**BOOST OUR TEAM**

Can't the university basketball team beat the Normals? Last year we were beaten, but what are the prospects of this year? Saturday night the two teams will meet again. It is probable that the winning team will enter the championship series for the Island title. If the Normals win, the Deans into that final series, which our team must not neglect. We have the support of the student body so far, but it is up to us to keep it up. Let's make it up for them by winning Saturday night, and cheering our team in a big way. This is a big and important job to play a hard game without any support from the sidelines. Let's get out there Saturday night, and work hard to make sure that the university is wholeheartedly behind its teams. Fight, Hawaii, Fight!

**THE ADMIRABLE CRICHTON**

The Dramatic Club deserves the hearty support of every student. It is undertaking to present "The Adorable Crichton" on the college stage. Monday, the first performance, is in the contests of Wednesday and Saturday. The play is a tremendous enterprise, for a university of our size, and every student is encouraged and invited to participate in the project. A large amount of work is involved, and it will take $1,100, according to a conservative estimate, to produce the drama. Would every student contribute as much as $1,000 toward the production of the play? Barry's play has always been enthusiastic for every student. We urge all the students to give their support to the production committee in order to bring it to a successful conclusion.

**SMOKING**

It is common knowledge on the campus that the A. S. U. S. H. regulations concerning smoking are strictly enforced on the campus grounds are being openly flouted by a considerable number of students. Although some students may occasionally smoke in the classrooms, in the halls, even in the A. S. H. office, its occurrence is prohibited in the residence halls. The attention of the students is again called to the smoking regulations adopted by the A. S. U. S. H. The responsibility for enforcement rests with the Executive Council. Let us make it perfectly clear that any student who is found smoking in the residence halls, either in public view or in private, will be subject to the penalties of the regulations.

**TALENT SHOW**

The Student Union has decided that a talent show will be held on Thursday evening, at 7:30 p.m., in the Student Union auditorium. The show will be a display of the musical and dramatic talents of the students. It is the hope of the organizers that the show will be a success and a pleasant way of spending an evening. All students are invited to participate in the show.

THE BEST EDITORIAL EVER WRITTEN

(Editor's note: The following editorial is considered one of the very 
best ever written in all of Hawaii. It originally appeared in the 
New York Sun (Sept. 21, 1897), and is now compiled in "Casual Essays
of the Sun," copyright 1897, by Robert Grice Green. Read it carefully, 
and enjoy its rich thought.
