Katangese Peoples’ Congress v. Zaire
(African Commission on Human & Peoples’ Rights, 1995)

Do the Katangese People have the right to self-determination?

What would they have to establish to justify secession from Congo?

* “concrete evidence of violations of human rights to the point that the territorial integrity of Zaire should be called to question”

* “evidence that the people of Katanga are denied the right to participate in Government as guaranteed by Article 13(1) of the African Charter”
