PACIFIC ANTIQUARIAN BOOKSELLERS

**An International List of Sellers of
Rare and Out-of-Print Books about the Pacific Islands**

compiled by Renée Heyum

All the dealers listed have substantial holdings of out-of-print books about the Pacific and some specialize in rare books. Some also offer new publications. Catalogues and price lists are distributed upon request. Only Pacific holdings are indicated in this list; since many dealers have several fields of interest, specify which regional catalog you wish. There may be a charge for airmail. Some dealers accept want lists and will do searches. Those dealers marked with an asterisk (*) did not respond to our request to verify our information and some of these may have moved or sold out.

Unless otherwise stated, addresses are for the United States. State codes used: CA=California, HI=Hawai'i, MA=Massachusetts, MI=Michigan, OR=Oregon, NC=North Carolina, NJ=New Jersey, NY=New York, WA=Washington, VT=Vermont.
