Monumental Questions
(Presentation at TCS)

I. Why did he use the Antiquity Act?

June 2006

[Fight between NOAA & Fish Wildlife Service]

[Jean-Michel Cousteau video]

> instead of
Natl Marine

Sanctuary Act

(which Inouye preferred)

II. Does it matter? Will it help or hurt intl cooperation

IMO still made it a PSSA

May have helped to be a "Monument"

III. Maine debris

Derelict Fishing Gear (because of Singapore PP
the currents & circulation system).

Step up efforts at RFMOs - to top gear

Collect gear

Annex V of MARPOL

Land-based garbage

Stellwagen Banks

- moved navigational approaches to protect
Right ~~Whale~~ Whale.

& approach to Juan de Fuca
& Long Beach.

Sea-level rise will wipe out nesting areas on some of NWHB -

If it's approved as World Heritage Site [it's been nominated]

it could be argued that to fulfill our duties under the Convention, we must action to stop sea level rise -

US tuna industry & W & C Pacific has ramped up w/ Triz purse seines from Taiwan - using floating FADs - [& then FADs are abandoned & they wash up somewhere?]

We should prohibit boats from entering US ports if they don't recapture FADs - (FBH Aggregation Devices) - port state jurisdiction

(ml) } Are Gross & Sproat right that Antiquities
Act provides authority for Monument out to 12 miles -
What about US Authority in EEZ -
to govern resources.
We should explain why they are
wrong.

Lacey Act
