season's championship. The HEPER quintet placed second.

Women's Athletic Association

The Women's Athletic Association, the feminine counterpart of the men's intramural program, hosted its nineteenth year of inter-club competition.

The volleyball title was swept by Newman Club, who handily disposed of all opponents by an average score of 25 to 6. The Catholic organization also scored a clean sweep in the mixed volleyball tourney with Newman "A" and Newman "B" finishing 1-2.

Defending champ Te Shih Cheh came through with an 11-7 victory over Wakaba Kai to retain its kickball crown. In touch football, HEPER and TCC shared championship laurels, playing to a 0-0 tie in the showdown.

In Tribute

The name of Bilger has become a byword in the chemistry department during the past thirty-three years. The person, Dr. Leonora Neuffer Bilger, has been an integral figure in the development of that department.

In her affiliation with the University, which began in 1925, the now retired professor emeritus served as professor and later senior professor of chemistry, department chairman, dean of women, and chairman of the University of Hawaii Research Committee.

During her thirty-three years of service, she advanced scholastic standards, developed an adequate program for chemistry majors, and expanded research and graduate activities. As a result of her effort, an excellent faculty was assembled, as well as a succession of eminent visiting professors.

In recognition of her service to the University, the chemistry building was named for and dedicated in January to the person who had much to do with its planning.

Dr. Bilger was educated at the University of Cincinnati and did further graduate and research work at Cambridge University. A member of Phi Beta Kappa, Phi Kappa Phi, Iota Sigma Pi, and Theta Phi Alpha, she was the recipient of the Francis P. Garvan award in 1953, which is given annually to an outstanding woman in chemistry.

Thus it is with great honor that the yearbook staff of the University of Hawaii pay tribute and dedicate the 1959 Ka Palapala to Dr. Leonora Neuffer Bilger.

Dr. Leonora N. Bilger

Acknowledgements

This annual is the joint efforts of many people; it is the culmination of thousands of physical work hours and as many hours spent in mental concern. I would like to thank the following persons whose aid to the 1959 Ka Palapala was indispensable:

Mr. Robert L. Scott, publications advisor; Mr. Kenneth Kingrey, art advisor; Mr. Williams and the production staff of Paradise of the Pacific; the S. K. Smith Co., covers; the Board of Publications; the Board of Governors; Mr. Stanley Rivera, photo advisor; Mr. Milton Goo, '58 Ka Pap editor.

The Ka Palapala staff, especially Anita Ching, Francis Ho, Fred Young, Laura Luke, Judy Oi, May Ueno; United Photo Studio; the administration and student body of the University for their cooperation.

The Misses Mieko Shigezawa and Barbara Zane whose facilities were frequently used on deadline nights.

The Editor
