Dear Mr. Orth:

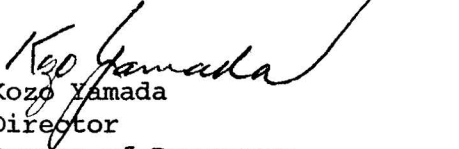

We regret the delay in resubmitting the enclosed lists of geographic place names for the States of Truk and Ponape of the Federated States of Micronesia.

The redone works were guided by the instructions as provided for in the Minutes of the February 3-5, 1981 meeting held at the Menlo Park, California. Also, enclosed is a self explanatory memorandum dated June 26, 1981, received from Mr. Mitaro Danis, Truk Senior Land Commissioner.

The accomplishment was made possible by the services of Messrs. Kozo Yamada and Mitaro Danis of Ponape and Truk, respectively.

With regard to the Northern Marianas place names, specifically the Isley Airfield, Hagoe, and Rota, the Chamorro Language Commission somehow unable to get together to act on the business, what spellings/or names to put on the maps? However, we have been assured the decision will be made soon; you will be informed accordingly.

Sincerely yours,

Kozo Yamada
