### Annual Class Elections Today; Voting Booths To Close At 3

#### Ray Haftel Unopposed; Wins Easily

Two last-minute presidential candidate withdrawals brought on a drastically changed picture in the Junior class election, which is being held today in conjunction with those of the Senior and Sophomore classes.

Voting booths located in the new alumni office, Hemenway hall, open since 9 this morning, will close at 3 p.m.

ACCORDING to election chairman Sohei Yamate, the Junior class presidential race has Ray Haftel running unchallenged.

The one-man race resulted when three other candidates, Sunao Murata, James Nishi, and Gilbert Korenaga withdrew early this week.

Other candidates vying for Junior class offices include:

Vice president: Gwen Botelho, Byron Meurlo, and Rose Omene.  
Secretary: Sadie Hokama, Annette Shigezawa, Merrie Stacey, Florence Tong, and Evelyn Yama.

### Jean Charlot Agrees To Paint It For \$1000

Whether or not Jean Charlot paints a wall mural in the new administration building this summer hinges on the outcome of a campus wide plebiscite which will be conducted throughout next week via campus mail.

The world famed muralist and fresco artist has expressed willingness to do the mural for \$1000—one-fifth the regular price—when he arrives in Honolulu this June to teach at UH's summer session.

THE SENIOR class cabinet, which has taken the lead in this matter, has fully endorsed the mural as an exceptionally splendid class gift, but since the class treasury cannot meet the required amount, the seniors have turned to the three other classes for financial cooperation.

Their plan, as outlined by President Kats Miho, suggests that all the classes pool portions of their funds, and present the mural as a joint gift to the university.

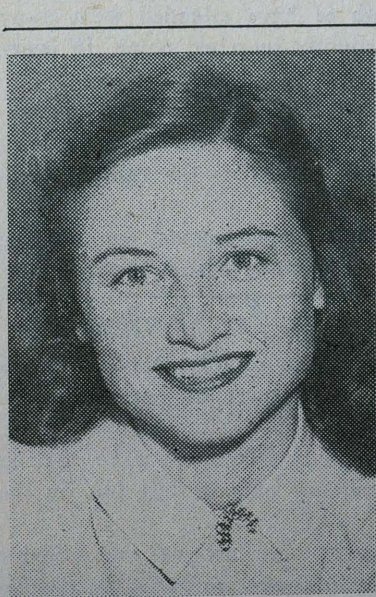

IN OTHER words, the painting would take the place of individual gifts from the classes of '49, '50, '51, and '52.

"This project, if the student body approves it, will put UH on the cultural map in the field of art. Moreover, it will be the finest memorial any class could possibly hope to leave behind when it leaves the university," President Miho asserted.

HE MADE an emphatic plea for students to get their ballots at the campus mailroom next week, and vote on "this chance of a lifetime."

### Ka Leo Adviser Job To Bonnie Blomfield

BONNIE BLOMFIELD

By ALMA TOM  
Ka Leo Staff Reporter

Stepping from grease paint to printers' ink is the general direction Mrs. Bonnie Blomfield, well-known theatrical figure and UH speech instructor, will be taking when she assumes her post as adviser to Ka Leo, effective next fall. She will replace Mr. William W. Davenport, who is going to France for a year.

A native New Yorker, Mrs. Blomfield graduated from the University of Utah and received her MA in journalism from Columbia university.

HER NEWSPAPER career includes: associate editor of the Utah Chronicle, UU newspaper; news reporter on the Salt Lake City Tribune; and editorial staff member of Time magazine.

In pursuing her major hobby, dramatics, Miss Blomfield has participated in numerous Honolulu Community Theatre and Theatre Guild productions. Her latest endeavor is the feminine lead in Ferenc Molnar's "Liliom," currently under production.

SHE HAS ALSO played the role of the mother in "The Glass Menagerie," and Olga in Chekov's "The Three Sisters."

When asked how she felt about the new appointment, the attractive brownette replied, "I'm looking forward to my new job with much enthusiasm, as most of my most enjoyable days were spent working on college newspapers."

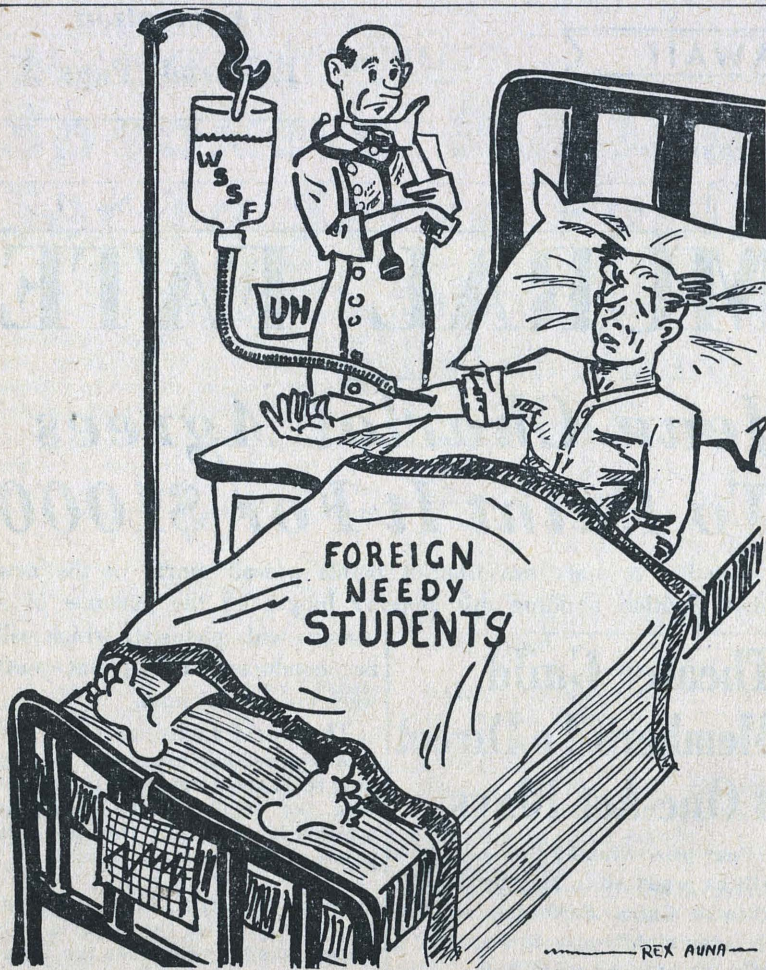

#### TG To Hold Tryouts For Coward's Comedy

Theatre Guild will hold tryouts for Noel Coward's latest comedy, "Blithe Spirit," next Monday and Tuesday, May 2 and 3, at 4 p.m. at Farrington hall.

Parts for two men and five women are open. Any interested student may tryout. The play will be presented in June as the last production of the year.

## As We See It...

### Stepping Into Big Shoes

President Warren Higa's administration comes to a close tomorrow. The next ASUH regime will officially take office Monday, headed by President-elect Barry Rubin.

The outgoing officers and councilmen can look back on their year of legislative activity with pride and satisfaction. True, some mistakes were made along the way, but these were honest mistakes, and are to be chalked up against experience. In our candid opinion, the progress the student government made this past year far outweighs these miscues.

ASUH today stands on firm ground, thanks to the tireless efforts of the terminating administration. Hawaii's student government has won back the respect and confidence of university higher ups and the student body in general.

It behooves the incoming set of officers and councilmen to push still farther beyond the high standard they inherit. Just so long as they bear in mind that first and foremost their prime responsibility is to serve the entire ASUH faithfully and maturely, they should attain that objective.

### How To Win Friends

The board of governors of Hemenway hall finally came into its own right last Saturday night with the superbly presented student-faculty "Cinch party" mixer.

Those who were fortunate enough to have attended went away singing warm laudations to BOG's slightly scorched name. In every way, the mixer met with acclaim.

That BOG did not undertake more of this type of project throughout the year is to be regretted. After all, BOG's chief purpose is to arrange interesting and varied social events for the campus community.

The new board, with possible faculty replacements, can use the "Cinch party" example as the basis for winning friends next year.

### Finals Exemption Is In Order

With the end of the current academic year rapidly approaching, attention once again is turning to the prospect of having seniors exempted from final examinations.

The idea is not a new one. It has been talked about, to varying degrees of interest, for several years, not only at UH but on the Mainland as well.

It reached its highest peak of intensity here last year when Senior class leaders carried on an extensive campaign to sway the council of deans into approving the proposal. But the measure was shelved, as was expected.

This year again the Senior class officialdom is striving for finals exemption for the upperclassmen. And, as in the past, it rests with the council of deans to nod approvingly. To date, no decision has been handed down.

We assert that the time has come for the deans to regard this proposal in the light of progressive education. We can see no valid reason for further delay, nor for disapproval.

It stands to reason that a senior who is doing scholastic work of average or better caliber is assured of graduation. Why then the need for taking finals?

The seniors can make much better use of that time in preparation for commencement and job hunting. The deans will be taking a step in the right direction by exempting seniors from finals, now and in the future.

## GUEST EDITORIAL

### Students' Golden Opportunity

Next week the student body will vote in a plebiscite to determine whether or not the four classes should combine their graduation gifts to UH to provide the university with a lasting memorial—a mural painting in the new administration building.

Mr. Jean Charlot, who enjoys international fame as a top-flight muralist, has consented to do the painting when he comes here this summer. While the usual fee is about \$5000, Mr. Charlot has generously offered to paint the mural for UH at a special price of \$1000.

\* \* \*

Here the classes have the rare opportunity of pooling their traditional class gifts in joint donorship of a work of art that would be truly grand in its decorative quality and permanence. To say the least, it would be a far cry from the usual run of gifts. As separate entities, the various classes cannot hope to give anything better than clocks or drinking fountains. This year, however, they are in position to combine their resources to sponsor a gift which would be a source of deep pride and enjoyment for years to come.

In addition, the proposed mural would add immeasurably to the university's prestige. The mere fact that it was the creation of Mr. Charlot would insure first class publicity in leading art magazines and other publications throughout the nation.

\* \* \*

It would rank UH with the handful of universities on the Mainland which have had the foresight to provide themselves with similar works of art, such as Dartmouth (Oroszco); California school of fine arts (Rivera); and University of Georgia (which boasts a mural by Mr. Charlot).

Certain members of the alumni association have expressed willingness to finish up the project. But the main impetus should by all means come from the students themselves. Let's not muff this golden opportunity. The money is in your class treasuries—awaiting your OK.

Vote "YES" in the plebiscite and give the university a lasting treasure of art.

—S.G.

### Cause For Embarrassment

The rainy spell Manoa underwent this week didn't make conditions in pock marked Hemenway parking lot any more tolerable. Ruts and trenches which were causing enough annoyance as it was, deepened, widened, and now constitute hazards to limb and property in every sense.

The white exterior of Hawaii hall should redden with embarrassment whenever visitors arrive on campus because of this university eye sore.

## Letters From The Readers

### NOT A 'FAIR OPPORTUNITY'

EDITOR KA LEO:

May I take this means to address an important message to the Sophomore class? By now I have been elected as your Junior class president. I can say this with assuredness because I know that my name is the only one down on the ballot for president, and by now I must have received the one vote which I need to be elected.

There is one question in my mind that I am not the choice of many of you. This is what troubles me. You voters have not had a fair opportunity to choose whom you want for your president. Instead, I have been crammed down your necks, like it or not.

Of course, other persons were nominated and there was ample petition time allotted, but nevertheless everyone else declined and I am the only one listed on the ballot.

Now, here is my suggestion to you. If any of you can think of someone you would rather have in place of me, I would suggest that you draw up a petition to recall me and have another election at a later date with more candidates listed for the office. In this way, you will have the chance to vote for the person of your choice, and I will have the chance to run again.

—RAY HAFTEL

### 'THANKS WOULD MEAN NOTHING'

EDITOR KA LEO:

Expressing thanks (to the "Cinch party" workers) is unnecessary. All of us who put our efforts into the occasion feel sufficient reward from its overwhelming success; thanks would mean nothing. We had fun working on the project, and we are proud of its outcome. What more is needed?

However, the good sportsmanship of Mr. Willard Holden and Mr. Elbert Banner should be commended, for much of the party's success was thrown upon them!

## UH ROMANCE

### Biggest Role Awaiting TG'S Miss Simpson

By DON MAYO  
Ka Leo Staff Writer

Born on Maui and reared here and in Texas, Senior Paula Simpson is best known for her active interest in Theatre Guild and the Radio Workshop.

In addition to winning third prize in the recent Theatre Guild play-writing contest with her piece on juvenile delinquency, "The Puzzle," Paula has done acting and publicity work for TG.

\* \* \*

INSTEAD OF "The Puzzle," however, another play she has written, "The American Way" will be produced by the campus theatre group next month. Earlier in the year she appeared in "The Importance of Being Earnest" as the saccharine Gwendolen.

PAULA SIMPSON

One of the pioneers in the UH Radio Workshop movement, the statuesque blonde is currently serving as president of that organization. The Workshop aids in the production of the weekly UH radio programs.

\* \* \*

PAULA'S EDUCATIONAL career began in Hawaii and extended through intermediate school here. She went to high school in Jacksonville, Texas, where she graduated as valedictorian of her class.

Following high school she attended Sul Ross State Teachers college one year, participating in theatre activities there. She recalls vividly the production of "The Mikado" at Sul Ross.

\* \* \*

"IT WAS THE biggest thing of the year for them," Paula said, "but on the whole, the theatre work done at UH is far superior to anything attempted there."

Paula came to UH after Sul Ross State, and has excelled in scholarship as well as in extra curricular activities. Majoring in English, she was one of 20 graduates-to-be invited by Phi Kappa Phi, national honor society, for having maintained outstanding scholarship throughout their college careers.

\* \* \*

"WRITING IS my most extensive interest," she confided, "and although I haven't done much of it, I hope for some measure of achievement in that field in the future." Besides writing, Paula likes music and the theatre.

She has charge of the Carnegie music library, and conducts recorded music concerts in Hemenway hall every afternoon from 1 to 3 p.m. Swimming and dancing are among her lesser interests.

\* \* \*

THE BIGGEST DAY in Paula's 21 years will be June 8 when she will marry Senior Bruce H. White, son of Dean Bruce White of Teachers college.

It is thoroughly a UH romance, for they met at lunch in the cafeteria, and have been going together since.

LAVISH ALOHA LUAU SLATED JUNE 8;  
MIHO CONDUCTS GENERAL MEETING TODAY

Final Exam  
Exemption  
On Agenda

President Kats Miho is slated to conduct a general meeting today at 12:30 in SS103 for the purpose of explaining the class' common problems to his classmates. All seniors are advised to attend this important session.

INCLUDED on the priority list of the agenda is a discussion on the finals exemption project. Members of the class will be given an opportunity to express their views on the issue, which is now in the hands of the council of deans. The meeting will also take up questions concerning the aloha luau, the commencement exercises, and class gift to the school.

TREASURER Harry Kitamura will give a report on the financial condition of the class as of today. Future plans of the '49ers as to membership in the UH alumni organization will also be discussed.

NO CHANGE

1949 Graduates  
To Get Diplomas  
Individually:Deans

Graduates of the class of 1949 will receive their diplomas individually at the commencement exercises, it was announced by Dean Paul S. Bachman recently.

The council of deans, however, recommended that a representative or several members of the graduating class from each college receive a token diploma at the 1950 commencement, Dean Bachman said.

The deans decided on the change because of the large number of seniors who are expected to graduate next year, he declared.

Graduation Gift?

CLASS OF '49

—BY TATSUMI "YAMA" YAMAMOTO

'Perpetuating Our Record'

Climaxing four years of distinguished service to the University of Hawaii, the class of 1949—400 strong—will in a short time step forward to accept its responsibilities as citizens of an increasingly expanding community.

Through the experiences and knowledge derived from our college life, we are well equipped to meet the challenges of the world community without trepidation.

The university has taught us to be alert, clear thinking Americans. Now, upon our shoulders rests the responsibility of integrating the information we have acquired, and employing it to its best advantage in aiding our fellow men.

No matter what events await us in the future, our loyalty to this grand institution must not wane.

Service to UH does not end with commencement. In fact, that is when it should begin in earnest.

It is important, therefore, that as a welded unit of 400 we make every effort to bolster the UH alumni association, both in numbers and in action performed.

Through this means the class of 1949 will be in a key position to perpetuate the record that we leave behind.

WORLD RENOWNED PHILOSOPHER

Northrop Principal Speaker  
At Commencement Exercises

Dr. Filmer S. C. Northrop, world renowned professor of philosophy and law at Yale law school, will deliver the principal address at the 38th annual commencement exercises Tuesday, June 14, in the Arthur L. Andrews theatre.

Graduation ceremonies will start at 5 p.m.

DR. NORTHROP is coming to Hawaii to attend the East-West philosophers' conference which will take place on campus during the summer. He will arrive Monday, June 13.

Author of two books on philosophy, "Science and First Principles," and "Meeting of East and West," Dr. Northrop is well known in Hawaii, having attended the 1939 East-

West philosophers' conference at UH.

HE ALSO contributed an article on the "scientific nature of western philosophy and culture as contrasted with the intuitive nature of oriental philosophy" to a book entitled "Philosophy of East and West" which Dr. Charles A. Moore edited.

HE RECEIVED his AB degree from Beloit college, and his AM and PhD. from Yale and Harvard respectively.

Invitations to the commencement exercises will be issued to seniors from Monday, May 16, to 21 at Hemenway hall. Each senior will be allowed 10 invitations.

Caps and gowns will be distributed to seniors from May 25 to 27.

First 350 Ticket Buyers  
To Get 50 Cent Discount

More than 500 seniors and guests are expected to attend a lavish Aloha luau in honor of the class of '49 at the Kamehameha alumni clubhouse Wednesday, June 8, it was disclosed by chairman Alvin Shim.

Tickets at \$4.00 per person will go on sale Wednesday, May 4, at Hemenway hall, Shim said. They will be on sale until May 25.

"THE FIRST 350 seniors who buy ducats will definitely receive a discount of at least 50 cents," he said.

It was also pointed out that one senior will be allowed to buy two tickets.

IVANELLE Mountcastle, member of the senior cabinet, will be in charge of the ticket sales.

Food will be served at 5:30 p.m. Included on the menu for the evening will be kalua pig, chicken luau, poi, sweet potatoes, lawalu fish, haupia, lomi lomi salmon, pineapple, and soda pops.

"BEAUTIFUL hostesses dressed in muumuus and holokus will serve the guests at the tables," the chairman revealed.

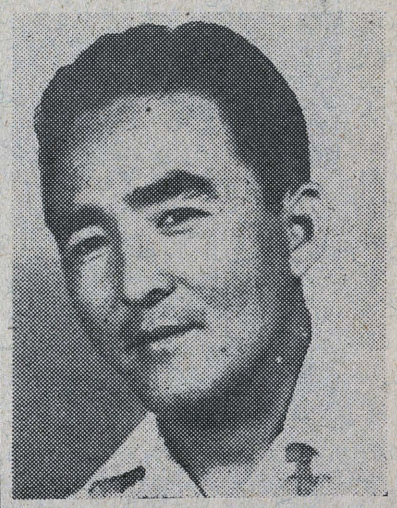

After the feasting is over, guests may dance in the spacious dance hall of the clubhouse, Shim pointed out. The "Serenaders" orchestra is tentatively scheduled to play.

Tea, Baccalaureate  
Service Dates Set

The 1949 baccalaureate service, with Canon Anson Stokes of the Honolulu Episcopal church as the principal speaker, will be held June 12, 5 p.m., at the Kawaiahao church, according to Ellen Kawamoto, chairman.

A reception, the president's tea, inviting as guests all seniors and their parents, is planned for June 13 in front of Hawaii hall. Hosts for this annual occasion will be President and Mrs. Gregg M. Sinclair.

Class President  
Extends Greetings

KATS MIHO

Fellow '49ers:

Greetings! Your class cabinet joins me in extending heartiest Aloha on Awards Day.

Through your interest and participation in the activities of the past year, we have succeeded in making your final year in college one of enjoyment and fun.

I wish to pay tribute, too, to your classmates who have given their time and effort unselfishly for the purpose of organizing and carrying out the events planned for you.

Many thanks are due Dr. Shunzo Sakamaki, our adviser, for his kindness and help throughout the year.

We still have a full month of our senior year to enjoy. May we continue to work for an unforgettable year at UH by taking part in the activities remaining on the class calendar.

Good luck to all of you!  
Sincerely,  
Kats Miho

# '49 KINGPINS IN MAJOR UH SPORTS

**TEN KEY MEN**—Let it not be said that the Senior class did not contribute talent to athletics at the University of Hawaii. The 10 prominent sports figures pictured above were indispensable in their various major fields. Captain Charlie Oda (First panel, left) of the Varsity aquamen was singularly the outstanding swimmer on campus, while Yoshio Shibuya carried the difficult responsibility as manager of the team in commendable fashion. Almost perpetually with a whistle in his mouth and wearing a "T" shirt, student Intramural director Claude Takekawa (Second panel) was behind all campus athletic competitions. Largely responsible for the fine exhibition of ball playing by UH diamonders this season were (Third panel, l. to r.) first baseman Yutaka Nose, captain

and catcher Jyun "Curly" Hirota, and pitcher Harry Kitamura. Mike Shintani (Fourth panel) was a valuable man last year and is expected to be valuable again when the Rainbow and AAU meets roll around as captain of the 1949 spike squad. Veterans on the gridiron and co-captains of the Roaring Rainbows "Curly" and Louis Collins (Fifth panel, l. to r.) shed their green and white jerseys after four seasons of faithful service. Captain Bob "Old Man" Wong and manager Stanley Kim (Sixth panel, l. to r.) will no longer walk into the casaba courts under UH colors, but will be remembered in the future for the color they provided on and off the courts.

## Sampled Seniors Reveal Post-Grad Plans, Aspirations

May 28 is just around the corner. With only one month remaining before that red letter day approaches, 380 seniors today are deeply engrossed in planning for their post-graduation years.

The class' roving reporter Mary Samson asked some of the '49ers, as to their future plans, and this is what she found out.

**MATSUKO** "Mutt" Kubota, TC major, plans to teach a course in home economics at Waipahu high school, and to do graduate work in education at Iowa State college later.

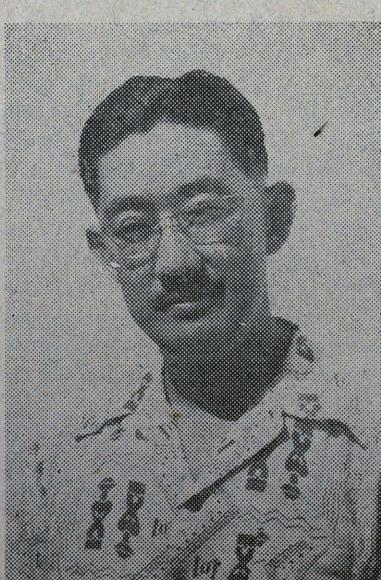

**BEVERLY** Nakatani, business major, will work for James W. Glover, Ltd., in Honolulu in the bookkeeping and clerical department.

**Revocato** Medina, history major, said, "I plan to do graduate work in speech and specialize in public relations at either the University of Wisconsin or at Northwestern university."

**HEADED FOR** matrimony after graduation are Dorothy Wong, sociology major, Paula Simpson, English literature major, and Ellen Kawamoto, another soci major. Dorothy will wed Edwin "Boy" Liu, class of '48, Paula will marry Bruce White Jr., and Ellen will become the bride of Henry Shikuma.

**Claude** Takekawa, TC major, plans to work for his MA degree in physical education at either Springfield college, Indiana university, NYU, or the University of Illinois.

## Sakamaki Recalls Campus Life Of 22 Years Ago

DR. SHUNZO SAKAMAKI

**KIMIKO** Hanta, Grace Izuo, May Inouye, and Sayako Ando, all home ec majors, intend to do fifth year internship in dietetics at New York's Veterans Administration in Bronx, Ohio State university, Massachusetts' General Hospital, and Detroit's Harper hospital respectively.

**Paul** Haygood, government major, will seek employment with the Territorial civil service agency.

**GENEVIEVE** Takemoto, psychology major, will be working in a day care center, taking care of "little children."

**Yasuo** Fujikawa, zoology major, is seeking admittance to a Mainland university to do graduate work in science.

Class adviser Dr. Shunzo Sakamaki is as versatile as he is popular. Nowadays, when the seniors discuss their favorite professor, they think of Dr. Sakamaki only in his role of history professor or adviser to the '49ers.

**RELATIVELY** few of them are conscious of the fact that the man behind the black mustache participated in practically every phase of extra curricular activities while he was but a student here, some 22 years ago.

The eminent historian on the Far East was a member of Theatre Guild, the UH band and choir, Varsity debate squad, Phi Kappa Phi, and editor-in-chief of Ka Leo.

**THE ONE-TIME** honor student still remembers with chagrin way back when he received his only "cinch notice."

"I got it in a course in journalism. And I was editor of Ka Leo at the time, too!" he disclosed with a grimace.

**"DOC"** DECLARED that his "greatest contribution" to UH was in the field of music. "I played the cymbals in the band, and sang second bass in the choir."

Perhaps his most notable accomplishment, however, was the time he "died" three separate deaths while acting in the Japanese drama "Chushingura."

**"THE SHOW** went to Hilo, and because we had cut down the cast, I played three parts . . . all of them calling for me to die before the final curtain came down," he revealed.

## HOME STRETCH AT LAST!

# 4 Years Of Work, Fun To End Soon For '49ers

By BERNICE YOSHINO

In the fall of 1945, 621 proud and eager freshmen trampled onto the Manoa campus. There weren't 621 of them for long. The boys were gradually inducted into the army even before the first six weeks exam began.

The class of '49 was a sorry lot then, for by the end of the semester all of the officers except Pat Au, the secretary, left for the services.

**MASCULINE** figures were sorely missed for awhile, but this shortage did not last long. The vets started coming back to campus after the first semester ended.

Following their return, the veterans revived the Ka Palapala beauty contest. At this time, freshmen walked off with three out of the five queenships—Harriet Serai, Japanese; Esther Chun, Korean; and Frances Yuen, Chinese.

**SOPHOMORE** year started off with a screeching noise of two fire engines when some confusion arose about the bon fire at the annual bury the hatchet dance.

Under the leadership of President Alfred Ching, Vice president Kazue Amioka, Secretary Dorothy Yoshimura, and Treasurer Sue Tateishi, the class contributed its share in the highly successful collegiate carnival.

again, the jolly juniors were led by President Ralph Goya. Ellen Kawamoto, vice president; Toshiko Kohatsu, secretary; and Mabel Tokunaga, treasurer, were the other officers.

**BESIDES THE** Christmas eve dance and the junior-senior prom, the juniors enjoyed a picnic at Kalamela beach club.

Home stretch at last! The masculine reign returned with Kats Miho, Paul Kokubun, Harriet Serai, and Harry Kitamura winning the Senior class' top executive posts.

**THE GAY** New Year's eve dance was followed by a camp between semesters at Mokuleia's Camp Erdman. In addition, two picnics at Manners beach were held, one in December, and the other in March.

**THE '49ERS** are now looking forward to the May 14 junior-senior prom, and the Iuan June 8.

But the day all 400 seniors are awaiting is June 14, commencement day.

## Netsters Face ITS Outfit Next Sunday

UH's netsters will engage in a tight Class A tourney match this Sunday with the International Travel Service outfit. The game is scheduled for 9 a.m. at the university courts.

Handled by Dooley Kam and Wally Kau, the Green and White squad is currently tied for first place in the tourney with the Pillsbury Flour team. The Rainbows must win this Sunday's match and the following Sunday's against Pillsbury to cop the pennant.

\* \* \*

**THE MANOA NETMEN** swept through the Philippine Airlines team by a 6-0 score last Sunday. Kenneth Griffen, Howard Lau and Clarence Lau trounced their respective opponents in the singles matches.

Victorious in their doubles matches were the Kenneth Lau-Charles Chang, Les Ihara-David Mau, and Stanley Kim-Akira Fujimoto duos.

\* \* \*

**OTHERS ON** the Rainbow roster are Edwin Goya, Patrick Lum, and Takeo Ogawa.

## Kawamoto Wins Novice Table Tennis Crown

Before a large crowd of ping pong enthusiasts, Francis Kawamoto emerged victorious over rival Edward Matsumoto to capture the novice championship last week at Hemenway hall.

Slamming the ball with uncanny precision, Kawamoto captured the first game 21-17. However, Ed "Never-say-die" Matsumoto came roaring back to win the second contest with an identical score of 21-17.

The final fray was a nip-and-tuck affair with the lead see-sawing back and forth several times. However, Kawamoto's superior playing brought him the championship when he captured the last set 21-19.

# California's Golden Bears Meet UH Nine This Summer

## Rainbows Muff Pennant Bid, Losing 7-1

UH's diamond squad will meet the University of California tossers in June or July, announced Coach Tommy Kaulukukui.

The Golden Bears nine is scheduled to play a series of games against Hawaii league teams, and the Rainbows are on tap for the first game.

\* \* \*

"IF THE BEARS don't get in the NCAA play-offs, we'll meet them June 19; otherwise, we play them in July," stated Coach Tommy.

The stateside squad is coached by Clint Evans and boasts a fine pitcher in Jackie Jensen, all-American football star.

\* \* \*

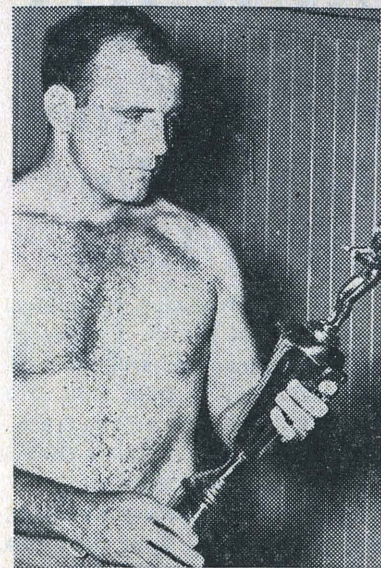

**AT THE STADIUM** last Wednesday night, the Manoa nine lost to the Injuns in the championship game of the Hawaii Baseball Congress by a score of 7-1.

Playing under pressure built up by six straight victories, the Green and Whites were unable to get their eyes on the ball. Henry "Lefty" Tomimaga started on the mound and was relieved in the fifth frame by Harry Kitamura.

\* \* \*

**THE INJUNS** tagged the UH chuckers for 12 safeties, while two of their moundsmen checked the 'Bows with five scattered bingles.

Figures compiled by Manager "Shadow" Hirai show Dermot Ornelles the top batter among the UH'ers in the Congress tourney. The stellar outfielder got on safely 13 times in 31 tries for a .419 average.

## Territorial Mat Meet Slated Tonight

Handsome trophies and awards will be at stake in the Territorial amateur wrestling championships tonight and tomorrow night at the UH gym. The events start at 7.

These matches will mark the final appearance of the Green and White Varsity mat squad for the season, as they grapple Armed Services Y, Nuuanu Y, and Laie tusslers, as well as several unattached matmen.

\* \* \*

**DEFENDING HIS** heavyweight crown will be Hank Nachtsheim, tackle on the football Varsity. Incidentally, Hank became the father of a six and three quarter pound baby girl just three days ago. This should serve as inspiration for Hank.

Jay Sasan, a freshman, showed plenty of promise in previous mat meets. He will be out for the 128-lbs. crown.

\* \* \*

**ALSO APPEARING** on the card are co-captains Bob Detton and Ken "Cannonball" Kawate. Wallace Doty and Frank Katterman are among other UH entries.

"We've got a bunch of guys that are tough to beat," stated co-captain Detton, "and I feel that these men deserve all the support the students can give them."

# Tsukano Describes Grand European Tour

By FRANCES SUDA  
Ka Leo Staff Reporter

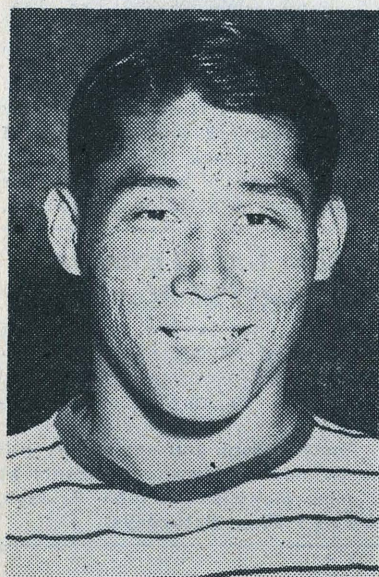

"Terrific!" Johnny Tsukano, former UH swimmer, kept telling Ka Leo reporters as he enthusiastically described his tour of seven European countries.

From Hawaii, Tsukano with another UHer, Ford Tetsuro Ushijima, traveled to the Mainland, Canada, and then to England, Denmark, Belgium, Holland, France, Switzerland, and Sweden.

\* \* \*

JULY 3, the pair left for Europe. First destination after crossing the Atlantic was London.

The Olympics, with its royal pomp and ceremony, impressed the Hawaiian travelers. But Tsukano

JOHNNY TSUKANO

also noted the hardships of the austerity program and English antagonism toward Americans.

\* \* \*

ONE DAY Johnny was riding in the London subway. He saw a hand thrust in front of him. Looking up he recognized President Sinclair, then on his world tour. The president had spotted Johnny's UH T-shirt.

In contrast to austere England, Denmark was very friendly, Tsukano found.

\* \* \*

WELCOMED BY Ruth Sorensen, a Danish girl who had received his name from a pen pal service in Copenhagen, Johnny spent the greater part of his three-month stay in Denmark at the Sorensen home in the little town of O. Hornbak. "I was treated like a son," he recalled.

Strumming their ukuleles and singing Hawaiian tunes, Tsukano and Tets traveled all over Denmark, speaking and singing at schools and before various groups. Danes speak and understand English well," Tsukano said.

\* \* \*

COMPLETE STRANGERS often invited the two Hawaiians to their homes. "But we were careful not

## Programs Released For Three UH Radio Productions

"Girl in the Darkroom," a UH Radio Workshop presentation, will be broadcast Thursday night, May 5, at 8:30 over KHON.

The cast for the radio play includes Louis Steed, Joan Olsen, Arthur Caldeira, Ruth Spolum, Anita Lee, and Robert Chatterton.

\* \* \*

CHATTERTON will also be an announcer. In charge of music is Yun Choung Zane. Leonard Stanley and Gloria Cooney will handle sound effects.

Originally aired over KULA, the UH Radio Workshop series henceforth will be heard Thursday nights over the Aloha network.

\* \* \*

THE UH Roundtable will discuss "American future policy in Asia in the light of the Chinese crisis" this Sunday at 7:30 p.m. over KULA.

Participants are Dr. Ch'eng-Kun Cheng, associate professor of sociology; Mr. Philip L. Bridgham, instructor in government; and Dr. John A. White, associate professor of Chinese history.

\* \* \*

AT 9:15 the same evening on KULA's "Ask the Professor" program Dr. Melvin R. White, UH radio coordinator, will interview Mr. Thomas Nickerson, university publications editor, concerning the UH press.

to take advantage of their kindness," he said.

Greta Andersen first asked Tsukano about coming to Hawaii. Johnny feels that the Danish swimmer's presence in the Islands would help boost international goodwill.

\* \* \*

IN THE HISTORIC French town of Aix-en-Provence, Johnny sought his wartime friends, the Allione family. He found that Communists had used poverty and the pro-Russian American press of 1944 to convert the French family. Today the family is worse off economically than during the war, he said.

From France, the 442nd veteran, who had been wounded in the Battle of the Vosges Forest, retraced his steps to Scandinavia and then sailed for New York on the Gripsholm.

\* \* \*

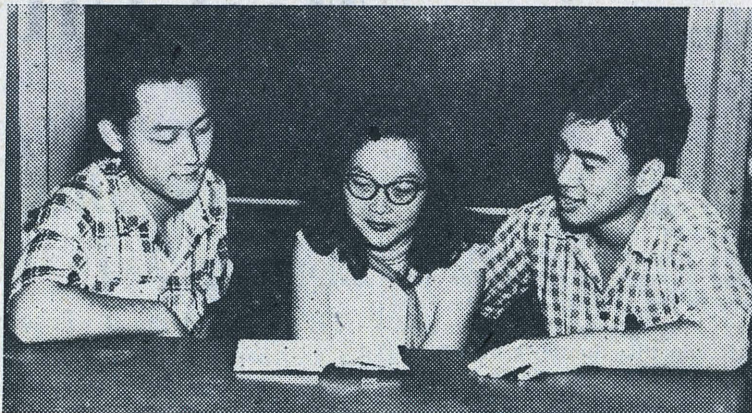

WHAT DID Tsukano get from the trip besides "thorough enjoyment?" "Increased perspective," he said, "and appreciation of home and Hawaii."
