SUBJECT: Goat Drive , July 31, 1985

TO: Ted Rodrigues

INTRODUCTION: This one-day drive will concentrate in the West Kau-o area with all participants (~~XXXXXXXXXX~~) camping at the koa tree. We will attempt to drive animals from the center of the Gap towards the palis and the fence pocket at the bottom of the Gap. All participants will camp at koa tree after this all-day drive. Day #2 will be random hunting and clean up and leave.

Participants:

HNP Staff

Ted Rodrigues, .223 cal.

Peter Connally, .308 cal.

Sandy Powers, .223 cal.

VIPs

Gary Chang, .270 cal.

Danny Mitsmura, 30.06 cal.

John Kiggaard, 30.06 cal.

John Weigner

Flight Plan: Early am flight w/R. Nagata & 2 scientists to Mt. Haleakala. Then to koa tree to pick up Ted & 3 hunters. Then deployment of hunters in Gap by Ted. Then fly Ted and John K to top. Ron Nagata & scientists fly off. End of air time. We need to start early.

ATTN OF: Peter ConnallySUBJECT: Goat drive, July 15, 16, 17

TO: Ted Rodrigues

Introduction: July 15 drive will concentrate on the Waikane Spring area with participants working out of Kapalaoa Cabin. July 16 morning we will attempt a sweep of Central Crater around Puu Laile driving goats towards Waikane. In the evening of July 16 a Puu Kumu-Puu Mamane drive will be executed. July 17 participants will walk out and random hunt if possible.

Participants: Each person needs 100 rds. of ammo indicated beside their name.
