Community Meeting

time: 7:00 P. M. SATURDAY APRIL 7, 1973

place: CORNER GROCETERIA

When all of us stuck together at our Feb. 24th Public Hearing we forced the State to temporarily suspend expansion of the college and the eviction of the Akepo Lane residents. These are two victories we have won through unity!!!!

topics

- ★ New facts on expansion; information that DAGS (Department of General Services) had never showed us.
- ★ On talking to landlords and property owners in not selling out to the State.
- ★ How we have to fight the State and the University of Hawaii Board of Regents harder.
- ★ Reports on speaking to Chinatown and Waimanalo residents about our struggle to save our homes and to gain support.
