In every case, the amount of such appraisal, or any part thereof, shall be considered as part or all, as the case may be, of any loan to such successor or successors.

(c) No part of the moneys loaned shall be devoted to any purpose other than those for which the loan is made.

(d) The borrower or the successor to his interest, shall comply with such other conditions, not in conflict with any provision of this Chapter, as the Commission may stipulate in the contract of loan.

§75114. Insurance by Borrowers: Acceleration of Loans; Lien and Enforcement Thereof.

The Commission may require the borrower to insure, in such amount as the Commission may prescribe, any livestock, machinery, equipment dwellings and permanent improvements purchased or constructed out of any moneys loaned by the Commission; or, in lieu thereof, the Commission may directly take out such insurance and add the cost thereof to the amount of principal payable under the loan. Whenever the Commission has reason to believe that the borrower has violated any condition enumerated in Paragraphs (b), (d), (e), or (f) of §75113 of this Chapter, the Commission shall give due notice and afford opportunity for a hearing to the borrower or the successor or successors to his interest, as the case demands. If upon such hearing the Commission finds that the borrower has violated the condition, the Commission may declare all principal and interest of the loan immediately due and payable notwithstanding any provisions in the contract of loan to the contrary. The Commission shall have a first lien upon the borrower's or lessee's interest in any lease, growing crops, either on his tract or in any collective contract or program, livestock,
machinery and equipment purchased with moneys
loaned by the Commission, and in any dwellings,
or other permanent improvements paid by the
Commission, and of all indebtedness of the
borrower, the payment of which has been
assured by the Commission, including loans from
governmental agencies where such loans have
been approved by the Commission. Such lien
shall have priority over any other obligation for
which the property subject to the lien may be
security. The Commission may, at such times as
it deems advisable, enforce any such lien by
declaring the borrower's interest in the property
subject to the lien to be forfeited, any lease
held by the borrower cancelled, and shall
thereupon order such lease-hold premises
vacated and the property subject to the lien
surrendered within a reasonable time. The right
to the use and occupancy of the Chamorro
homelands contained in such lease shall
thereupon revest in the Commission which may,
