CAPERS

Day after is
emergency room
physician

Summer
Palace
夏宮

- * Major surgery - wife cancer (Barbara)
- * Caught early - fallopian - aggressive chemo -
can beat it → 6 months
- * Shock of yr life
- * Put on battle gear & get ready for the struggle

Hewlett Fdn asked for proposal to attack
black carbon -

THE
BAR

Importance of near term attacks -
Tipping Point - we need to slow down our
march to the precipice -

Black Carbon -

Albedo of snow & ice

Great target

No focus at Bali on Black Carbon -

SOMETHING GO
THE REGENT DELICACIES AND TAKE AWAYS

Developing world should want to do this to
deal with their own health problems -

Tea
Lounge

* IMO - weak

< Start & strengthen >

- How do we take the first steps -

Conv on long range transport of Pollutants
(LRTOP)

Port state authority - Long Beach
Cruise Ships -
