

Save Akepo Lane!!

(makai end)

These cars and that growing HCC parking lot may soon move out our friends of Akepo Lane. Even the homes that families have already moved from a few years ago are still decent.

THEY ARE COMING!

10 families and single men, some retired and some still working hard like many of us, will get "Displacement Certificates" this September. THIS IS NOT EVICTION NOTICE! It is a scare tactic to get them out early.

SO:

- A. DON'T PANIC and**
- B. DON'T MOVE! (we have legal rights)**
