For large print programs or program information in alternative forms, please contact the House Manager or call Kennedy Theatre Box Office at 956-7655 (v/t). Please remember that smoking, eating, drinking, photography and/or video recording are not permitted in the auditorium. Turn off or silence all pagers, cell phones or digital watches.

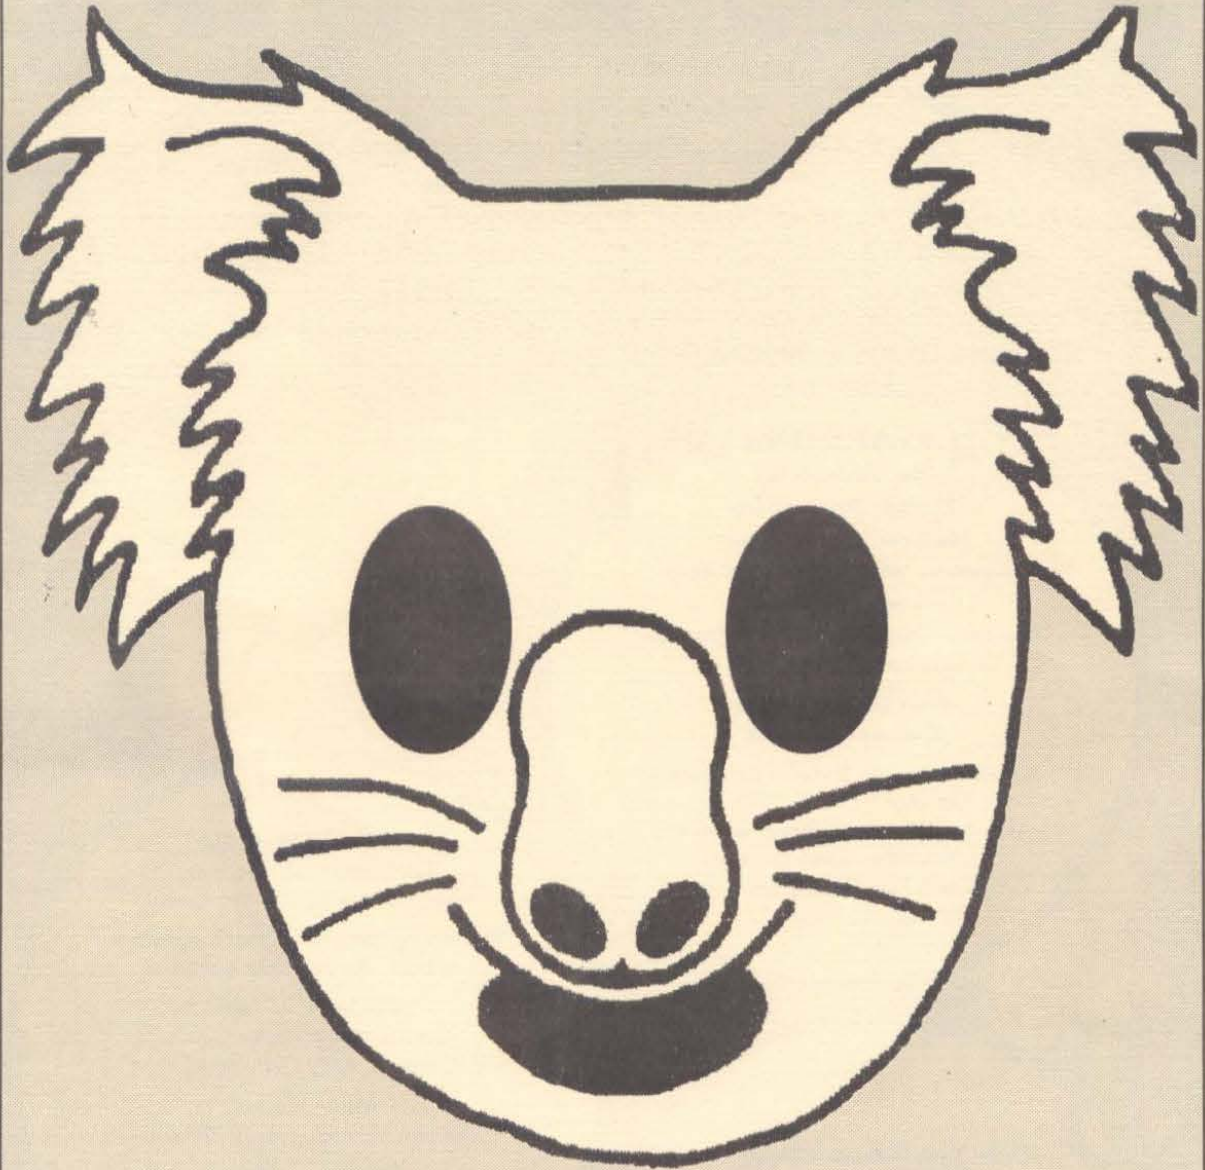

## How to make your own Koala Mask:

Materials: koala pattern, scissors, hole punch, and string or ribbon or rubberbands.

### Construction:

1. Cut out and color the koala pattern.
2. Cut out eye-holes, nose-holes, and mouth (ask an adult to help you with this).
3. Punch 2 holes, one on each side of mask.
4. Tie string or ribbon or rubberbands through each hole so that the mask can fit over your head. Your mask is finished!

### PRODUCTION STAFF
