Request for copyeditors

We are soliciting volunteer help to proofread articles that will be published in our journal. This will be an opportunity to participate in and learn about the field, to enrich your experience in editing academic work, and to be involved in this scholarly community. It is also a good way to build your CV. If you would like to volunteer, please contact *LLT* at llt@hawaii.edu.

Introducing "Her Şey Bir Merhaba ile Başlar" for intermediate Turkish learners

COERLL is excited to announce the publication of Dr. Jeannette Okur's *Her Şey Bir Merhaba ile Başlar*, a multimedia textbook with interactive supplementary materials for intermediate Turkish language learners.

These four units invite learners to engage with culturally rich print, audio and video texts and use the target language to investigate, explain and reflect on the relationship between contemporary Turks' socio-cultural practices, products and perspectives. Each unit addresses a different aspect of society: family, love and marriage, the environment, and art and politics.
