Dear Letitia:

Draft General NPDES Permit No. H10111287
Discharge from Vessels or Other Floating Craft
into the Pacific Ocean

The OEQC Bulletin (dated 6/8/84) provided a notice of review for the above permit with a comment deadline of June 25, 1984.

The Center previously conducted an extensive in-house review of this permit (dated 11/7/83) a copy of which we have enclosed for your information.

Yours truly,

Doak C. Cox
Director
