

ALOHA VARSITY!

DEANS LEAVE FOR COAST TODAY ON MARIPOSA

SOPHOMORES TANGLE WITH OTHER CLASSES IN SWIM THURSDAY

Second Year Natators Favored To Triumph Over Combined Senior, Junior, and Frosh Team

The first major swimming meet of this year will be staged this Thursday and Friday afternoons at the University tank in the form of the sophomore versus freshmen, junior, and senior encounter. Prior to this, Luke Field met the University in the first swimming event of the year.

Another meet is slated to be held sometime in December which will bring forth the University pick team and the Roosevelt High lads. Further particulars will be published in the later editions of the Ka Leo.

In the meet scheduled for this week, nine events are listed for each day's competition, which include one feature, four novice and four open affairs. On the first day, the feature event will be the plunge for distance, which should attract much attention and comments. Diving will be the following day's special affair. Three dives will be given to each diver. All diving will be made from the high board.

Latest indication from the locker room points to the fact that there may be a game of water-polo after the meet. However, this is only tentative.

The winners in this meet will receive five points in all the novice and open events, while the second will get three; and the thirds, one. On the other hand, the first placers of the relay will get five points, while the other place-gather will receive nothing.

Any swimmer who has received letter in swimming, or who has placed in the A. A. U. swimming meet, or who has won first place in any interscholastic swimming meets, is barred from competition in the novice events.

The officials of the meet are not yet chosen, and all those who are willing to help out and make this swimming meet a success are requested to appear at the pool this Thursday and Friday afternoons.

KING OF SWAT SHOWS TO LARGE GATHERING AT HONOLULU STADIUM

Babe Ruth, the most colorful baseball figure in the world and one of the greatest ball-players of all time, showed 11,000 polyglot Honolulu fans just how to hit one on the nose last Sunday afternoon in an exhibition game against the Wanderers which Babe's All-Stars easily won, 5 to 2. But the Bambino was the whole show!

Coming up in the third inning with no one on, the great Babe belted Vida's first offering into the centerfield bleachers, five rows from the top, for a beautiful home-run. It was a mighty clout and the King of Swat crossed the plate doffing his cap to the crowd's thunderous ovation. Needless to say, the ball never came back for it is now the priceless possession of the happiest ball catcher at the game.

The Babe started in rightfield, then shifted to first base in the second inning where he made the most spectacular catch of the day.

Among Says Aloha For Team

By BILL AMONG
Football Captain '33

Saying good-bye on behalf of the team and myself, I wish to say that we shall try to give the best we have in ourselves on November 12 when Denver will send its best against us. The boys shall do their best and we hope victory will be ours.

Leaving the student body and faculty of the school will not be easy even though we will be away only for four weeks. The members of the team are grateful to the student body for the support given us in our games and we hope that your spirit will guide us on to victory in Denver. I again wish to thank the students and teachers who have not only backed the team on and off the field but in their "kokua" which was so generously given in raising the money to send an extra player with us.

We are especially grateful to the H-Club which sponsored the dance for us last Saturday night and to the Hui Iwii which gave the benefit assembly at which Babe Ruth was the honored guest and speaker.

In closing this brief message to you all, I wish to say that we shall endeavor to do our best and to keep the name of Hawaii up to the standard, in good sportsmanship and friendship while on and off the field.

20 PLAYERS SAIL AT 4 O'CLOCK ON LINER; "U" RALLY AT PIER 9

Richard Furtado Will Make Jaunt In Place Of Charlie Fernandez Who Was Injured In Kamalum - Dean Game

Twenty-three men, representing the University of Hawaii athletically, and the Hawaiian Islands socially, sail this afternoon at 4 o'clock on the "Mariposa" for Los Angeles. In the Honolulu party will be 20 University varsity football players, Coach Otto Klum, Dr. Robert Faus, team physician, and George Douse, student team manager.

The team will be carrying the hopes of the University student body for a victory over Denver University when the two teams meet in the Rocky Mountain city on Armistice Day, November 11. Also, the players will be carrying the good will of the A. S. U. H. to the students of Denver University and any other colleges on the coast that they may visit on their journey and stop-overs.

Charlie Fernandez, halfback, who was originally slated to go to Denver with the group, was injured in the Kam Alum game. He will be unable to make the trip because it was thought that he would not be sufficiently recovered by November 11 for the Denver tilt.

Richard Furtado, who dazzled the fans at the Kam game, with two last-minute touchdown runs of 33 and 85 yards, will replace the injured Fernandez in the Rainbow party.

The itinerary for the trip calls for arrival in Los Angeles on Saturday morning. In L. A. the boys will be special guests at a Pacific Coast conference game between U. C. L. A. and California in the Olympic stadium. After the game, the party will continue for Salt Lake City, Utah, for a three-day stay and conditioning work-out, leaving the Mormon country, the Hawaii group will leave for Denver and arrive in time for three days of practice before their big game.

Complete roster for the trip is: Ernest Moses, Buck Bratcher, Mike Gonsalves, and John Anderson, ends; Frank Judd, Henry Hopewell, and Adolphe Mendonca, tackles; Captain Bill Among, Abe Lyman, and Peter Zane, guards; Henry Kusunoki and Mitsuo Fujishige, centers.

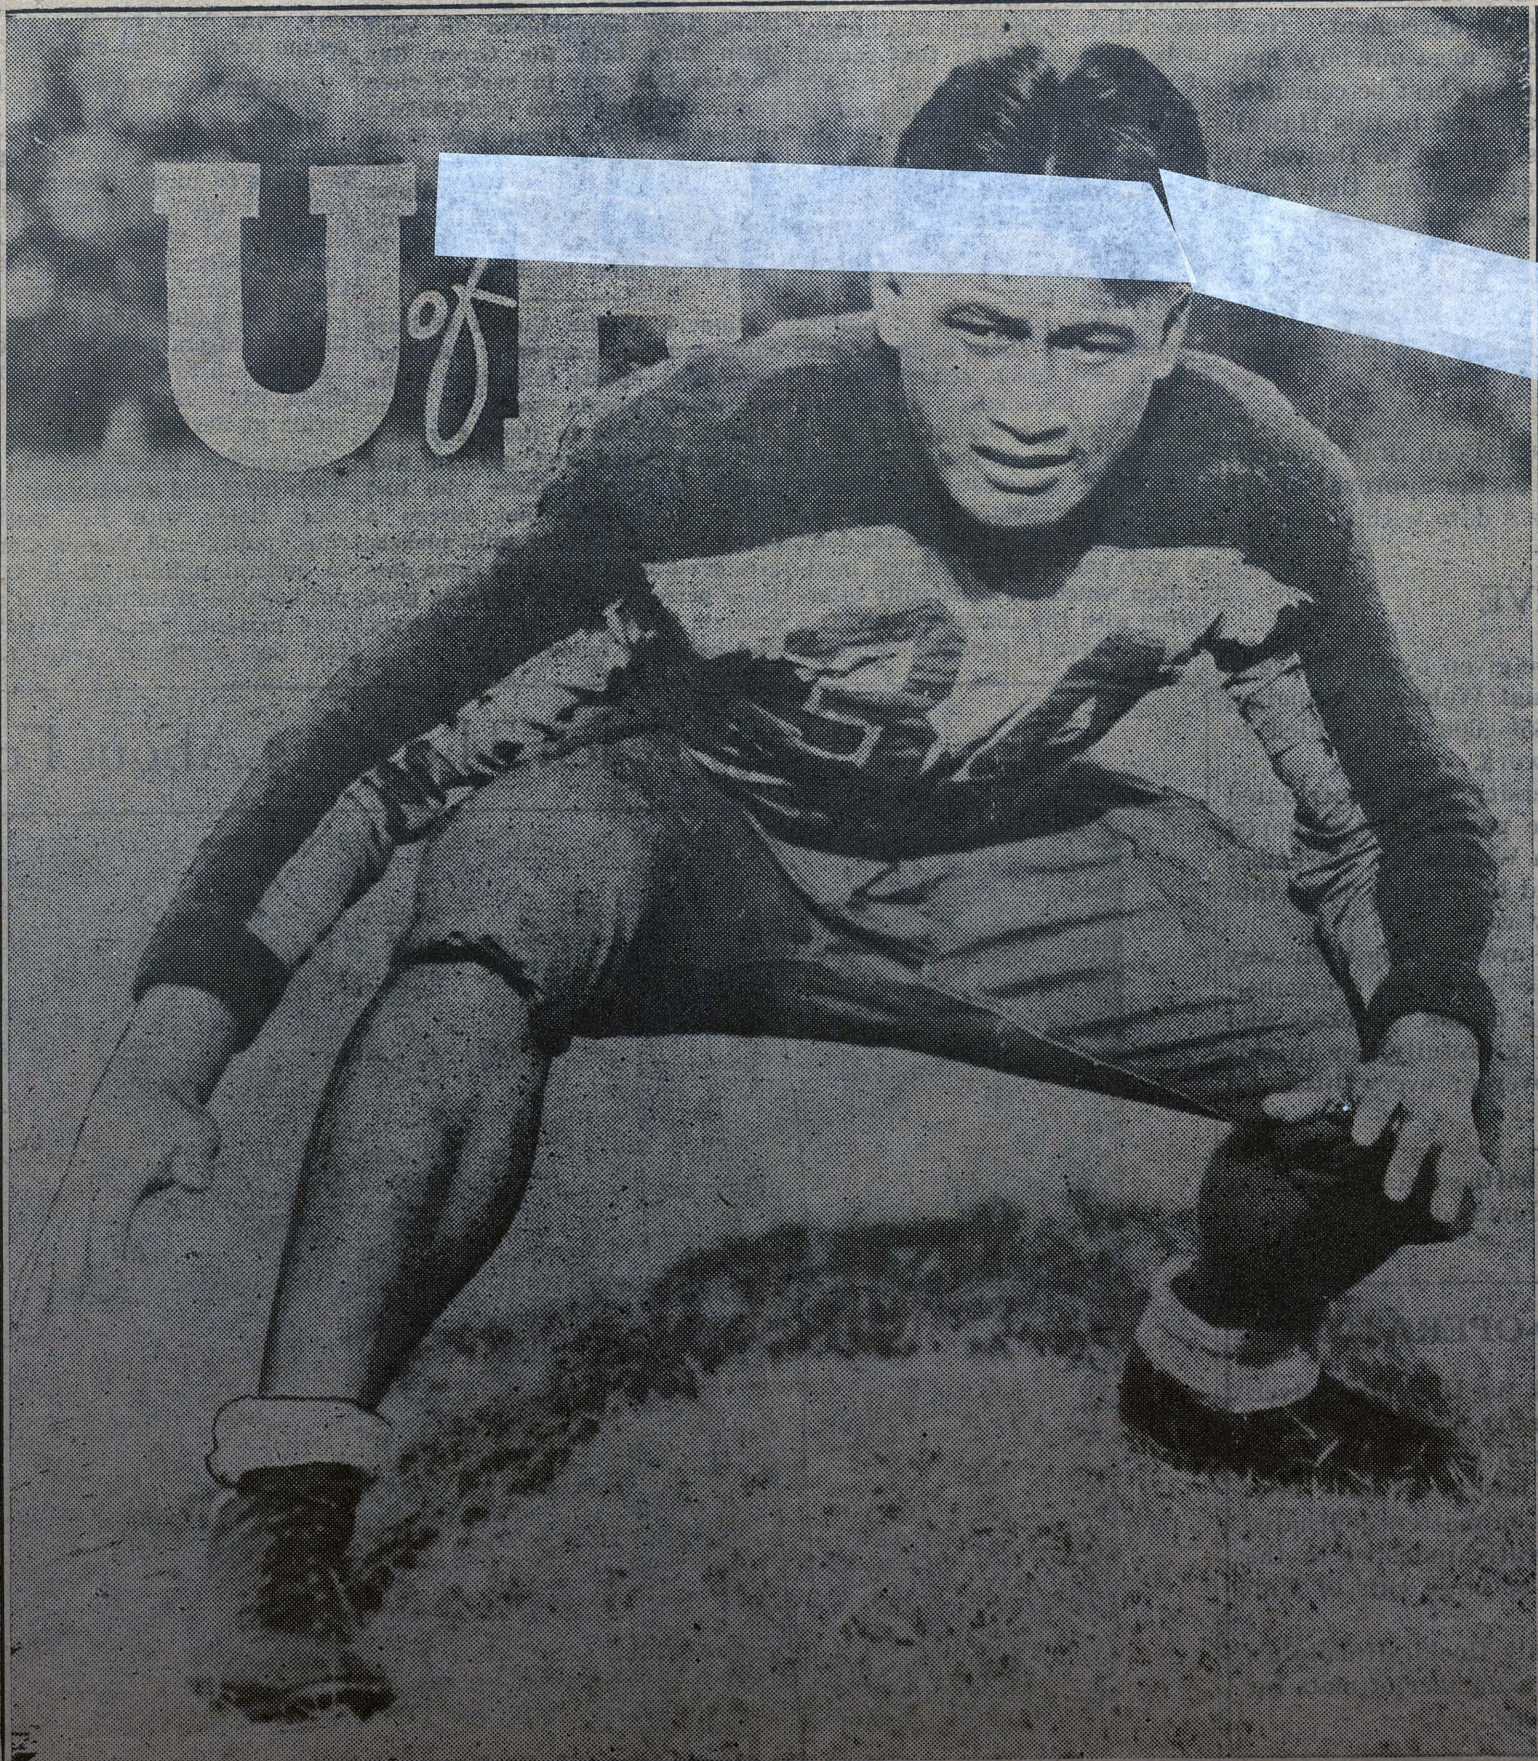

Clarence Louis and Maynard Piltz, quarterbacks; Henry Aiwohi, Francis Aiwohi, Jack Johnson, and Richard Furtado, halfbacks; William Ahuna and Bull Sone, fullbacks.

UNIVERSITY WAHINE ATHLETES WILL GET SWEATERS FOR WORK

Many women athletes have already started piling up points for the pure wool white sweater which will be awarded with a letter to all girls who earn 100 points during inter-class competition. Participants who make first teams will get 10 points, and since there are only five major teams in the running, two years of competition will be necessary in order to earn a sweater. However, the award is quite worthy of the hard work it represents. The major sports are tennis, swimming, volleyball, basketball and baseball.

Each class is anxious to win the A. W. S. cup which is now in the junior's possession, and the class that gets three legs on the trophy in consecutive years, has it for "keeps." The present senior class had two legs on the chalice, but lost it to last year's sophomores.

"Willie" To Youse Guys

Introducing Captain Bill Among, late of the Kona Coast, and now playing his fourth year at guard for the University of Hawaii football team. Bills tells us that "rain, snow, or sleet" in Denver will not stop the Deans from putting up a great battle against the Grizzlies of Denver. Cut courtesy of the Honolulu Advertiser.

TODAY'S KA LEO STAFF

Today's issue of Ka Leo, the first of several special issues promised the student body this year, is edited by Francis King, regular sports editor of this paper. Katsuto Nagaue and Charles Sakamaki, sports reporters, are the associate editors. Virginia Hammond, Harold Hall, Raymond Tan, Oswald Bushnell, Bill Stephenson, and members of the journalism class are contributors to the issue.

ALOHA

To those members, coaches, and student managers of the 1933 University of Hawaii football team Ka Leo O Hawaii dedicates this sports edition.

In saying farewell to those making the trip to Denver, Ka Leo wishes them the best of luck and a fond Aloha. That this trip may bring victory is the earnest hope of the student body of our college. The purpose of this trip is not only to play a football game, but also to cultivate friendship between the University of Hawaii and the University of Denver. These two universities have formed a home game agreement. Next year Denver will return the visit when they meet our boys here in Hawaii. The cultivation of friendship can best be cemented by athletic competition on a friendly basis, and in this Hawaii will endeavor to do its part. Our boys will go to Denver to play football in hopes of winning and at the same time form acquaintances with students there. These friendships will be a link between these two universities.

Ka Leo says Aloha, and wishes Coach Klum and the team a most successful trip. On their return, we hope they will bring back both victory and a firmer friendship between Hawaii and Denver.—*F. King*

—oOo—

Shades of antiquity—back in the 70's at Penn State College, the permission of the president as well as the approval of the Dean of Women was necessary to secure a date with a co-ed.

—oOo—

WELFARE DRIVE

Full co-operation and support will be given by the University of Hawaii to Honolulu's 16th Annual Welfare Campaign, which is going to make a drive for \$500,000 with which to carry on social service and charitable work.

Students and faculty of the University have contributed generously to the Welfare Fund in the past and it is hoped that when the University drive starts on Wednesday, November 1, they will respond to the appeal for aid by digging down into their pockets and giving whatever they can.

Many students, especially those who are working their way through, may find it difficult to aid the Fund, but remember, you are not asked to give beyond your means. Nickels and dimes, as well as pennies, are accepted gratefully, for in this war against hunger, sickness, and poverty; every little bit helps.—*S. Sato*

—oOo—

It is interesting to note the verbal battles being waged by local publicity seekers in the readers' columns of our downtown press.

THANKS FOR YOUR CO-OPERATION

The editors of Ka Leo wish to thank the Honolulu Advertiser for co-operation given this university paper during the last six weeks. The men on the editorial staff of the paper that helps Honolulu "start the day informed" have been most generous in offering their advice on matters journalistic. Today's edition of Ka Leo is greatly indebted to the Advertiser for the loan of a number of large cuts of University players.

We are also indebted to the Hawaii Hochi, Honolulu's liberal afternoon paper, who supplied a number of mats for use in this edition and in future editions.

Now that 3.2 has taken the town by storm, I guess we can all "beer" up under the strain.

RAINBOW RAMBLES

WITH FANNY

Football on the mainland grows more interesting each week. Saturday when Oregon State and Washington State met on the gridiron there were three local youths who starred for their respective teams. Oregon State had two of these boys. Pierre Bowman, brother of Waldo Bowman of Waikiki Beach surfing fame, was field captain for the Webfeet.

He is right halfback on this team which is right in the running for championship honors in the Pacific Coast Conference. Harry Field, who played on the University of Hawaii football team during 1929, is the other local boy with Oregon State.

Washington State has an island boy on its first team in the person of Ted Christoffersen, who played football, baseball and ran on the track team while at Punahou Academy. It is interesting to know that all these boys are graduates of Punahou Academy.

Well, the team pushes off today, and with those twenty players Hawaii's hopes are carried. On Coach Klum depends the strategic and executive management and running of the team, the twenty players are those on whom the playing glory goes, to the student manager, George Douse, goes the management and care of equipment, and to Doctor Faus goes the care of the other twenty-two. It is the doctor who is given that responsibility of landing the team in good physical condition and bringing them back in the same physical condition as when they went and this is some job.

The taking of Doctor Faus is absolutely necessary because it is on him that the playing condition of the team depends. On the trip he watches every boy's physical condition, just as if they were members of his immediate family and his record has been that not a boy has caught even as much as a cold on the mainland football trips of our varsity teams. That is some record, considering the climatic changes the team goes through.

This year there are four teams in the water polo series. Led by Alan Hurd's Wreckers last year water polo champions, the series should be quite a source of entertainment for the polo fans. Besides the Wreckers there are also Cedric Weight's team, "Punch Drunk" Uchiumi's and Wilfred Paul's. Between these four teams there ought to be some battle for that reward of good athletes, one of P. Y.'s Chop Sui dinners which goes to the championship team at the school's expense. Last year Hurd's boys ate up. Who is going to eat up this year is the question and it ought to be some scramble for that honor.

The usual committee of alumni soreheads and those students who like to crab about school athletic activities, especially when the football team is losing, are at it again on the mainland. It seems that Hunk Anderson and several other middle western coaches are in for it. The alibis of coaches don't go with the alumni of those institutions which are constantly interfering with the coaching staff. If a coach doesn't produce winning

teams, these discontented souls start their "get a new coach" cry, and unfortunately do most times. "Pop" Warner was one who got the ax, which was unfortunate but about due.

Locally it isn't so bad but it does happen, only this time in our local prep and senior league loops. St. Louis and its alumni seem to be the big discontents when they lose as is also true of the Town Team. The sorry part of it all is that, they never give the coach a chance, if he doesn't produce in a year, out he goes, and sometimes they forget that while a coach isn't producing winning teams he is building character, which is really the prime factor in any schools' athletic program.

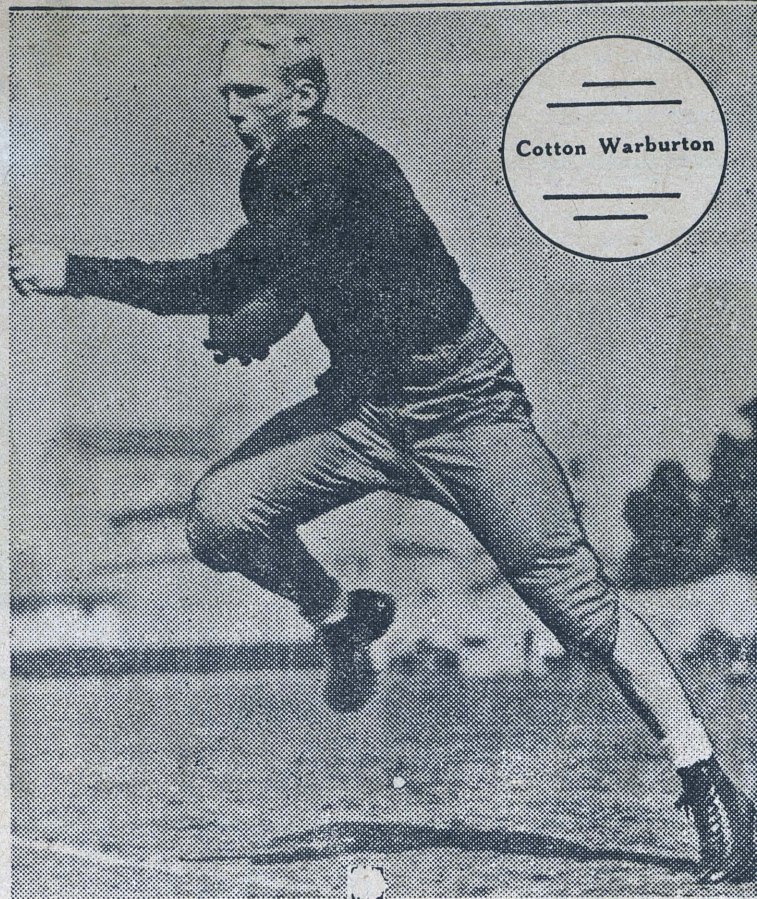

Our local institution luckily isn't controlled by such onerous elements and we hope it never will. Proc might not always have a team that wins all its games but it does win the majority of games placed both locally and with mainland aggregations. This is a record, especially when the boys he builds into quite capable players later go out and play on teams which oppose the Deans.

Here's some dope on Denver: they have a line averaging 185 lbs. and a backfield that averages 175 lbs. If that isn't a hefty aggregation then I am a Piker.

But this weight doesn't count so much. We have a ball team that for its size can lick any outfit barring none. We might not stack up to Denver in weight, but we have a team that is aggressive, and has a fight that is never stilled. We have shown this fight, in the engagements the Roaring Rainbows have been through, and playing at that against teams which could lick any college team on the Mainland. You might think I am getting a little over anxious and bawdy but the team composing Kam Alumni can beat most any good college team. They have shown the stuff when they held the Green Bay Packers last year in such a close game, and that team could take a college team like Japan took Manchuria. Besides the above fact the improvement the Kam Alums showed over last year is beyond reasonable estimate, at least 50 percent or three touchdowns.

Support of the United Welfare campaign is earnestly solicited. Remember sports fans that there are many people, some of them mighty athletes in their day that are now down and out, so why not be a help to those who had better days. Why not forego a movie or a couple of milk nickels, give something and help some destitute person. Even a dime is good enough, show your spirit, athletes, and help our fellow men!

TROJANS BANK ON WARBURTON

Cotton Warburton

Irvine (Cotton) Warburton, the blond little package of dynamite who blasted his way through beefy tackles last season, is back again in University of Southern California football togs. The Trojan quarterback appears to have grown a bit since 1932.

WARBURTON, FRANKLIN, AND BLOWER PREP SCHOOL RIVALS, RENEW FEUDS AS MEMBERS OF UNIVERSITY ELEVEN

A triangular football feud of four years' standing is being waged in the Pacific Coast Conference, with Irvine "Cotton" Warburton of U. S. C., Norman "Red" Franklin of Oregon State, and Floyd "Toy" Blower of California as the participants.

Four years ago when Warburton, Franklin, and Blower were sophomores, the three scintillated on the gridiron for teams of the Coast Prep League in California, one of the strongest high school leagues in the country. All three were triple-threat men, Warburton being the shiftest man in the league; Franklin, the fastest, and Blower, the most versatile.

In the prep league, Warburton, playing for San Diego, got the lion's share of publicity. He capped off his prep school career with a 60-yard pass to win the game against Santa Ana in his senior year. Incidentally, Blower captained the Saints on that day. Franklin's passes beat San Diego that same year, while Santa Ana turned around to beat Long Beach, Franklin's team. All in all, it was a great season for all three stars.

'COTTON' PICKS U. S. C.

When time for college rolled around, the three boys got plenty of offers to go to different colleges and play football. Warburton, the lightest and most colorful of the three, got the most offers. His final choice favored U. S. C. over Notre Dame. Franklin joined the rising tide of players that are making a beaten path to the doors of Oregon State, while Blower went to California at Berkeley.

Warburton made the U. S. C. frosh team and literally tore up the coast fields with his marvelous runs, punts, and passes. Contrary to general opinion, U. S. C. does not keep all of its promising freshman material "under wraps" during the freshman year. Letting

Warburton run wild on the frosh squad proves this.

Warburton moved up to the varsity eleven and showed the fans that a good little man could be just as good as a good big man, and plenty faster. Having to share the quarterback berth on U. S. C.'s juggernaut with Orv Mohler and Homer Griffith did not dim Warburton's playing in the eyes of the football world. Meanwhile, Blower was a better-than-average back at Cal and Franklin was converting his fleetness into fast skidding on the muddy northern fields.

BLOWER TOPPLES GAELS

Around rolls the 1933 season when all three of the principals again in varsity competition. Warburton has his day against Washington State, scoring twice on runs from farther than half-field. Blower cracks the headlines with the deciding touchdown in California's 14-13 defeat of St. Mary's.

It remains for Franklin to turn in the most startling bit of playing in the early season in the Oregon State-Southern California game of last week. Leading the State backs offensively, and the team, defensively, Franklin is instrumental in holding U. S. C. to a scoreless tie, thus breaking the Trojan string of victories at 25.

The boys seem to be even-up again, this time in their great university conference. It will be interesting to watch the results of the Oregon State-California and U. S. C.-California games for further deeds of these three classy players. There may even be a 1933 All-American among the trio!

They Teach The Boys About Football

These four gentlemen, the Messrs. Luke Gill, Ed. Towse, Al McRae, and Otto Klum, guide the destinies of the University of Hawaii football team in its games in the Islands. Towse and McRae are the line coaches, Gill tutors the backs, while Klum is head coach and general supervisor. Towse and McRae are former All-Hawaii linemen of a few years ago.—Cut courtesy of the Honolulu Advertiser.

Hawaii To Have Strong Track Team

Many Deane Players Have Made Athletic Trips

THREE DEANS MADE U.S.C. TRIP IN '30

Aiwohi, Among, Lyman
Vets of Past L. A.
Journey

Among the two dozen in the Hawaiian party that sails this afternoon for the coast, there will be a few players that will not be making their first voyages "abroad" in the course of athletic pursuits.

Bill Among, team captain, Abe Lyman, and Francis Aiwohi made the memorable jaunt to Los Angeles to meet U. S. C. in 1930. Basketball carried Ernest Moses and Francis Aiwohi to Japan and Korea last spring, while Team Manager George Douse, Maynard Piltz, and Mitsuo Fujishige played baseball in Japan last summer.

Henry Aiwohi, younger brother of Francis, will be making his second ocean voyage in a month. He just recently returned from California where he attended Pasadena C.

Coach Otto Klum, the "vet" of the party, will be journeying to the mainland for the sixth time, while Dr. Robert Faus, team physician, won't be making his first sailing.

KING OF SWAT SHOWS AT TWO BALL GAMES

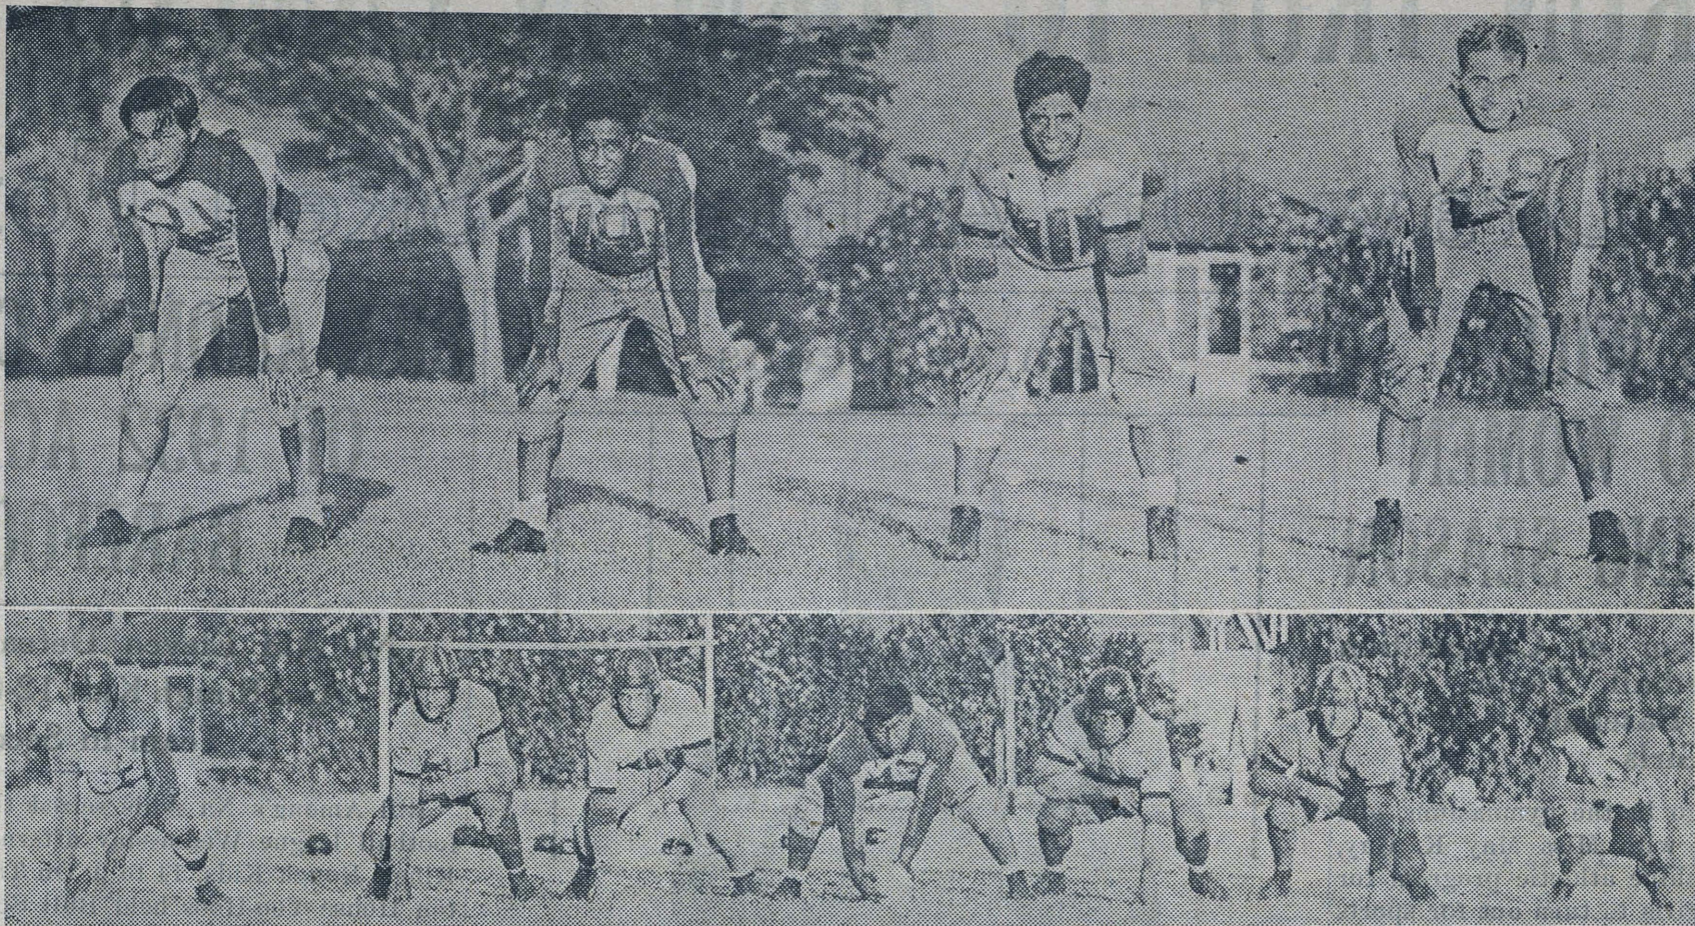

Continued from Page 1, Col. 1

He pitched the final two innings allowing two hits and one run. Throughout the game, Ruth amused the crowd with his antics and wise-cracks, always going out of his way to please the fans who were ever ready to enjoy anything he did.

He scored the first and last runs for his team, hit two sizzling singles and hoisted the much-expected circuit blow, popped out to second and was called out on a third strike with the bases choked. He played errorless ball on the field and certainly gave the customers a real treat in long-distance clouting as he drove out liner after liner above the heads of the outfielders during his batting workout.

It was the same, pleasing Babe Ruth who called his famous shot in Chicago last year during the World's Series, who has made more home-runs than anybody else in the world, who created the all-time major league record of 60 homers in a single season of 154 games, and who is just Babe Ruth, the hero, to America's millions. They say the Babe is slipping, that he is reaching the sunset of his career but anyone who can still play major league baseball at the age of 42 (you see, the Babe is getting old) is a credit to the game and proves its greatness by being able to compete with players twenty years younger.

Might Be The Starting Team, Who Knows?

The top picture shows the Deane backfield aces who will probably start against Denver. They are Bull Sone, Willie Ahuna, Francis Aiwohi, and Buster Piltz. The linemen underneath are Moses, Mendonca, Lyman, Kusunoki, Among, Hopewell, and Bratcher.

CEDRIC WEIGHT SEES EXCELLENT MATERIAL

1933 Swimming Captain
Prospects for a good year in swimming are brighter, this year than ever before. All of last year's lettermen except Ed Park have returned this year and a wealth of good material will be furnished by the freshman class. A schedule of meets has been tentatively laid out which will be heavier than ever before.

The first meet of the year was held with Luke Field last month, and the University managed to win by a good margin. The next meet on the list is scheduled for November 2 and 3 when the sophomore class will challenge the other classes. Water polo is slated to begin next month and it will continue on into the second semester. On November 30 the Outrigger Canoe Club is holding its annual Thanksgiving Day swims in which it is expected that some University men will participate. From December 12-18 the third annual University Intramural swimming meet will be held. It is hoped this year to hold the annual A. A. U. Indoor swimming championships in the University tank. Instead of having a three-night meet as was held last year, it is planned to have the meet on four successive Friday nights of the last week in February and the first three in March. The whole plan hinges on the installation of lights in the U. H. tank before that time. During April and May it is planned to have dual meets with different schools and organizations. Plans have been tentatively made for a trip to Maui in April or May although nothing has been definitely arranged. The swimming season will wind up in May with the meet against the Interscholastic all-stars (Rainbow meet).

CALIFORNIA HIGH SCHOOL HANGS UP GREAT TRACK MARKS

It's a far cry 'til the opening of the 1934 track season, but it might give some of the boys in the Islands something to shoot at by publishing the individual track and field records of a large California high school.

Looking over the list, it may be seen that some of the marks would do honor to many college meets. Nevertheless, they have been hung up in the last seven years by 18 and 19 year old athletes.

Take a glimpse at this list: 100-yard dash, :09.8; 220-yard dash, :21.4; 440-yard run, :49.3; 880-yard run, 1:58.7; mile run, 4:31.2; 120-yard high hurdles, :14.9; 220-yard low hurdles, :23.9; 880-yard relay, 1:28.5.

And here are the field marks: shot put, 49 feet, 11 inches; discus throw, 149 feet, 9 inches; high jump, 6 feet, 1 inch; broad jump, 23 feet, 1 inch; pole vault, 13 feet, 4 inches.

For those interested, the school is San Diego high school, and some of the marks were made by such stars as Jimmy Willson, Bud Deacon, Bill Miller, Eddie Moeller, and Irvine Warburton.

ANOTHER FOR U. S. C.—Smashing back Washington State, Southern California wins, 33-0. Homer Griffith, U. S. C., gains, above. Courtesy of Hawaii Hochi

November 25 Will Be Great Football Day For All Teams

Watch for November the 25th! It is scheduled to be the greatest football day of the year. Just take a squint at some of the games that will be played on that day throughout the country.

Chicago vs Dartmouth
Columbia vs Syracuse
Detroit vs Michigan State
Duke vs No. Carolina State
Georgia Tech vs Georgia
Harvard vs Yale
Indiana vs Purdue
Minnesota vs Wisconsin
Nebraska vs Iowa
New York U vs Carnegie Tech
Northwestern vs Michigan
Notre Dame vs So. California
Ohio State vs Illinois
Princeton vs Rutgers
Stanford vs California
Texas Christian vs Rice
US Naval Acad. vs US Mil. Acad.
UCLA vs St. Mary's
Washington State vs Washington

The classics, of course, will be the gigantic clashes between Harvard and Yale, Notre Dame and Southern California, Stanford and California, and the Army and Navy.

Columbia and Princeton, two natural rivals, have clashed only once on the gridiron in 28 years.

Today and tomorrow members of George J. Peavey's public speaking classes will deliver welfare speeches to various class rooms on the campus. Under the direction of Mr. Peavey 50 students will complete the tour around the campus, helping to explain the purpose of the Welfare Drive, its organization and the part the University of Hawaii is taking in trying to reach the \$500,000 quota for 1934, for the entire city of Honolulu.

Dean Arthur L. Andrews is acting as general chairman for the program at the University. Although tuition is higher and salaries have been lowered, it is hoped that the amount from the University will increase. Last year \$106 were donated from students alone, but this year more money is needed for Honolulu. Tables will be placed at Hawaii Hall, Gartley Hall, and Teachers College. Buttons will be issued to every contributor.

CHICAGO. — The University of Chicago has the largest football stadium in the country. It is capable of seating 110,000 people.

RAT! NO MORE!

The University's big game-hunter, Harold Hall, brought to ground an unfortunate rat in the cafe last week.

During the serene 9:30 hour, with only the hum of bridge players audible, a few widely flung chairs, scattered shrieks, and the mad flight of the younger co-eds marked the arrival of a huge fat member of the rodent family.

With one accord everyone was upon him, but their swats went wild; then arrived Hall, and the corpulent little rat's doom was sealed. With a mighty swoop Hall decended upon his victim. The ensuing squish scattered the remains of the enterprising little gentleman.

TRACK YEAR FOR HAWAII LOOKS GOOD

University Will Have Its Champ Mile Team Intact

Track at the University will have for the first time in years the nucleus of a team which can be built into a strong championship contender in the Rainbow Relays and A. A. U. meet. With Coach Deverill back again this year, this possibility can be realized.

The reason for this optimism is the caliber of the lettermen and former interscholastic stars now attending the University. Besides the record holding mile relay team of King, Anderson, E. Capellas and Centeo, Deverill has the only man in the Hawaiian Islands to run the 220-yard low hurdles under 25 seconds. Richard Furtado is the man and besides being a hurdler, he is also a sprinter, high jumper and broad jumper.

Jenkins again will be heaving the javelin and shot. He lost his pet javelin before the meet last year and this probably accounted for his mediocre showing, but this year being his last, the record is expected to go.

Maeda, diminutive sprinter, has not come through as yet, but it's never too late. He is one of the best sprint relay men on the island and with Furtado and Yamada as his running mates, a first place will not be impossible. We will again have the services of Pat Cockett in the high jump. He was lost to track last year when he visited the Land of the Rising Sun with our basketball team. Small Capellas, the third best half miler in the Islands last year, will again be available.

Besides these lettermen, Deverill will have Paris, Brodie, and Rodriguez to use as running mates for Larry in the two mile relay. The members of the mile relay team will have to step to hold their positions with such men as Kaaua, Brodie and Espinda fighting for berths. In Larsen the sprint relay teams will have its fourth man.

The pole vault will be taken care of by McAllister an exchange student who has cleared the bar at over 13 feet already. Ching, Fujio, Pruitt, and White will handle the longer distances.

With such a well balanced team there will be no necessity of "doubling up" in the relays. Each man will have one job to handle and this will enable him to do his best.

The University also gets some points in events in which it has hitherto been unable to win. These points will be in the hurdles, high jump, broad jump and the pole vault. With points in these events and such strong teams in the relays it has a good chance to come better than third in the coming meets.

Wahines Draw Up Athletic Sked For Year

5 MAJOR SPORTS WILL BE OFFERED TO WOMEN DURING COMING SEASON

**May Gay Is Faculty Sponsor of Competition
In Swimming, Basketball, Tennis
Volleyball, and Baseball
For U. H. Girls**

At a meeting held two weeks ago in the gymnasium, girl sport leaders of the A. W. S. met with Miss May K. Gay, athletic instructor, to draw up a wahine athletic program for the year 1933-34. An incentive for girls to turn out for sports and win an athletic sweater is the fact that only three wahines have so far earned their "H".

A swimming meet, scheduled for November 20 and 21 will precede the inter-class tennis competition of early December. No points toward a sweater will be given in the inter-class tennis tourney.

Virginia Hammond is general manager of the coming year's program. She has four class assistants in Florence Akana, senior; Lynette Amoy, junior; Eileen Ukauka, sophomore; and Genie Pitchford, freshman. Co-managers will be appointed later to handle the separate sports.

A wahines' swimming meet has been planned for early in December, and it will be held in the University pool. Girls wishing to enter the meet may report to "Pump" Searle for coaching. Participants may enter two events and a relay.

Events for the meet are: 50 yards freestyle, 100 yard freestyle, 50 yard backstroke, 50 yard breaststroke, plunge for distance, diving (low board), and relay (100 yards).

Complete schedule for the season follows: swimming, November 20, 21; inter-class tennis trials, December 4-15; inter-class tennis finals, December 18-29; basketball, February, 12-23; volleyball practice, February 26 to March 9; volleyball competition, March 9-23; baseball, April 2-13; and tennis finals, April 16-27.

BIRD VISITS FANNY; LEARNS MUCH; FLIES OFF TO OTHER ISLES

About three days ago when several sports writers of Ka Leo were pounding out copy in the renowned cafeteria retreat of University journalists, a little bird fluttered through the door and perched on Sports Editor King's steaming typewriter.

"Scram," screamed perturbed Fanny, fearful that the small bird might burn his legs on the white-hot machine.

But to the surprise of the assembled multitude, the tiny bird remained. "The heat will not hurt my feet," said he, "for I'm from Oregon State." Incidentally, the bird had web-feet.

"Why did you leave the fair woods of Oregon?" queried Mr. King.

Said the visitor, "It was no longer safe for us poor birds to fly around the state... so many foreign football players were throwing the pigskin through the ozone."

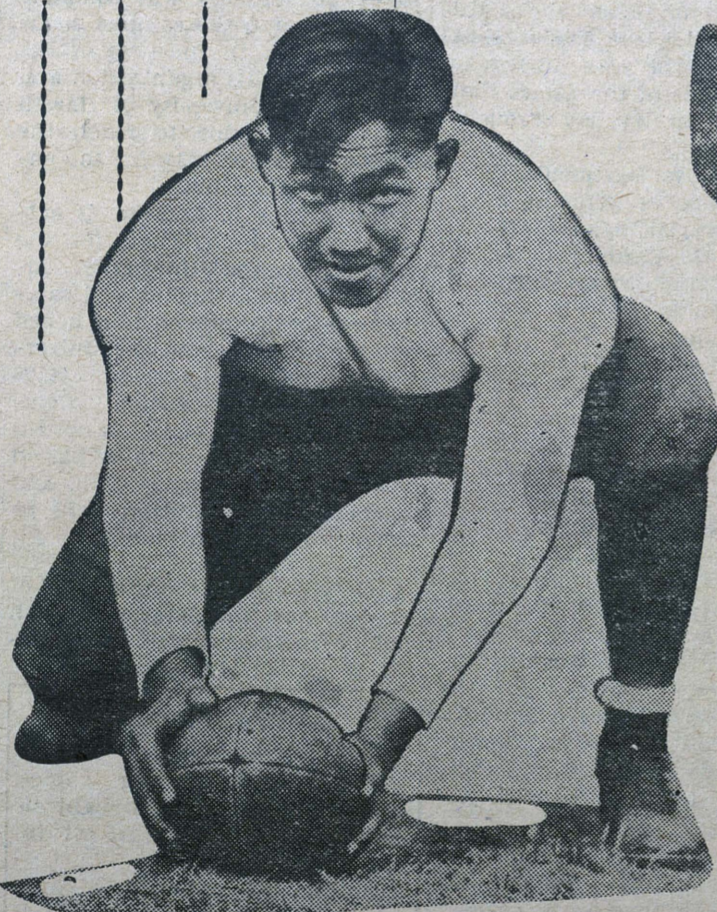

"I object to your calling our Hawaiian players 'foreign,'" countered Fanny, indignantly.

After which the little bird took hurried departure for other islands that may not be bothered by losing their football players to mainland colleges.

Colgate scored more than 400 points in 1932 and was not scored upon.

"Nibs" Price, former football mentor at California, never played a game of football in his life.

Three Deans

These three gentlemen, Abe Lyman, Francis Aiwohi, and Henry Kusunoki should afford the University of Denver team a nice slice of competition when the teams meet in Denver on November 11. Cut courtesy of the Honolulu Advertiser.

BILL AMONG'S CHAMPS OF 1932 AGAIN LEAD BAREFOOT LEAGUERS

**Na Alii Eleven Defeats Engineers, 6-0,
And Rough Kids 12-0; Locker Room
Team In Second Spot**

Bill Among's Na Aliis seized the leadership of the campus football league Wednesday afternoon by overpowering Fanny King's Rough Kids, 14 to 0. On Thursday, Eddie Kent's Atherton House Yoo-Hoos held Bull Sone's Engineers to a 6-all tie in a game that reeked with thrills.

Carrying the fight to their lighter opponents, the Na Aliis first scored on a safety and later shoved over two touchdowns to win decisively. The Rough Kids were manhandled throughout the game.

The Yoo-Hoos put up a great battle in their debut against the Engineers. Entering the game as underdogs, the Atherton House boys held the powerful Engineers to a standstill for the greater part of the contest. In the final quarter, the Yoo-Hoos passed up their golden opportunity to score the deciding touchdown when they lost the ball on downs after a beautiful pass and run had placed the pigskin on the 26-yard line.

The league standings are as follows:

	Game	Won	Lost	Tie	Pct.
Na Aliis	2	2	0	0	1.000
Locker Room	1	1	0	0	1.000
Atherton House	1	0	0	1	.000
Engineers	2	0	1	1	.000
Rough Kids	2	0	2	0	.000

On Wednesday, the Locker Room eleven will have it's big test when it meets the Engineers. Although the Locker Room boys are favored to win, the battle should be a gruelling grind for both teams and the winner will be mighty lucky.

On Thursday, the Na Aliis should continue to win after stacking up against Atherton House. It looks like another banner year for the champions.

LETTERMAN HUI WILL AGAIN SPONSOR HOOP COMPETITION AT U.H.

**League Will Be Split
Into Two Weight
Divisions**

The H Club will continue its work of sponsoring intra-mural sports at the University by backing the campus basketball league that will start its season later this semester. There will be two weight divisions in the league this year, thus allowing all students, regardless of size, a nearly equal chance of participation.

The weight limit in the lower division will be 135 pounds, as in barefoot football. This will enable the smaller fellows to have balanced competition. All players over 135 pounds will enter the unlimited division.

Last year's champs were Larry Capellas, Maynard Piltz, McArthur, Graham, and Garcia, representing the Locker Room. However, this team has been disbanded. A strong entry in the league is expected from the Atherton House, whose quintet is now one of the topnotchers in the downtown "Y" league.

All team applications for membership should be turned in to Coach Luke Gill on or before November 6.

MORE CAMPUS LEAGUE
FOOTBALL GAMES
EACH WEEK

KA LEO O HAWAII, OCTOBER 30, 1933

PAGE FIVE

Five of 'Em

The two sweet ends in the top photo are none other than Johnny Anderson and Mike Gonsalves. The middle trio is a line combination of Jimmy Zane, Mitsuo Fujishige, and Henry Hopewell.

Still Rambling

James Ing, former McKinley High School athlete who later matriculated at Weber Junior College is back home. Ing arrived last week and immediately registered at the University.

Arriving too late to turn out for the University football team, Ing is going to play for McKinley Alumni.

While away Jimmie played for the Weber football and besides that won the amateur inter-mountain welterweight boxing championship.

Wait until Kamalums plays Santa Clara which they most certainly will, I think it will be too bad for the Broncos when those Warriors mobilize for action.

A sorry part of the Denver expedition is the fact that only 20 players are going; if a bigger party were making the trip it would give our boys a better chance because as you know, it takes more than twenty players to keep a team at its minimum strength. It will take a great deal of individual endurance to last a full game in the high altitude of Denver. This factor of a rarified atmosphere and different climate must be taken into consideration and might mean the difference between defeat and victory. It all depends on how the boys can adjust themselves to these changes.

Here's how the "Football Annual" ranks the first ten teams for the 1933 season:

1. Southern California West
 2. Michigan Mid-West
 3. Purdue Mid-West
 4. Pittsburgh East
 5. Texas Christian South
 6. Tennessee South
 7. Colgate East
 8. Auburn South
 9. Notre Dame Mid-West
 10. Wisconsin Mid-West
- Denver University was ranked 110 and Santa Clara University 75. The University of Hawaii meets Denver on November 12 and Santa Clara on New Year's Day.

ANN ARBOR, Mich.—Three hundred students at the University of Michigan signed pledge cards to support the NRA in a drive on that campus.

MICKS DEFEAT PUNS IN HARD FOUGHT GAME

In the classiest interscholastic game of the year, McKinley high school's Black and Gold "Mainland Menace" football team defeated Punahou Academy, 6-0, Saturday afternoon in the stadium. After passing over a touchdown in the first six minutes of play, the Micks were hard pressed to hold their own against the fighting Puns.

In a slight edge in the passing department lay the margin of victory for McKinley, for the Black-angolds were outplayed in straight running football. Punahou chalked up 10 first downs to eight for the Micks and outgained their opponents by 25 yards.

Repeatedly the Puns threatened the McKinley goal, only to lose the ball on passes or fumbles. Charley Ah Sui and Capt. Johnny Freitas were towers of strength in the McKinley eleven, while Jimmy Kneubuhl of Punahou led all backs in open field gains and yards made from the line of scrimmage.

PEP RALLY ATTENDED BY "FAITHFUL 100"

Last Wednesday afternoon's pep rally was well attended, several hundred students showing enough enthusiasm to be present.

With an assorted program of entertainment, numbers, the rally lasted nearly an hour. Besides the regular songs and yells there were trumpet and saxophone quartet numbers, speeches, a number by members of the football team who rendered some close harmony vocal renditions, and a new song number dedicated to the team, by members of Hui Iiwi.

KA LEO WILL COVER TRIP

It is planned to keep the readers of Ka Leo in touch with the doings of the football team while en route to Denver by having one or more of the players write a resume of each day's happenings on the boat and train to the Rocky Mountain city.

When the "Mariposa" docks in Los Angeles harbor on Saturday, the account of the journey will be sent by return mail to Honolulu, and will appear in the earliest issue of Ka Leo after its receipt here.

MAINLAND SPORTS

BERKELEY—Bill Ingram's fighting California eleven gave U.S.C. its worst scare of the season before going down to defeat, 6-3, Saturday afternoon. After Williams, sub halfback, had kicked a field goal at the very start of the game, the Bears clung to their slender three-point lead for 55 minutes.

Irvine Warburton, blonde nemesis of Troy, broke loose in the fading moments of play and scampered 63 yards to score the six points that robbed Cal of what should of been a well-earned victory.

CORVALLIS, Ore.—Harry Field, one of Hawaii's great football products, and Pierre Bowman, another Honolulu boy, teamed up Saturday to help beat Washington State, 2-0. Field blocked a Cougar punt that

resulted in a safety against Washington State, while Bowman shone at halfback and as playing captain.

LOS ANGELES—Another indication of a coming shift of football supremacy from the southland to the Northwest was manifested Saturday when Oregon U met and defeated U.C.L.A., 7-0.

SAN DIEGO—Redlands University stepped into the leadership of the Southern California Conference with a victory over San Diego State, 13-0, Friday night.

SOUTH BEND, Ind.—Not much to say, only—Pitt, 14; Notre Dame, 0.

NEW HAVEN, Conn.—Too much power. Army, 21; Yale, 0.

POP LOSES FIRST—Lewis of Carnegie Tech scores first touchdown as Tartans trounce Temple (Pop Warner's new team), 25-0.

Courtesy of Hawaii Hochi

MAINLAND NEWS

ASSOCIATE COLLEGIATE PRESS

BOSTON.—A visual education course is being offered by Boston University, School of Education. A series of films, each one a talkie featuring some leader in the field of education, will form the basis of the lecture.

ATLANTA, Ga.—The College of Arts and Sciences at the University of Georgia is offering a course for those students who are preparing for consular or other foreign services.

PITTSBURGH.—Professor Alfred Joy of Carnegie Institute found that the earth is whirling about its star system at 9,000 miles per minute. Compared with the earth, the fastest airplane travels only at a snail's pace.

BERKELEY.—Work has begun at the University of California on a new cross-country course which is being designed to afford a complete view of the race by both judges and spectators.

INDIANAPOLIS, Ind.—The proper means of loafing will be the object of attainment in a new course of instruction offered this fall at Butler University.

PHILADELPHIA.—Temple University sets the unique record of having eight sets of twins among the student body—all but one having chosen the same department.

TUSCON, Ariz.—It is estimated that students can obtain an education at the University of Arizona for as little as \$320 including tuition and living costs.

MICK ALUMS WALLOP NAVY TEAM BY 40-0

Bluejackets Never Threaten

Navy's game football team took another fancy lacing in Hawaii Senior league competition yesterday when McKinley Alumni downed the Tars by 40-0.

Bill Blaisdell started the rout with two scores in the first period. Lei Whittle snagged a pass and Art Lum ran for second quarter scores. Soo Bok Kim and Meyer completed the orgy with scores in the final period.

The Hi-Alums never were seriously threatened by the Bluejackets, who showed a bad brand of ball compared to their good game against Saint Louis Alumni a week ago.

The Senior League will have no game Wednesday night, but Saint Louis Alumni and the Town Team will hook up next Sunday. The Saints have won two and lost none, while the Townies have lost two and won none.

Senior League standings to date:

	W.	L.	Pct.
Kam Alumni	3	0	1.000
Saint Alumni	2	0	1.000
Mick Alumni	2	1	.667
University	1	2	.333
Town Team	0	2	.000
Navy	0	3	.000

PACKERS SWAMP PHILLY

Interested Honolulu fans might like to know that the Green Bay Packers Sunday swamped the Philadelphia Giants by 35-9. Other Pro League scores were: Brooklyn, 7, Chicago, 0; Pittsburgh, 16, Boston, 14; Portsmouth, 14, Stapleton, 7.

CALENDAR

MONDAY, OCTOBER 30

- University of Hawaii Football Team leaves for Denver.
- Special edition of Ka Leo.
- 4:00 Faculty Men's Gym Class, Gymnasium.
- 7:30 Chang's Art Lecture, Academy of Arts.

TUESDAY, OCTOBER 31

- 7:30 Orchestra Practice, Lecture Hall.
- 12:30 Men's Glee Club, Lecture Hall.
- 7:30 American Chemical Society, G.H. 107.

WEDNESDAY, NOVEMBER 1

- 8:15 He Who Gets Slapped, Theatre Guild, Lecture Hall.

THURSDAY, NOVEMBER 2

- 9:30 A.W.S. Meeting, Lecture Hall—Dr. Wilson.
- 12:30 4H Club Meeting, D.H. 103.
- 1:00 Senior Y.M.C.A., Honolulu School of Religion.
- 4:00 Faculty Men's Gym Class, Gymnasium.
- 7:15 Phi Delta Sigma, H.H. 7.
- 7:30 Hawaii Union.
- 8:15 He Who Gets Slapped, Theatre Guild, Lecture Hall.

Star "Bull"

The "Bull", yes, none other than the "Bull" Sone, the plunging Engineer, who has been smashing opposing lines for three years and in this, his fourth season, has been making it rather tough for the opponents. Cut courtesy of the Honolulu Advertiser.

CHUNG PLAYS AT LEFT TACKLE FOR POMONA COLLEGE

Is Lightest Lineman

Interesting to the friends of Arthur Chung, president of last year's freshman class, is the following article which appeared in a recent issue of "The Daily High Life," official publication of Pomona College where Art is Hawaii's exchange student.

"Crippled sadly by the loss of four first string men, Pomona's showing against the Don crew was highly satisfactory. One of the most joyful surprises of the day for the Sagehens was the showing made by Arthur Chung, fast-charging Hawaiian who played a bang-up game of football at left tackle.

Chung, who is Pomona's exchange student from the University of Hawaii this year, only last week donned a football uniform for the first time of his life. Saturday he played practically the entire game at left tackle in place of Sam Miller, 200-pound first string tackle who was not in uniform because of a hip injury.

Chung's main objection to his first game of American football was that he was completely worn out—exhausted by carrying the weight of the necessary essentials which make up a football player's regalia. In the Islands, Chung wearily declared after Saturday's game, the Hawaiians play football, but they do it barefooted and with nothing more than a breechcloth for costuming."

Since this article was received from the Coast, Chung made the trip from Pomona to San Diego for the "big game" of the year between the two Southern Conference colleges. His capacity was that of first string left tackle.

VARSITY ATHLETES PLAN CHAPTER OF NATIONAL FRAT

Favor Sigma Delta Psi

Plans are afoot by a few members of the athletic group on the campus to get a chapter of some national athletic fraternity chapter for the University, preferably Sigma Delta Psi.

The frat would be strictly non-social, if run like Sigma Delta Psi, because qualifications are athletic rather than social. An example of the "toughness" to get into the frat is the fact that in the last three years, only 25 men at Oregon State have been able to make Sigma Delta Psi.

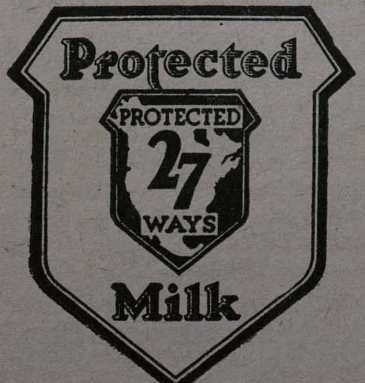

Following are the events which must be passed, and the marks for each:

100-yard dash, 11.6 seconds; 120-yard low hurdles, 16 seconds; running high jump, 5 feet; running broad jump, 17 feet; 16-pound shot put, 30 feet; 20-foot rope climb, 12 seconds; javelin throw, 120 feet; football punt, 40 yards; 100-yard swim, 1 minute, 45 seconds; one mile run, 6 minutes; front hand spring, landing on feet; hand stand, 10 seconds; fence vault, chin high; Good Posture, standard B (H.B.M.); scholarship, eligible for varsity competition.

HELLO DENVER!

CALIFORNIA HIGH SCHOOL BOY MAY STAR IN 1936 OLYMPICS

In the next two or three years, and possibly in the 1936 Olympics, track fans may see one of the greatest high school quarter-milers of all time develop into a runner capable of lowering the quarter-mile record to 45 seconds flat. The coming star is Myrel Gillett, just out of high school at El Centro, Calif.

Gillett started his meteoric track career only two years ago as a junior in high school. Under the tutelage of Robert Armstrong, a famed California track coach, young Gillett tried his hand at events ranging from the 100-yard dash to the 880-yard relay.

Near the end of his junior year, Gillett competed against a college freshman team and copped all honors, including a liberal share of press dispatches. He started the afternoon off with a snappy :49.5 quarter-mile, to be followed by 10 flat in the century. With half an hour's rest, he returned to the track to do 22 flat in the furlong, and later he clocked in 21.4 in his furlong lap of the relay.

But those were only the efforts of a high school junior! As a senior, Gillett evidently wanted to go places. He didn't succeed in breaking his 100-yard mark, but never

in the two years did he go higher than 10 flat. Gillett dropped the 220 to concentrate on the quarter, but still ran his lap on the relay in under :21.5.

In a state divisional meet, Gillett breezed home, without extending himself, in the miraculous time of :48.3. In the southern California and state meets, the youngster paced the field home in :48.5 both times, never extending himself.

In the state finals, Gillett "pulled" a muscle running the hundred, but kept "warm" for two hours so as to be able to run and win the 440. In the meantime, he teamed with three team mates to win the California state title against schools with teams of 30 men. However, the other boys, too, were exceptional. Kirkpatrick, a sophomore, negotiated the hurdles in :14.8 and :24.2, while Madlem sailed out 22 feet, 10 inches in the broad jump. The fourth was used to complete the relay team.

Notice to track followers: "Watch Gillett." Seekers of evidence in the field of collegiate proselytism might also watch this young man, not that he would be induced to attend any one university, but he might accidentally pop up in the I.C.A.A. A.A. meet two years from now on the team that wins the meet crown.

A. S. U. H. Sends Greetings

Honolulu, October 30.

DENVER:

With our team we send our most cordial ALOHA to the students of the University of Denver, and to the members of the Denver football team.

We welcome the establishment of the friendly sports-relationship that has been instituted between our two universities with the "home-and-home" games, and look forward to the time when we shall have the pleasure of greeting your team with a truly Hawaiian reception, for which we hope in description and anticipation, our team will prepare you.

Until then, "Aloha Nui Loa!"

HAWAII.

Coach Klum Speaks

By COACH OTTO KLUM

Today we leave for Los Angeles and Denver on a trip that means more than just winning or losing a football game. We expect to bring back the good-will of Denver as well as of Denver University, besides a well-earned victory or a glorious defeat. In any event, I expect the boys to give the best they have.

The trip will carry the Hawaii football players from sea level environment in the tropics, to an altitude of one mile in the temperate region. However, I expect the fellows to become acclimated in the four days they are in Denver and be able to appear at their best on Armistice Day when they meet the Rocky Mountain gridders.

Contrary to popular belief, the trip will not be "all play and no work" for the boys. Daily workouts, supervised eating, and getting to bed at early hours will be part of the program to keep the boys in best physical shape. So that they may lose no ground in the matter of college studies, there will be daily study periods.

In closing, I want to thank the students who so generously supported the Hui Iwi assembly and H Club dance that made possible the taking of an extra player on this trip to Denver.

STUDENT COMMENTS

Editor, Ka Leo:

May I voice my opinions in your valuable paper?

"What's this?" I said to myself the other afternoon, when I chanced to go down to the University swimming pool. I was amazed, simply amazed, to find numerous children making use of the pool.

At first, a fantastic idea came to me, that perhaps our students were becoming stunted, but common sense, enough of which I profess to have, told me that those figures were actually children, small, big, thin, fat children. They were enjoying themselves; it was only natural, for, just imagine, they were mingling with members of the higher class of learning, or, in other words, students of the University.

It's all very well for those tots, but is it just to us students of the University? Aren't we only harming ourselves? I don't mean and hope not, intellectually, but by the fact that the more the pool is used the more unsanitary it becomes. I'm not saying that those who use the tank are diseased, but just the same, according to the rules of sanitation, the water is bound to become dirty, and dirtier, if more people, outsiders in this case, use the tank. Getting down to brass tacks, I say, why not change the water more often than once a week, or else simplify matters by prohibiting the various and sundry children from the tank.

Yours truly,
THE CAMPUS EYE.

Dear Editor:

Come, oh ye hale and hearty men. Rally round ye knights, aye strong. Sally forth, on to the fray.— Fight ye braves, and fight to slay. Yon hapless witless creatures thicke's

Who night and morn, and all day long, Laborious thump and bang yet more.— That cankerous, plaguing, ulcerous song— Chopstikkies.

A movement is afoot to wipe out a horrible evil. To this end the ANTI-CHOPSTICKS ASSOCIATION of Hawaii has imported several prominent Chicago gangsters to aid them in their campaign to eradicate this pestiferous nuisance. Careful analysis of the horrendous, cacophonous, disturbance commonly known as "CHOP-STIKKES" has resulted in the momentous decision, handed down by Professors Brillande and King, "It is neither noise nor foul music but a discordant, unhappy medium which must be hounded from the campus 'ere it destroys the mental fiber of our student youth."

Warning is hereby given, with drawn swords and gnashed teeth to:

W. H. (His first name is a well known sauce. What's sauce for the H goose for the—oh hell—you know—)

H. M. (Her nickname is a well known species of simians.)

L. W. (A freshman, whose first name is Lorraine and whose last name will be mud if she keeps up that racket.)

B. B. (The horrible malady Chopstikkies doesn't run in the family. Her sisters were prominent on the campus—because they didn't play Chopstikkies.)

Signed,
Poets Laureate—Brillande and King
Winners of Nobel prize of the year—aw hell we forgot—and organizers in chief of anti-chopstikkies movement.
Note:—Hey Editor, this oughta net us a couple beers eh?

JUST WONDERING

How much longer the author of this column will have the nerve to run this gossip.... Who knows? Maybe he's getting cold feet already.

Who said, "But I didn't know he was married!"

Who the tall dark male is, so tentative to the president of A. W. S. (The one with the little black mustache.)

Why more men don't dress like the French Consul. A perfect example of Parisian style. Boys, get out your neckties, anyway.

How many students will back up the Welfare Drive? A dime isn't so much when you can get lunch cheaper now. And \$106 last year was too small a donation from our university.

How much the football players are going to study during their voyage to Los Angeles. After all, the ocean is rather a rough place for concentration, eh, team?

How spoiled the A. W. S. sweetheart will be inside of three months with all the candy, cake and ice

cream at the girls' parties... We feel sorry for the girl friend now.

Why so many frosh looked forlorn before Saturday, running around with those little cream-colored envelopes. Surely they weren't interesting and yet so many on the campus. Oh, you mean cinches? I see... but does your mother and papa? Another question.

When this hot weather will begin to relent. Cinches, exams and humidity like this is unbearable!

When the University janitors are going to stop watering the sidewalks instead of the grass. Wet feet and colds are bad now. They say pneumonia and flu are traveling around.

How many "tummy aches" existed after the F.F.A. banquet Thursday evening. Indigestion, no doubt, after the initiation workout.

How long the Morocco will last in Honolulu? Did we see some college people there at the grand opening? One of the Biltmore trio, Mel Peterson, halls from the class of '30. A Hawaii alumnus. Good work, keep it up!

CAMPUS SOCIETY

A. W. S. Will Present 'Sweetheart' Thursday

The A. W. S. SWEETHEART will be presented at the second women's meeting of the year which will be held Thursday, 9:30 a.m., at the Lecture Hall. According to Thelma Sproat, A. W. S. prexy, a gift will be given to the winner of this distinguished honor.

Besides this feature, the co-eds will have the opportunity of listening to Dr. Dorothy Wilson, a woman of rare ability and personal charm. Dr. Wilson served as the chaplain and professor of religion at Mills College during the year 1931-32, and is now traveling to Australia where she will occupy the pulpit of the Collins Street church in Melbourne.

La Cerele de France Is Name of New Club

To promote interest in French, La Cerele de France was organized at the University last Monday. Reginald Schisler was elected temporary chairman. Denzel R. Carr, instructor of French, is the adviser. The club will hold a luncheon meeting at the cafeteria November 6.

Members of the committee which took charge of organization plans are Reginald Schisler, Alexa Davidson, Yoshiko Tahara, and Atsuko Nakano.

Students Will Have New Dance Orchestra

At last a pressing need of the University's social life is to be filled. There is now being organized on the campus a dance orchestra composed of members of the student body. Nearly every college of any size has at least one orchestra on its campus, but for some few years, the University of Hawaii has lacked such.

This year, though, if you pass by the Lecture Hall on Tuesday mornings or Saturday afternoons, you will hear the efforts of the boys in the throes of their first rehearsals. They already know several numbers and are learning rapidly so as to be able to appear before the public towards the end of November or early in December.

The band is an eight piece affair with Vin Van Brocklin and Clarence Bettencourt playing trumpets; Ed Hustace and Bill Murphy saxes; Harold Marques piano; Hubie Jones, guitar; Stu Ruley, bass; and Frank Palmer, drums. It is going to play a la Mainland style, featuring a vocal trio, and the boys say they will not play Saint Louis Blues!

University Students See Honolulu Temples

Honolulu's temples proved of interest to a group of university students last Wednesday, October 25. The priests of the various temples gave short talks that were both interesting and informing to the group which included most of the exchange students.

Six temples which were visited are: Taoist Temple, Hongwanji Buddhist Temple, Nichiran Temple, Sato Buddhist Temple, Shinto Temple, and Confucian Temple. Another interesting acquaintance tour will be held next month when places of Hawaiian historical interest will be visited.

Manuel Kwon Elected Teachers Club Prexy

As a result of the election held Wednesday, October 25, Manuel Kwon was elected president of the Teachers College Club. Mr. Kwon who was away last year as an exchange student at La Verne University is a member of the Teachers College honorary fraternity, Sigma Eta Omega, and is also active in Hawaii Union, the honorary debating fraternity, and the Y. M. C. A. At present he is doing practice teaching at the Teachers College Elementary School.

Other officers elected Wednesday include Toshie Tanioka, vice-president; Lillie Char, recording secretary; and Doris Ross, corresponding secretary.

Cary D. Miller Will Speak On Garden Isle

Cary D. Miller, associate professor of foods and nutrition in the University of Hawaii, will arrive on Kauai tomorrow to speak before an extension class at Kauai high school on "The Relation of Food and Nutrition to Health."

The class before which Miss Miller will appear is "Principles of Health Education" taught by Mabel I. Wilcox. Arrangements for the talk were made through Mrs. Etta R. Washburn, director of the extension division, and Dr. Francis E. Peterson, associate professor of education. Miss Miller will return to Honolulu, November 1.

Freshmen Appoint Committee Chairmen

Committees which will make plans and carry out the work of the freshman class this year have been selected by the freshman class senate.

Chairmen of the committees are Dwight Lowrey, alternate; Minoru Shinoda, class honors; Clyde Ridley, publicity; Monroe Leovy, scholarship; Seido Ogawa, activities; Robert Louis Stevenson, finance; Beatrice Lum, social, and Lex Brodie, spirit and rally.

Class members are urged to pay their dues to Rufus Hagood, Ralph Matsumura, Edward Hustace, or Robert Stevenson.

Dean William H. George is the freshman class adviser.
