**Mission:** To promote collegial interactions among ethnically Chinese college faculty, and to provide opportunities for social and recreational activities.

**History:** The Association was established in February, 2004, by a group of six ethnically Chinese faculty at the University of Hawaii at Manoa. Prof. Patrick Pengchen Fu drafted a constitution, and is currently in the process of registering the Association with the State of Hawaii.

**Activities:** Members intend to begin with organizing a series of social activities focusing on physical exercise, and to bring members of Chinese performing arts troupes to campus every year, in celebration of China's National Day (October 1).

**Membership:** Regular members include Chinese faculty at any institution of higher learning, or non-Chinese faculty with ethnically Chinese spouses. Spouses of regular members are associate members. Only regular members may vote on Association matters; however, all Association activities are open to anyone interested. No membership dues are required. Membership is contingent on attendance at Association meetings, and are renewed on an annual basis.
