We are excited to be expecting a resolution commemorating 50 years of Jaku'an on the UH Mānoa campus, our UHM Way of Tea Club, and Dr. Sen's 100th birthday.

House on the UH Mānoa campus**

Open seating in the public gallery. We've been advised that the proceedings will take about 20 minutes. Keep in mind the challenges of parking around the State Capital building and the enhanced security procedures that have been put in place this year.
