

## New wing in sight for Hale Laulima

**Addition will depend on applications  
for next fall — food costs are reduced**

Completion of the wing on Hale Laulima, new women's dormitory, may be an item of University expenditure soon if enough applications are received for the next school year in September, Miss Cenie Hornung, assistant dean of student personnel, said this week.

Addition of this new wing will make room for several more applicants. The new dorm now houses approximately 25 women.

Those wishing to apply for residence at Hale Laulima should interview Miss Hornung in the personnel office as soon as possible. These applications for residence beginning September, 1941, will be considered by a membership committee headed by Chiyo Takumi, Teachers college junior.

There are no set standards for membership, but most of the applicants are admitted after personal interviews. Scholarship and initiative are also considered.

Living costs at Hale Laulima will be considerably reduced, according to a report at a recent meeting of the dorm women. Figures up to February show that it cost each member \$17 per month for room and board. Each member has been paying a total of \$21, thus creating a surplus of \$4 per month from each resident.

An arbitrary figure of \$14 per month was set for food expenses at the beginning of the school year. Actual food costs amounted to a little less than \$10 per month.

As a result of this saving in food costs, members of the dorm voted to reduce the monthly assessment for food to \$10. This will make a \$17 total monthly expenditure for each member since the rent will remain at \$7.

Miss Lillian Gibson is house adviser at Hale Laulima. Gladys Yuen, Home Ec senior, has recently taken over managerial duties. She replaces Mew Ung Chock, who left recently to continue her studies on the mainland.

The new women's dorm was completed last fall to accommodate the increasing number of applicants.

### Registrar announces enrollment dates

Registration of regular students for the second semester will take place Thursday, February 13, from 8 to 4, it was announced by Registrar Helen B. McNeil.

All special students and auditors will register on Friday, February 14, 8-5, and Saturday, February 15, 8 a.m. to 2 p.m.

The procedure of registration will be as usual.

Students desiring report cards may obtain blank ones from the registrar's office and fill them out according to instructions, Miss McNeil said.

## 'Hitler wants domination in Asia too,' says newsman

"Hitler must prove his power over Europe before he can expect his influence to be productive over Asia," Royal Arch Gunnison, former foreign correspondent, said last night at Farrington hall in his lecture on "Is Hitler Over Asia?"

It has been Hitler's purpose to convince Russia and Japan that by uniting in their joint strength, under his direction, they can be dominant in East Asia, the newspaperman told the audience.

"But if this action begins under his direction, then it follows—and this is the point he skillfully conceals—future action would always be under his general control," Mr. Gunnison said. "Until very recently this policy has not been clear to Britain and the United States.

### Exams put crimp in Ka Leo party plans

Plans for the annual Ka Leo party have been temporarily abandoned because of the semester examinations, Elbert Yee and Yutaka Nakahata, co-chairmen said this week.

Date of the party tentatively set for February 21, may be changed, Yee said. February 28 was considered as a likely date for the party.

It was not decided whether a house party or a picnic should be held. Yee proposed that a meeting of the staff be held to decide this question.

## Amioka wins TC presidency

Shiro Amioka, freshman, will lead Teachers college club for the second semester, as a result of Monday's election.

Amioka, with 95 votes, led Junior James Mattoon, his only rival, by 19 votes. Mattoon received 76 votes.

Senior Russell Fettrow came first in the race for vice-president with 82 votes. Close behind Fettrow was Rosamund Durnall with 71. A. Apio Ung trailed with 16.

Lone candidate for the secretarial post was Mary W. Chung. She collected 170 votes, the highest received by any candidate in the election.

To be treasurer of the club for the second semester is Harold Au who got 94 votes. His opponent, George Stiles, gathered 72 votes.

Student directors will be Tomoyoshi Kurokawa who received 83 votes and Barbara Bown who took in 55. Other candidates for student director were Robert Butler, 52 votes; Leon Chun, 47 votes; T. Pat Sakai, 39 votes; Matsuo Takabuki, 29 votes; and Betty Janssen, 25 votes.

Faculty adviser will be Dr. E. C. Class. Ralph J. Wentworth-Rohr will be faculty director. Both were the only candidates for their respective positions. Votes of confidence for Dr. Class numbered 169. Mr. Rohr received 148 votes.

Only members who paid their dues were allowed to vote in Monday's election, TC officials said.

## Competitive dancing will top picnic

Dancing contests will feature the annual ASUH picnic to be held at Kailua beach Wednesday, February 12, General Chairman William Richardson said yesterday.

Included in the dance variety will be contest hulas for men, contest hulas for women, waltz contests and jitterbug contests for both sexes.

Expected to compete in some of the hulas and jitterbug contests are Chin Do Kim, Walter Chuck, Emma Tam, Sadao Watasaki, Maxwell "Pineapple" Johnson, Nolle Smith and Albert Yim.

Chairman Richardson said that he will approach more students within the next few days to compete in these contests. Prizes for these contests have not been made known, but Richardson said that they will be worth while competing for.

Other contests at the annual ASUH outing will be a bag race, a cracker-eating contest, an orange game and a string-eating game. Outdoor sports will include volleyball, baseball and football. It was not decided whether competitive games for women should be planned. Last year, it will be remembered that a group of women started their own football game after the men had finished their competitive games.

Tickets for the picnic are still on sale at the graduate manager's office in Hemenway hall. Twenty-five cents is the price of the ticket. Ten cents will be charged for transportation for those who have no other means of getting to Kailua. Trucks will leave Hemenway hall promptly at 1:30 p.m., Richardson emphasized.

Commenting on the 25-cent charge for food, Richardson said that students will really get a 40-cent meal since the ASUH is contributing 15 cents for every ticket.

## Sorority cabinet changes plans

Change in its mid-semester camp date to February 8 to 10 inclusive, was announced by the Wakaba Kai cabinet, Thursday.

The present plans will shorten the camp period by a day. Campers will return on Monday instead of Tuesday.

Approximately 30 people are expected at the camp. The Hakuba Kai, will be invited to an open house on Sunday, February 9.

The campers will meet at 1:30 p.m. on February 8 in front of Gartley hall where a bus will be waiting to take them to Kokokahi.

General chairmen for the camp are Jane Kawasaki and Toshiko Okazaki. Other committee heads are: Mieko Miyasaka, food; Mae Asahina, program; Gene Hirai, invitations; Pearl Kaneshige, transportation; and Alyce Katashima, publicity.

Among the guests invited to the camp are: Messrs. and Mesdames Shigeo Soga, Yasutaro Soga, M. Adachi, and S. Tsukiyama.

Campus faculty members invited are: Dean and Mrs. Ernest Webster, Dr. and Mrs. Shunzo Sakamaki; Misses Cenie Hornung and Ruth Okumura; Messrs. and Mesdames Giichi Fujimoto and Iwao Miyake; and Messrs. Minoru Shinoda and Shigeru Okubo.

Chaperones at the camp will be Messrs. and Mesdames Yukuo Uyebara and Kenichi Watanabe.

### Ka Leo may publish Banks manuscripts

All manuscripts entered in this year's Banks literary contest may be published in Ka Leo if arrangements can be made, authoritative sources said this week.

Prof. Gregg M. Sinclair, chairman of the contest, and Ka Leo will cooperate in the plan.

It was proposed that all manuscripts entered in the contest and whose authors acquiesce in the plan, be considered for publication.

### Will tour S. A.

Dr. Paul S. Bachman

## YM to tour other islands

Members of the YMCA deputation team will sail February 6 for Kauai and Hawaii to further acquaint people there with the University.

They will speak at different schools, churches, community centers, and civic clubs on various parts of the islands. Their program includes stunts, skits, and discussions which they have been working on for the past weeks.

Sam Mukaida, corresponding secretary of the University YMCA will head the Kauai delegation composed of Bernard Los Banos, Daniel Betsui, Grant Kimura, James Terauchi, Ryoji Namba, Richard Uemura, Hiroshi Kato, and Walter Goto.

Taichi Matsuno, rural YMCA secretary, will head the Hawaii team. Takashi Noda, Ronald Suga, Moses Sato, Harry Ito, and Oi Quon Dang will make this group. Elbert Yee, who recently returned from the Asilomar conference in California will be special speaker for the team.

The deputation team plans to speak to communities on rural and urban Oahu after this week's sojourn on the outside islands.

This is one of the annual projects of the University YMCA.

### Band to give concert at next convocation

Under the direction of band leader, Richard Ratekin, the University band will give a concert at the first convocation for the second semester on February 20 in Farrington hall, announced Dr. N. B. Beck, chairman of the convocation committee.

## Instructors and students aid in education survey

A survey of English as it is taught in the public schools of Hawaii is now being conducted by Miss Elizabeth M. Collins, executive director of the community survey of education. Dr. Willis B. Coale, head of the Teachers college English courses, is chairman of the sub-committee to report on English.

In addition to data on what is being done about English, recommendations on reorganization of the English program are being received from instructors.

This English survey was launched in conjunction with the community survey of education, which is directed by Miss Collins, and under the supervision of a committee of fifteen, consisting of members of the Territorial Senate Hold-over Committee on Education, Honolulu Chamber of Commerce and of the Department of Public Instruction. Joseph R. Farrington is chairman of the Survey committee. President David L. Crawford and Dean Benjamin O. Wist are also on the committee.

Data obtained for the survey consists of letters written by students in grades 3 to 12 inclusive,

## Bachman to tour continent

**Will study politics,  
fifth columnists  
in South America**

Dr. Paul S. Bachman, professor of political science and director of the graduate division and summer session will leave on February 7 on a trip which will include the entire South American continent.

While on the trip Dr. Bachman will make a study of the political conditions in South America. He intends to get first hand information on the various types of governments and any fifth column activity that may be going on.

"The South American countries seem to be very suspicious of any visitors," said Dr. Bachman. Besides 17 identification pictures, fingerprints and health certificates, Dr. Bachman had to get a certificate from Police Chief Gabrielson saying that he had a good character and had no police record.

When asked whether he was going to make a study of Argentine night life, he replied that he definitely was not. "But it looked pretty attractive in 'Down Argentine Way,'" he added.

Dr. Bachman said that this South American tour is the third plan that he had for a sabbatical leave. Originally he planned to go to Europe and return by way of the trans-Siberian railway and the Orient. The war broke out and that was the end of that plan.

His second idea was a trip to the Orient but that was ended by the State Department. Dr. Bachman said that this study of political conditions in South America was something he intended to do for a long time but not so soon.

Dr. Bachman, who will be accompanied by his wife and son, will go to New York first. He will take the Grace line from there and go through the canal to Valparaiso, Chile. After a tour through the Chilean lake area he will return by way of Argentina and Brazil. He will be back in Hawaii on June 25 in time for the summer session.

### Next issue of Ka Leo will be out February 15

This is the final issue of Ka Leo for the first semester this year.

No paper will be issued during exams or recess.

The next issue will be out on Saturday, February 15.

## They make the most of it . . .

The new University women's dorm, Hale Laulima, has been rightly referred to as a Co-op House, as witness a news item in today's issue of *Ka Leo*.

The article states that surpluses from the house members' monthly dues have increased so rapidly that the executive committee has decided that no dues will be charged for the month of February. Not only that—the committee also recommended that the monthly dues be reduced from \$14 to \$10, which would mean a saving of more than 28 per cent for each member.

Two principal factors have made these results possible. One is the efficient management of Mew Ung Chock, who recently left for the mainland to continue her studies. It was largely Miss Chock's food planning that brought about the savings. Another factor is the cooperative spirit of the house members. Miss Chock's planning would probably have gone for naught if all rules and regulations were not strictly adhered to.

When the old University women's dorm could no longer accommodate any more applicants, Miss Cenie Hornung, assistant dean of student personnel, believed that another dormitory should be constructed, the members of which should work on a cooperative basis in its maintenance.

Results obtained by Hale Laulima support Miss Hornung's belief and confidence in a cooperative dormitory run by the members themselves. Miss Hornung's experiment, from all indications, will give rise to the construction and maintenance of more dormitories of this type in the future.

The first step to be taken towards that direction will be the completion of the wing on Hale Laulima. Completion of this wing will depend on the number of applications received for residence during the next school year. These applications should be made as soon as possible to avoid confusion. Prompt action will also aid University officials in deciding whether or not the new wing should be built.

## Come join the crowd . . .

The ASUH picnic on February 12 will be one of the few occasions on which the entire student body will have a chance to get together.

As a yearly event the ASUH picnic serves not only as a means of relaxation from routine work, but also as a means of getting better acquainted with fellow students. Last year one student reported that he had never met so many people and made so many friends in a single day as he had done at the ASUH picnic.

Reason for that is, of course, obvious. All those who do go to the picnic have something in common; that is, to get as much pleasure from the outing as is possible. Since the average person can find little pleasure in isolating himself, the natural course will be to mix in with the crowd.

There is probably no more inexpensive way in which to gain new acquaintances. Only 35 cents is the sacrifice one must make to be a part of the February 12 picnic crowd at Kailua. This charge is made to cover cost of good food and adequate transportation.

### Freshman backs Wong on PSPA controversy

Editor, Ka Leo:

Richard W. Wong has a right to his opinion and I don't see why some guys have to pick on a guy who expresses an opinion other than the "yes-man" type.

I am sure that Richard knows that Walter Chuck is the vice-president of the PSPA, but, unlike others, he has sense enough to see that Walter will be of little help to the ASUH when he comes back. The conference, as you all know (I hope), is to be held in May. This does not leave much time before school closes.

If Walter is so valuable to the PSPA, I don't see why they don't pay his passage to the convention.

If the council feels that the ASUH benefits by sending a delegate to the conference, it should send the president of every freshman class. If this is the case, the president of each freshman class will acquaint himself with the ASUH government and how it is run. At the close of the year, when he is well acquainted with the ASUH government, he will attend the convention. When he comes back with a lot of new ideas, he has three full years ahead to put these ideas into effect. Then, too, every class that follows will have at least one person who will be well acquainted with the student government. This means that at the opening of every school year there will be three persons working to put the ideas of the PSPA into effect.

I have written this article because I believe that Richard Wong has been unjustly attacked in the last edition of *Ka Leo o Hawaii*, and because I have my feelings about the matter.

This article is not to be mistaken as one directed against Walter Chuck. Although I do not know Walter personally, I think that he is O. K.

Yours respectfully,  
A FRESHIE.

### Junior gives views on Real Dean award

Editor, Ka Leo:

As long as the awards investigation committee intends to do some-

thing about the grade-point requirement for Real Dean awards, may I suggest that the committee consider raising it from 2.5 to 2.7 or even 3.0, if any change is to be made at all?

A grade-point average of 3.5 puts one on the honor roll and 2.0 barely keeps one off the grade-point rule. It seems to me that a Real Dean (if the award is to mean anything) should be able to keep closer to the honor roll than to the grade-point rule.

If Walter Chuck can be an efficient ASUH president and still make Phi Kappa Phi honors, why can't any other senior worthy of a Real Dean award maintain at least a 2.5 average in his scholastic work?

The ASUH would be a better organization if it aimed for higher standards, not lower ones.

A JUNIOR.

## Head mentor

TOMMY KAULUKUKUI  
... baseball coach

## Deans set for opening

### ASUH books needed to see baseball games

The baseball disciples of Coach Tommy Kaulukukui, by way of celebrating their return to Commercial league warfare, will play the Hawaiian Electrics at 1:15 p.m. Saturday at the Honolulu stadium.

The second game at 3:15 will feature the Rapid Transits and USS Mississippi in a scrimmage game.

The unveiling of the Rainbows Saturday marks their return to baseball competition after a retirement of one year.

Speculators and spectators, therefore, will watch with interest the debut of the collegians.

"Our players are inexperienced," coach Kaulukukui said Monday. "We're in a fast league and the boys will have to hustle and work hard."

From the 1939 outfit that operated in the ASUH circuit only two lettermen return. They are the co-captains Toshimi Ogawa and Mineo Katgiri. Around this duo coach Kaulukukui has built his present nine. Obviously in the process of reconstruction, the team is relatively young—only seven seniors on a squad of 19 players.

The probable starters:  
c—Jyun Hirota  
1b—Bob Henderson  
2b—Blackie Ogawa  
3b—Howard Hiroki or Vernon Nunokawa  
ss—Mineo Katagiri  
lf—Toku Tanaka  
cf—Kazuo Takanishi  
rf—Chuck Johnson

Coach Kaulukukui's opening selection on the mound will either be Frank Castanha, Kenneth Ching or Fred Ida. All are right-handers.

University students will be admitted free to all Commercial league baseball games upon presentation of ASUH books, according to Mackay Yanagisawa, league manager.

However, this policy will not apply to night games where the University is not playing. In that case University students will have to pay ten cents with their ASUH books.

## Track team will begin training Febrary 17

The first heavy track drill will be held on Monday, February 17, from 3:30 p.m., on Cooke field where track equipment will be handed out to all cinderpath runners.

All men intending to turn out for the track squad are requested to meet at the field on this date.

Captain Jim Lambert will pilot 12 returning lettermen.

Letter winners expected back are, besides Lambert, Joe Kaulukukui, Richard Yamamoto, Satoki Yamamoto, Harold Lau, Dan Lau, Russell Fettrow, Kimball Chun, Axel Silen, Ted Wilcox, Bob Henderson, and Gordon Lawson.

Tommy Kaulukukui is coach.

## Seventeen get grid awards

Presentation of football awards to 17 members of the 1940 team was recommended last week by the Board of Athletic Control. Final approval will be given by the Board of Regents.

Of the 17 who will receive letters only four will not return next fall. They are captain Joe Kaulukukui, Sus Tanaka, Nolle Smith, and Larry Silva.

The lettermen besides the five seniors are: Melvin Abreu, Kai Bong Chung, John Naumu, Harold Kometani, Unkei Uchima, Sadao Watasaki, Chin Do Kim, Clem Silva, William Meyer, Axel Silen, Francis Lee, and Calvin Campbell.

## Baseball, basketball teams will be active, Commercial league, ASUH schedules show

Twelve teams divided equally into two sections are fighting for the Senior ASUH basketball league title now held by the Rainbows. At the end of the regular round, the three leading teams in both sections will play off in a championship round-robin series.

The Commercial baseball league will play two rounds with the winners of each round meeting in a two out of three series for the championship.

## Deans prepare for mat wars

Other aspirants are Kenneth Chang, Wallace Doi, Clarence Dias, Kiso Ego, Ben Goo, Donald Joe, Robert Kikawa, Spencer Kamakana, Hoichi Kubo, H. H. Lee, Sam Lee.

## Netmen rained out in opening matches

Rain prevented University's class B tennis team from making its bow Sunday at the UH courts. Consequently the match with Conchee's Pride was postponed to a later date.

The team will meet opponents with the following line-up:

First singles—Walter Lum.  
Second singles—Bernard Kau.
